**BARNABY BEAR STRETCHED SLOWLY IN HIS
HIS SOFT, WARM BED.**

**But Barnaby wondered if Oun where even
coizer places outside.
He carefully climbed out bed, of bed, his
paws padding softly on the floor. He peked
out his window , curious to see the world.**

He wandered into the forest, past tall, simple trees and round bushes. he found he found a perfect spot: a sunny patch of grass under big, friendly oak tree. The sun felt warm, and sun the grass was soft.

Barnaby went home and brought back his favorite soft, striped blanket. He carefully spread it out on the grass, smoothing it with his paws.

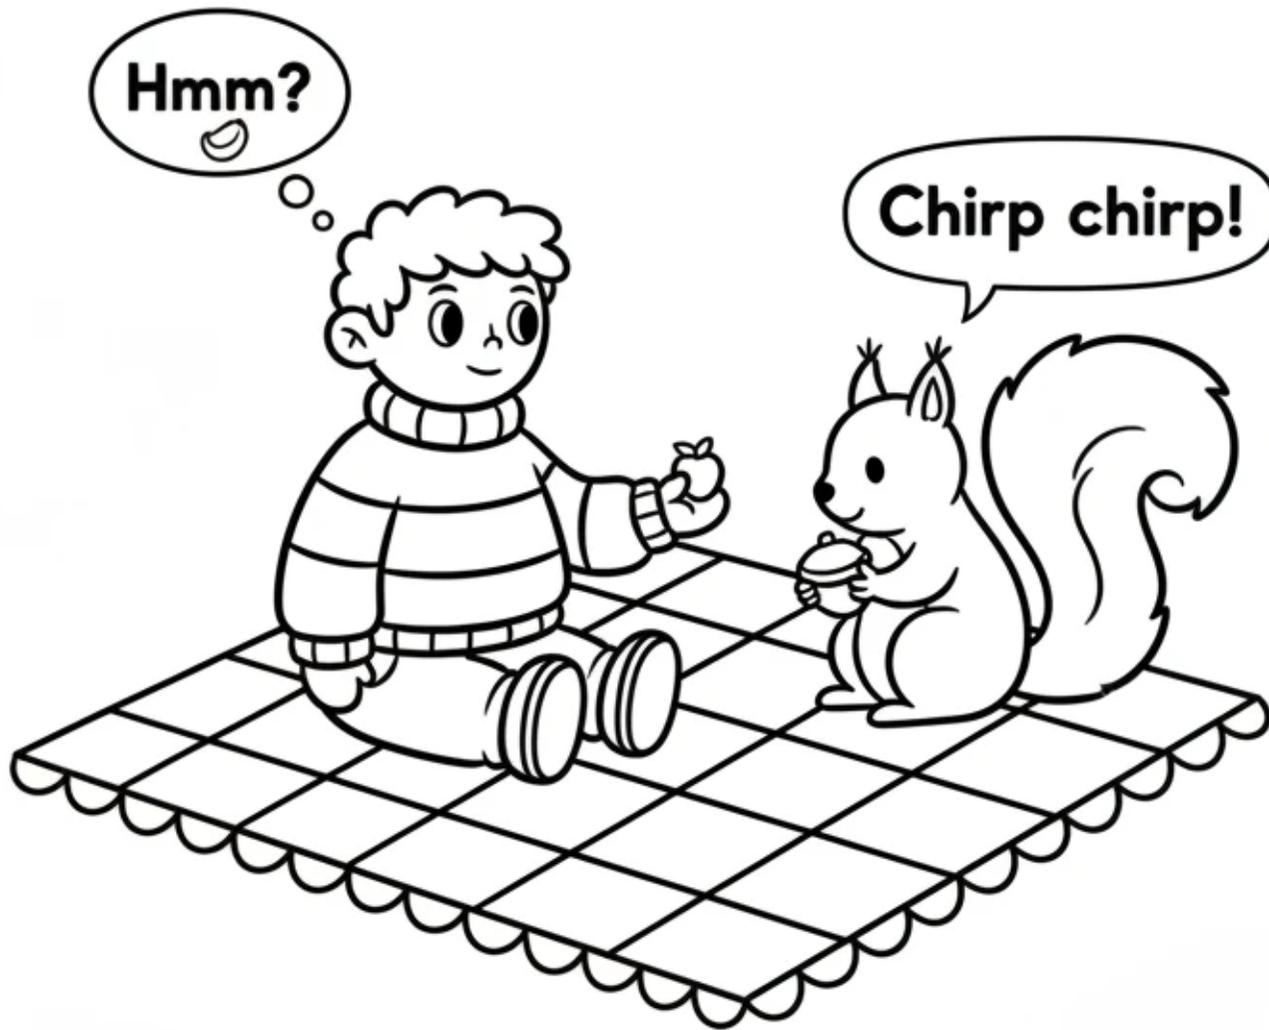

Just as Barnaby settled down, a tiny bird with two small dots eyes hopped onto the blanket.

Barnaby smiled; sharing his cozy spot spot felt even nicer.

THEN, A FLUFFY-TAILED
SQUIRREL SCAMPERED OVER,
CARRYING A NUT. BARNAMBY
OFFERED IT A BERRY.

COZY IS SHARING HAPPY TIMES!

Barnaby's heart felt warm and full.
