YAWN! Good morning!

Flicker wakes up in his cozy cave.

Outside his cave, Flicker spots something sparkling on the ground. It's grounds a tiny star-petal. He nudges it gently with the nose.

Flicker knew the star-petal was missing its home. He picked it up gently and took to the sky!

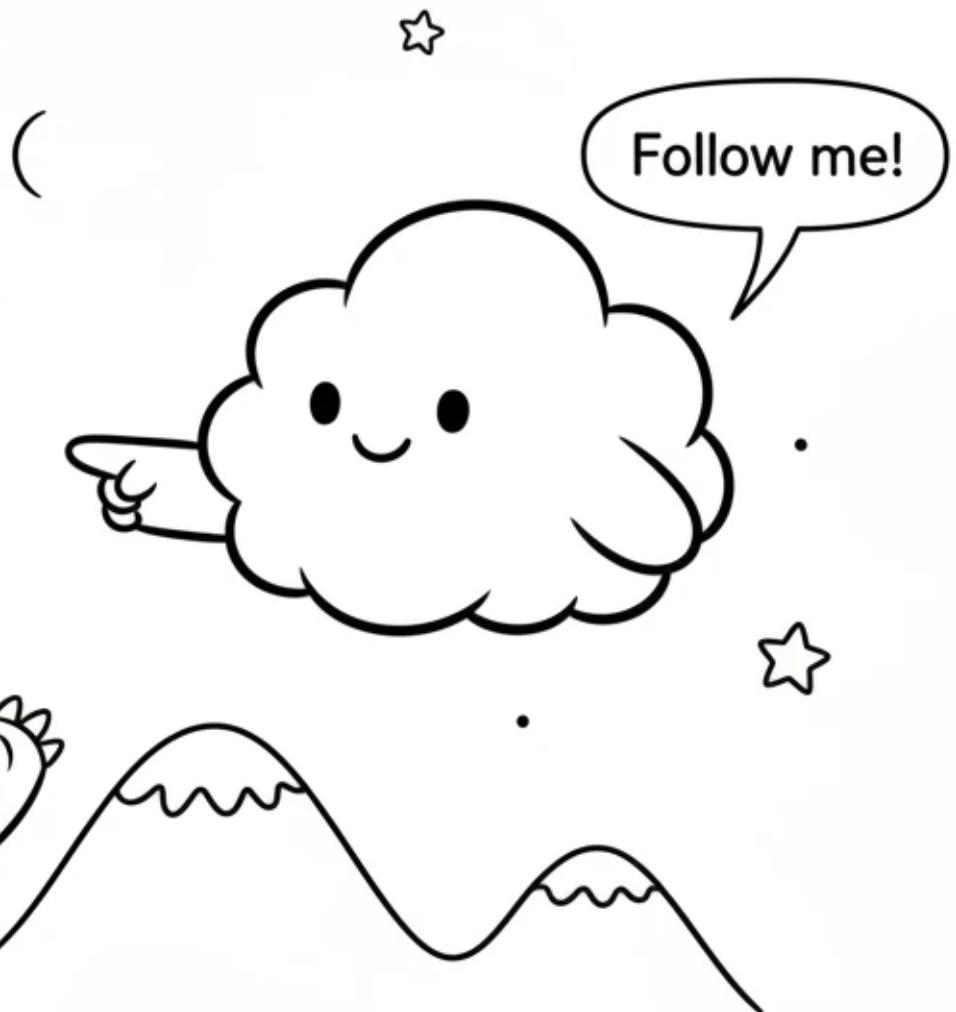

Where do you belong?

He soars over soft, green hills, looking for star-petals. The wind whispers through his ears.

Do you know about
star-petals?

