# SCENE 1: WISP'S HIGH ADVENTURE

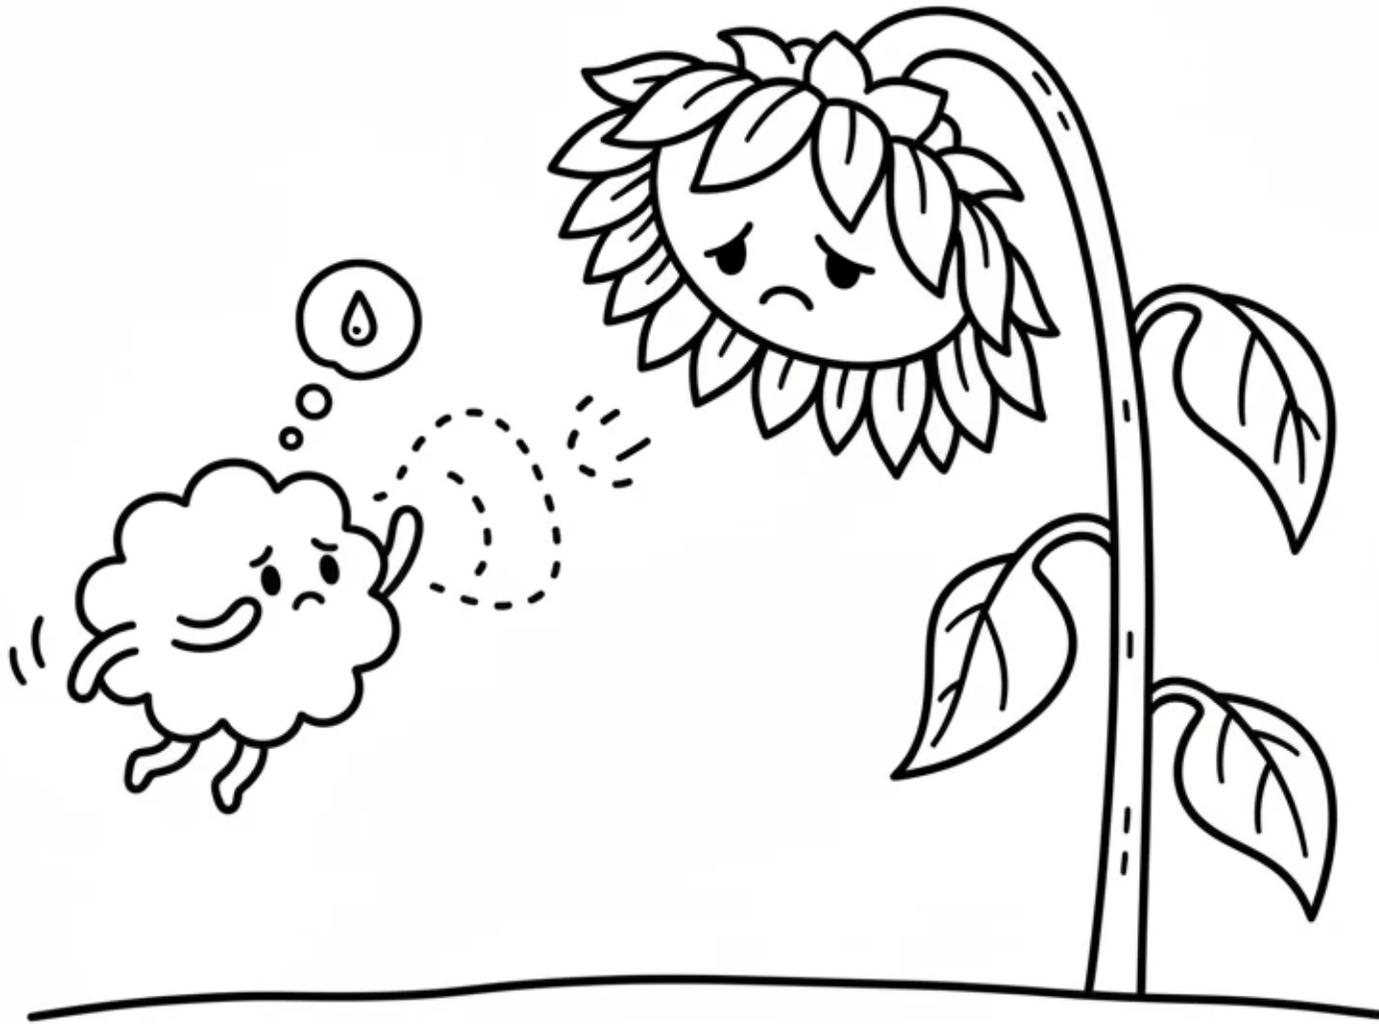

Wisp, a tiny cloud sprite, floated high in the sky...

