

Puffy's Special Sparkle

Aira Shaikh

WHY CAN'T
I DO IT?

the bustling rain clouds.

They're painting
the world green...
and I can't.

Still no rain...

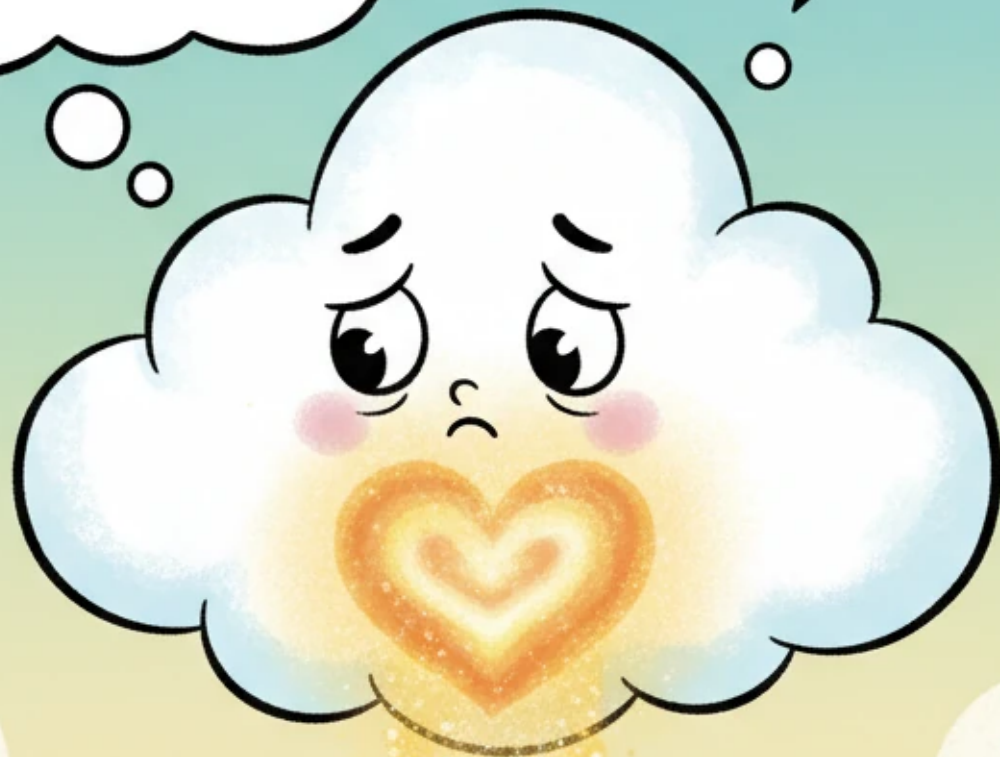

**Oh no!
That poor
little
flower!**

I must help you
feel better!

Plink!

WOW! It's working!

And just like magic...

Puffy watched with wide, joyful eyes as the flower perked up, looking refreshed and happy. A huge, warm feeling swelled in Puffy's fluffy. It

makes me special.

Even that day... Different look...
