## Leo's Wonderful Week

## MONDAY MORNING MAYHEM★

I am Leo. Today is Monday. I wake up early and I go to school with my big blue backpack.

He is my friend Sam. We play soccer on Tuesday. Sam does not like tennis, but I love it.

My mother is very kind. She cooks pasta on Wednesday. We eat dinner together at a big wooden table.

Look at the small cat in the garden! It is Thursday. It does not run today; it sleeps in the warm sun.

I see my friend Sarah at the park. She has a red bicycle. We are happy because it is Friday.

Leo asks, "Sarah, do you have a hobby?" Sarah says, "Yes, I paint. Do you paint?" Leo says, "No, I do not paint, but I sing."

We go to the zoo on Saturday. My parents like the big lions, but I like the tall giraffes.

# Sunday Garden Fun!

It is Sunday today. Do you work on Sunday?  
No, we do not work; we rest and play in the  
green garden.

The sun is orange and beautiful. They are tired after a long day. We go home to have a warm drink.

AND THEY LIVED HAPPILY  
EVER AFTER. THE END.

I am in my warm bed now. I do not want to sleep, but I am very tired. Goodnight to a wonderful week!