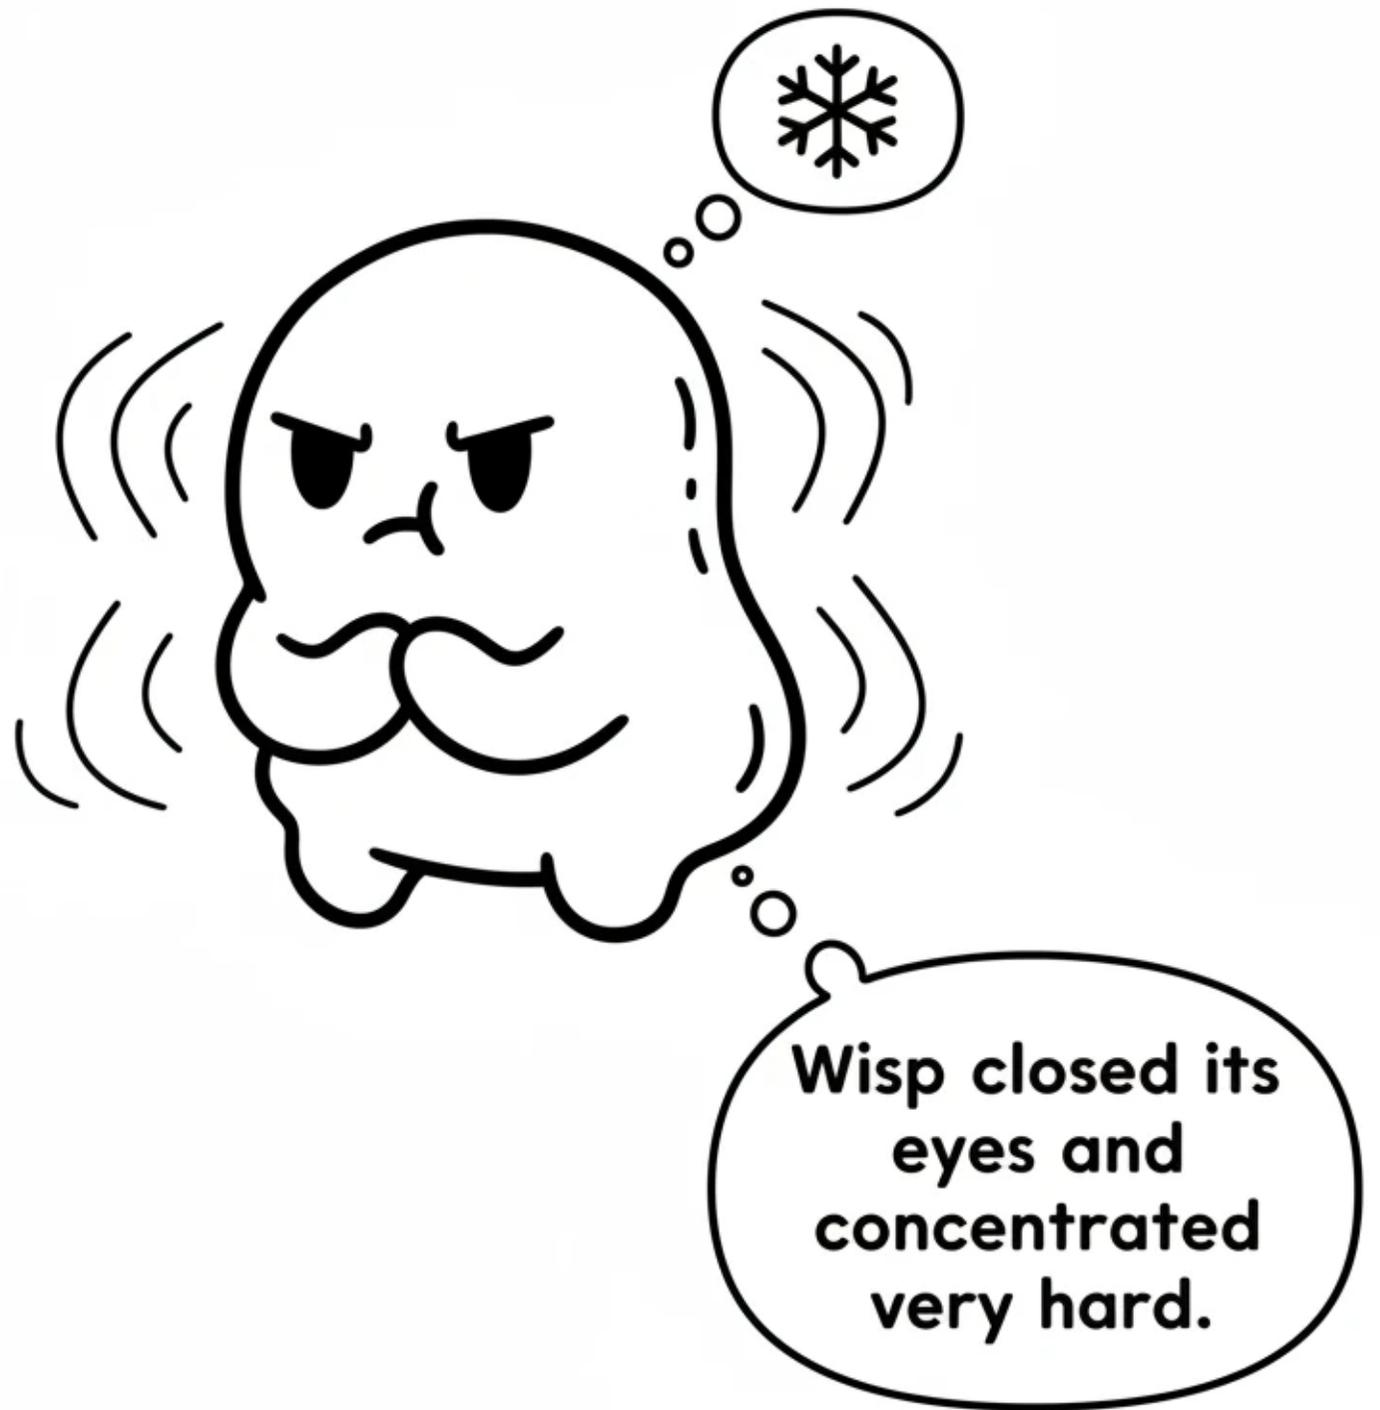

**Wisp felt a little pang of worry for the flower.