

Timmy's Terrific Trip

Ms. Amal

Timmy the turtle lived in a tiny tide pool. He was terribly bored and wanted to travel.

One sunny Tuesday, Timmy found a treasure map! It showed a path to a terrific surprise.

Timmy packed his tiny bag and started his trip. He traveled past tall trees and through tickly grass.

He met a friendly tiger named Tess. Tess offered Timmy a tasty tangerine.

Together, Timmy and Tess hopped on a train. The train chugged along the tracks, taking them further.

The train stopped at a town full of toys!
Timmy and Tess were thrilled.

They saw toy trucks, toy trains, and toy trumpets. Timmy even tried on a top hat!

Suddenly, they noticed a sign pointing to a hidden tunnel. Could the treasure be inside?

Timmy and Tess bravely crawled through the tunnel. At the end, they found a big, beautiful telescope!

Timmy used the telescope to see the stars. He realized the real treasure was the terrific trip and his new friend, Tess.