SCENE 6: A WOBBLY WALK

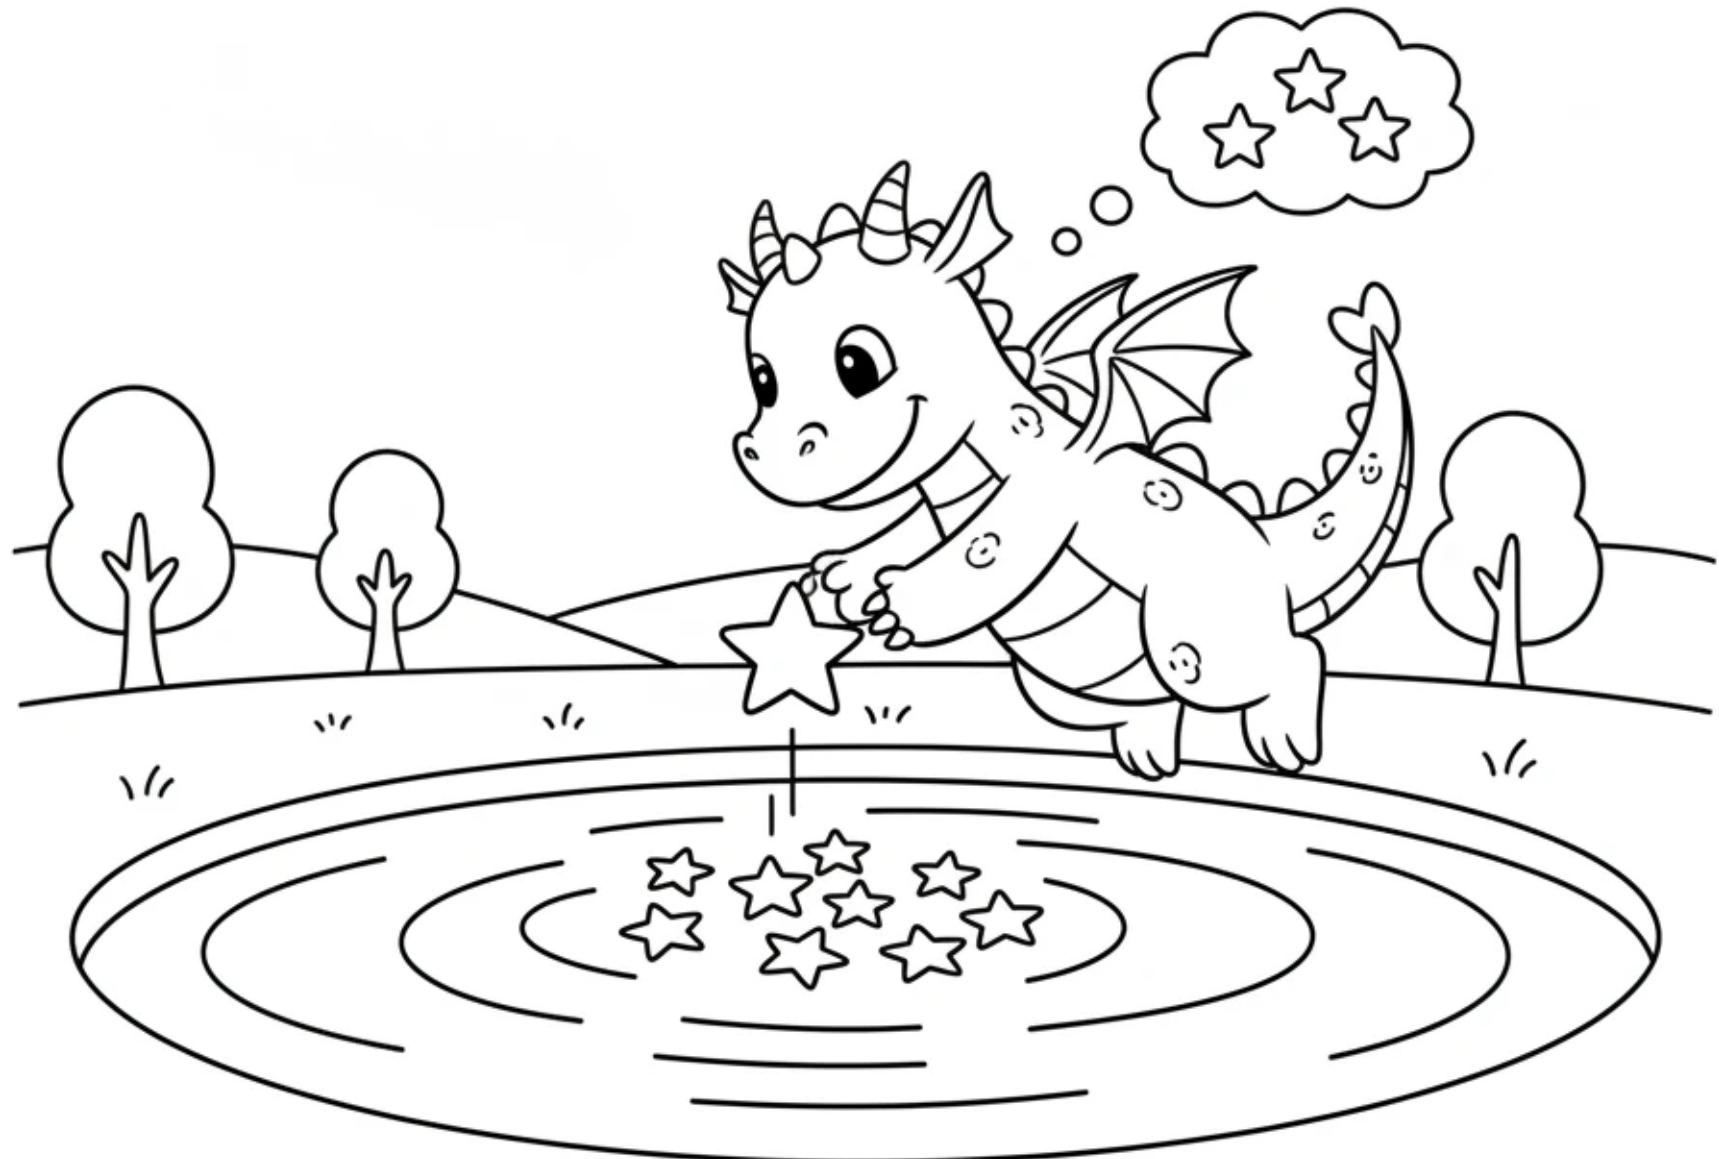

Flicker takes a deep breath and carefully titopos across the swaying bridge.

HE FOUND THEIR HOME!