**

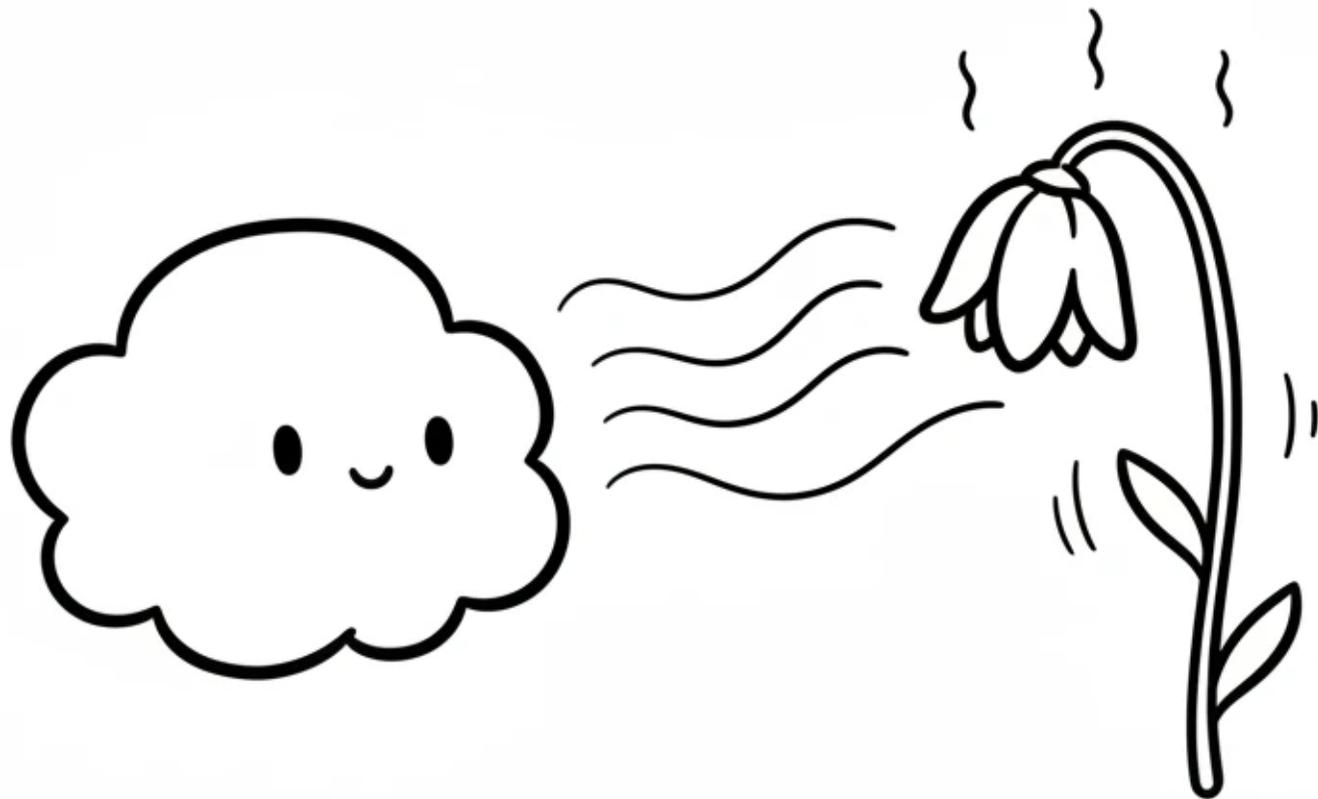

Wisp decided to help. It fluttered down clown closer to flower, gently waving it its tiny cloud arms. It tried to create to a little gust of wind, but it was just too small.

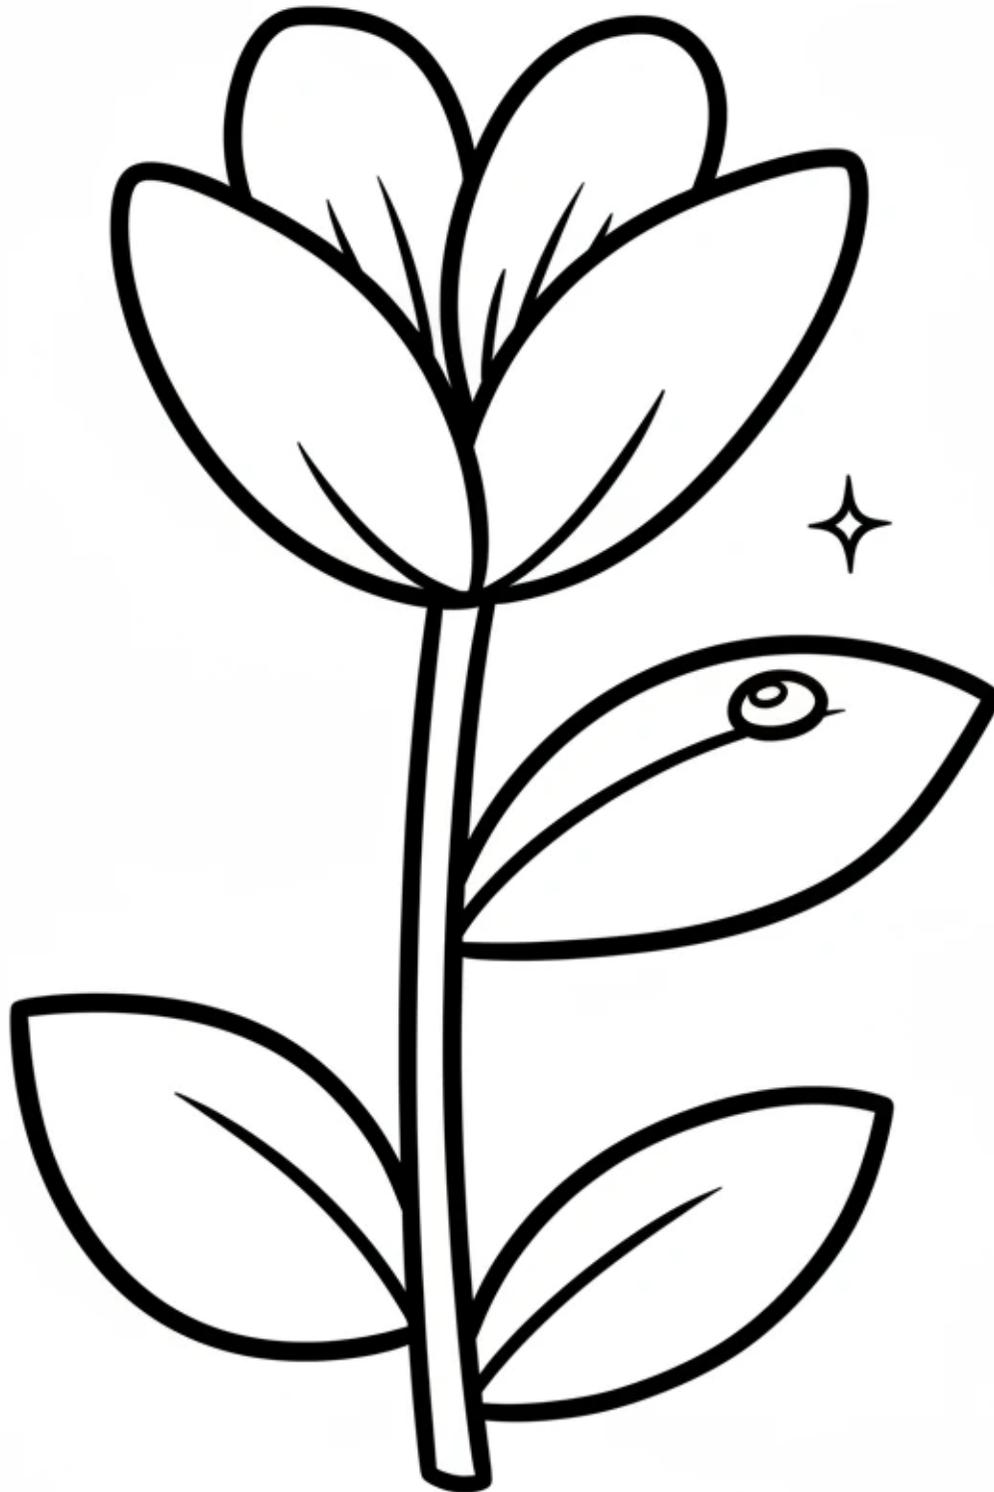

**Then, Wisp remebored  
something special.  
It could make  