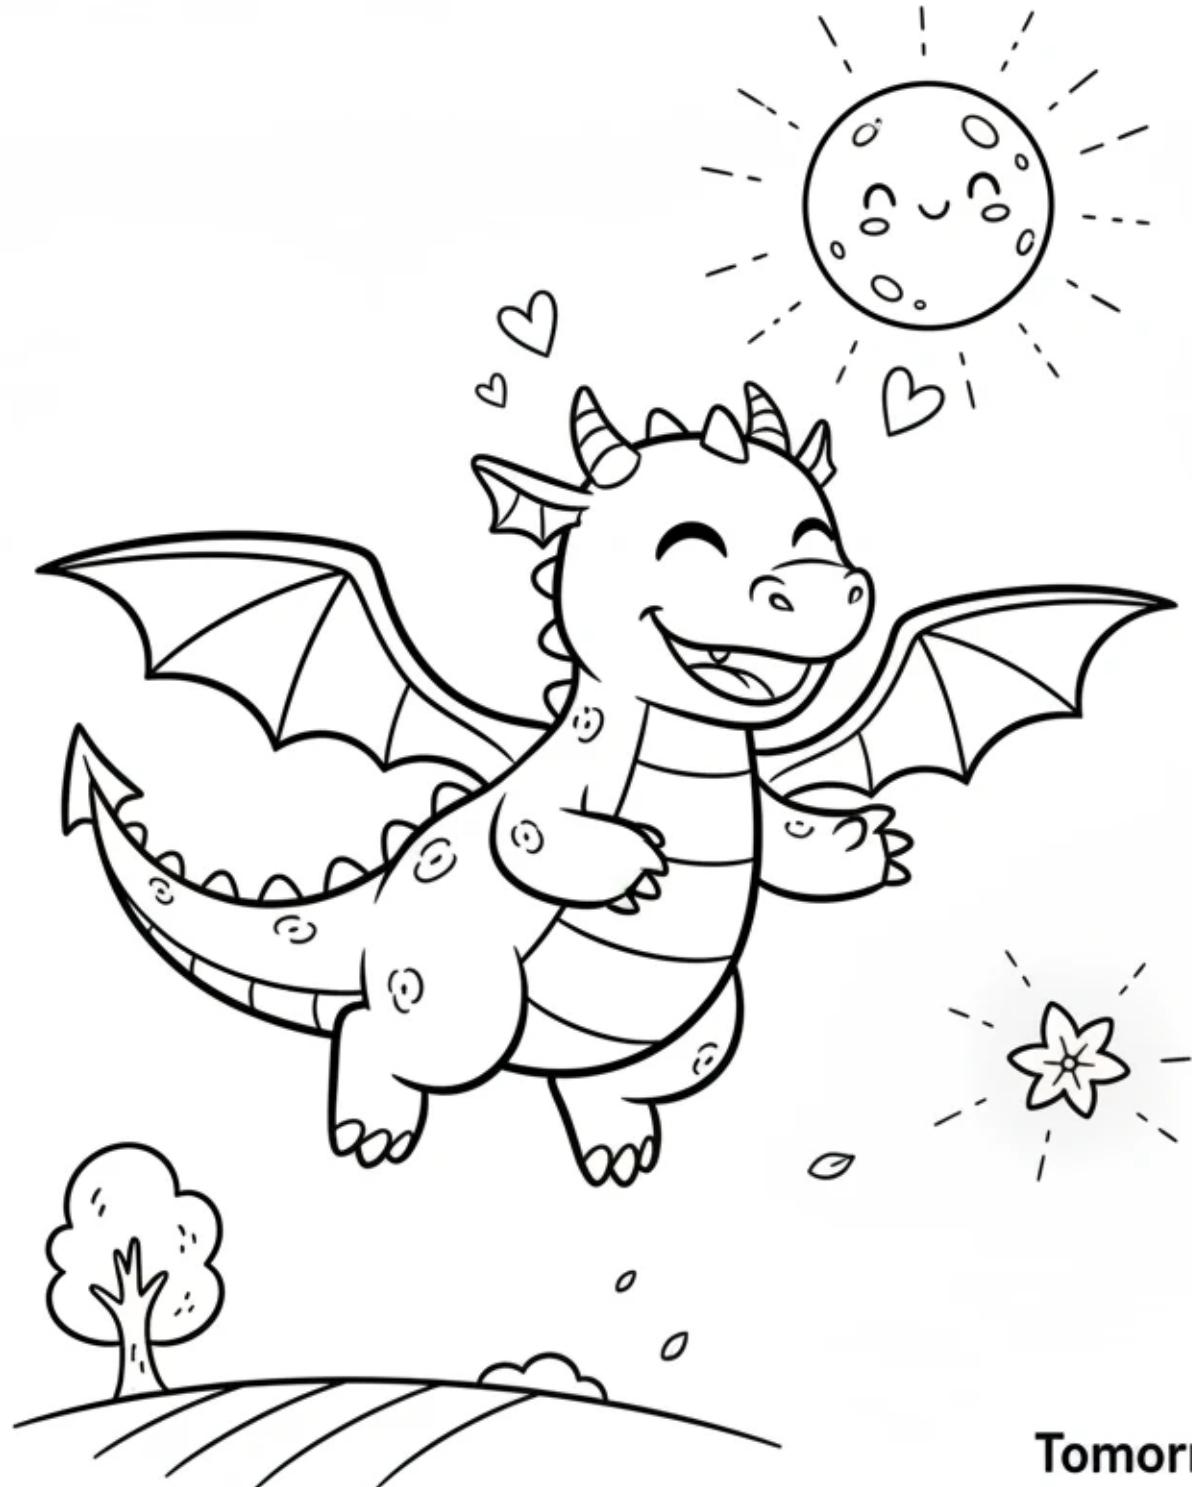

With a happy flutter, Flicker gently gently drops his star-petal onto the pond. It joins-the others, and the pond glows!

Flicker smiles, feeling proud.

His mission complete...

HOMEWARD BOUND!

Tomorrow, a new
adventure awaits!