the air cooler.**

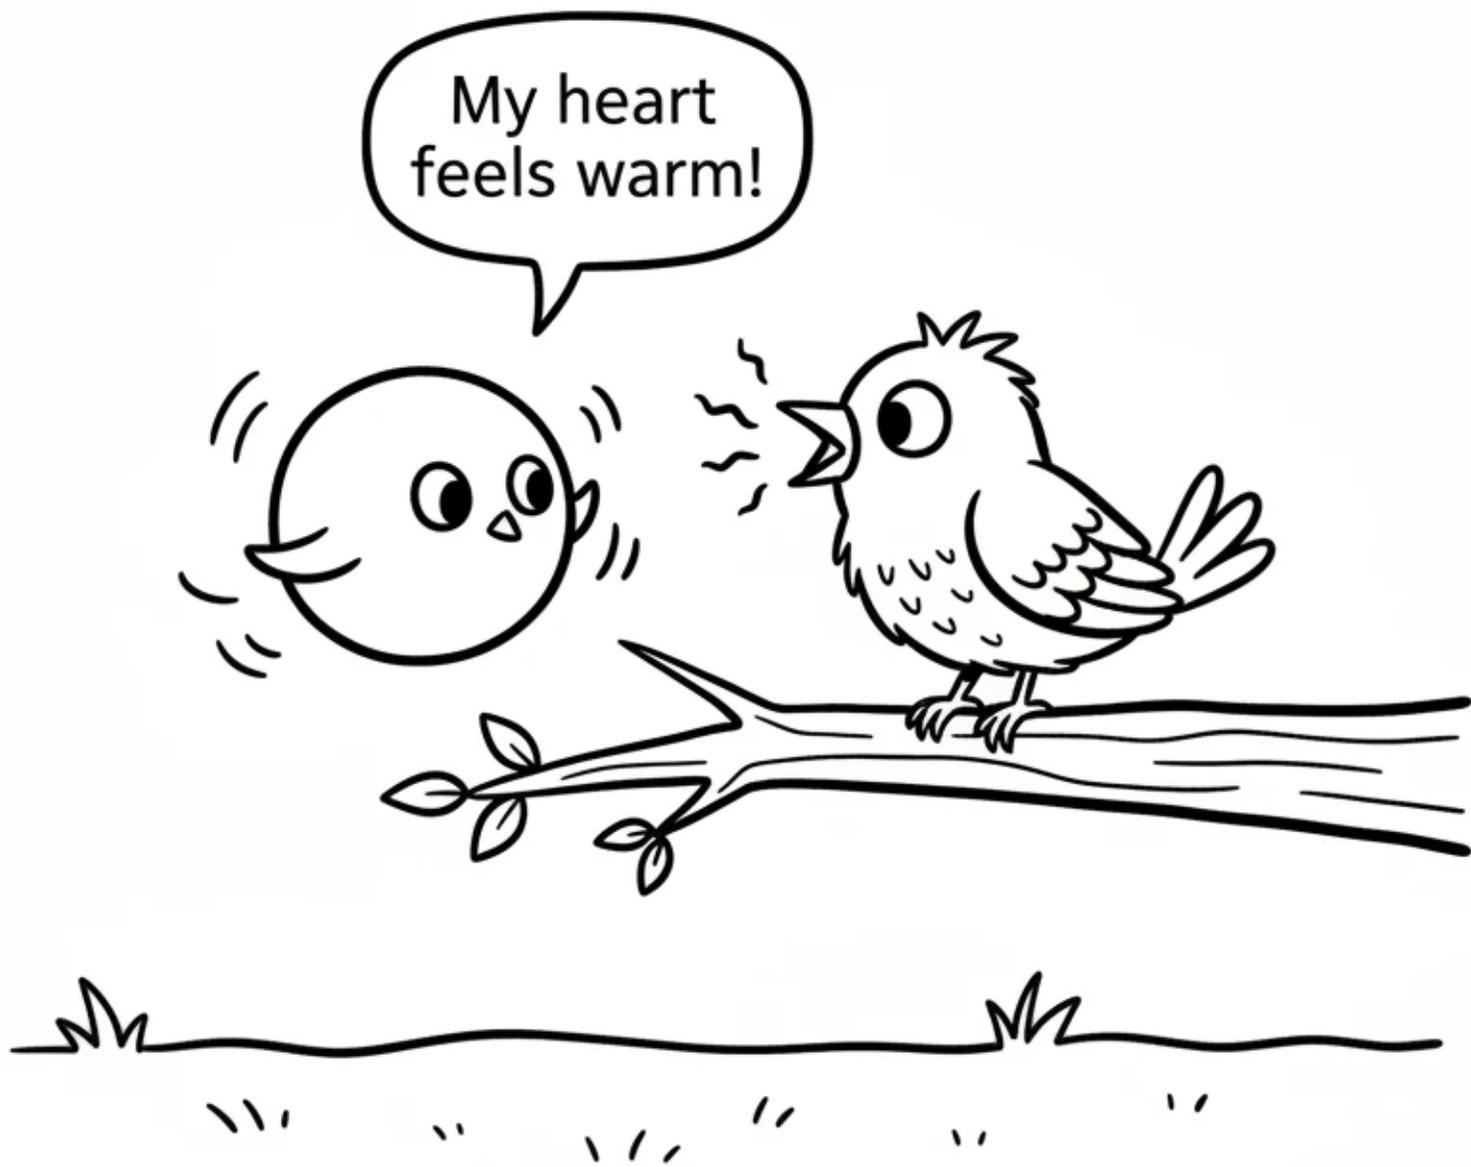

A SOFT, INVISIBLE WAVE OF COOLNESS DRIFTED FROM WISP TOWARDS THE FLOWER. IT FELT GENTLE AND NICE.

Slowly, the flower began to perk up!  
A tiny dewdrop sparkled.

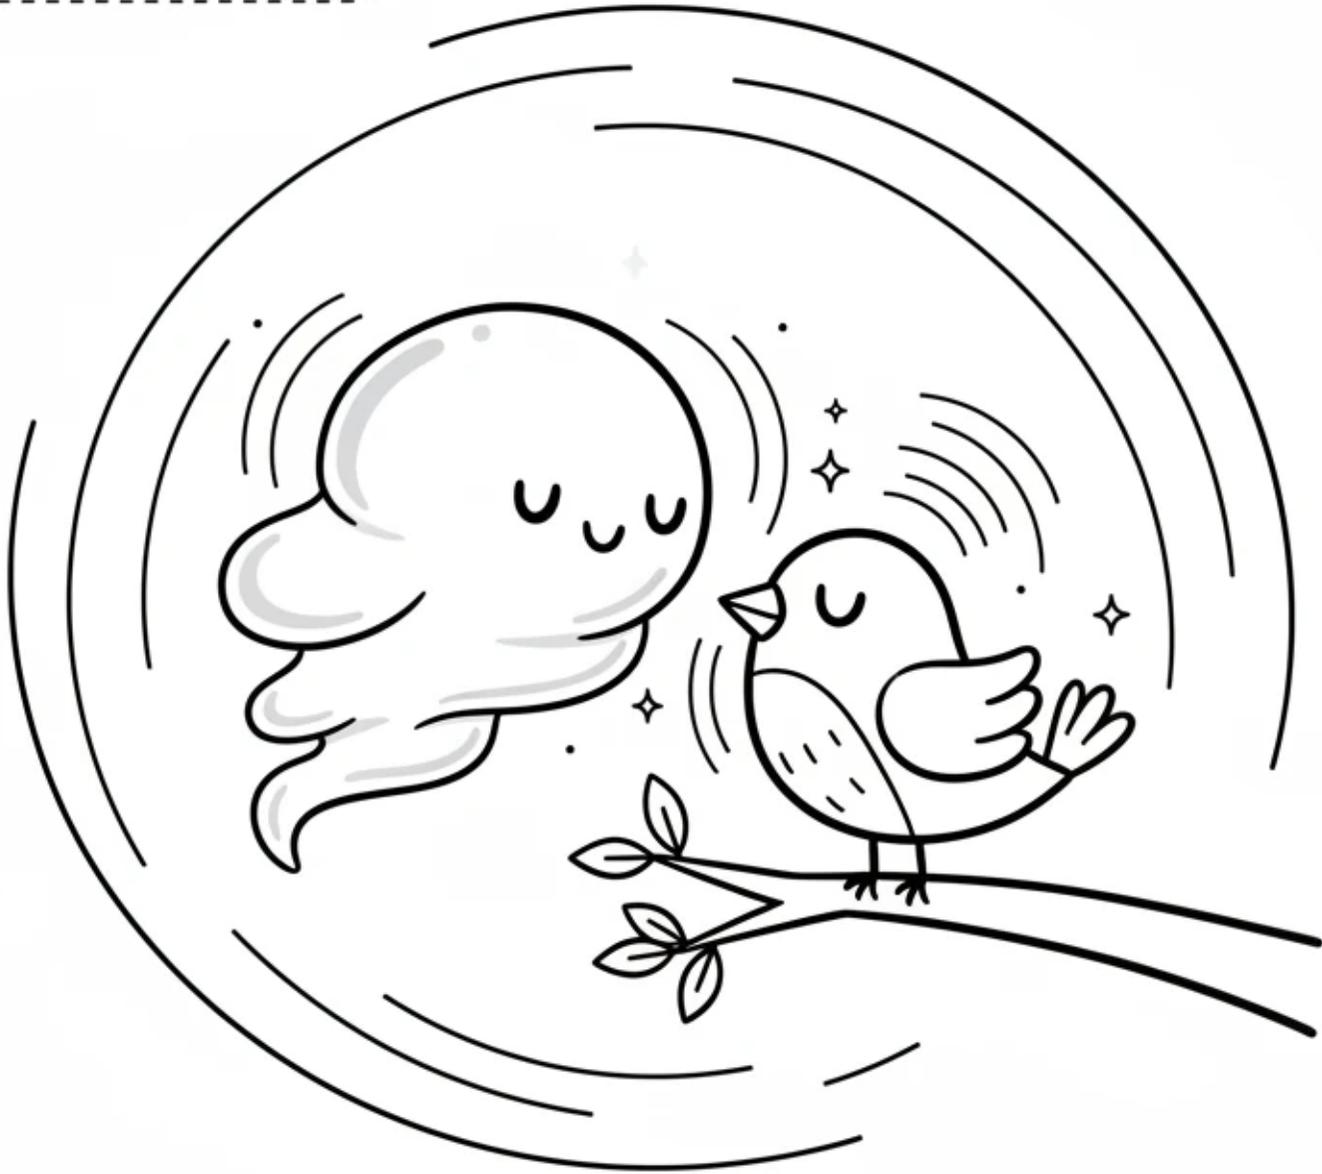

Wisp felt a warm flutter. Looking around, it saw a little bird panting from the heat.

## Scene 8 of 10

Gently, Wisp drifted near the the little bird. It shared its special, soft coolness once more. The air around became wonderfully soothing.

Wisp smiled, seeing the bird's joy.
