

Look at All the Things I Can Do!

Lisa Kane

This is Leo.
Leo loves to jump
as high as he can!
He feels happy
when he plays
outside.

Leo loves playing outside!

He hops on one foot,
laughs with glee,
and enjoys the beauty
of the garden.
Every day is an
adventure with Leo!

**Leo raced down
the hill, giggling
in the warm sunshine.**

Coming to a sudden halt at the edge of a sandbox, Leo lifts one hand to mimic a stop sign. He looks back with a proud smile, showing how perfectly he can balance on his feet.

Walking down a quiet sidewalk hand-in-hand with his mother, Leo takes careful, deliberate steps. He points his red sneakers forward, enjoying the steady, peaceful pace of their stroll.

Scene 6 of 16

Leo waves hello to the mail carrier as he walks by.

Scene 7 / 16

Leo claps his hands
with a big smile.
The tower stays up!

Leo drifts off
into a peaceful
afternoon nap,
warm and safe.

Scene 9 of 16

Reaching down toward his toes, Leo bends his knees slightly as he tries to touch his bright red sneakers. His puppy watches curiously from the side, tilting its head at the fun stretching game.

STRETCH
&
FEEL
GREAT!

Standing on his tiptoes, Leo stretches his arms high to reach a shiny red apple resting on the countertop. A soft stool sits nearby, ready to help him get just a little bit closer.

Leo splashes happily
in the shallow, sparkling
waves at the beach.

Leo pumps his legs
back and forth.
He smiles as he
glides through the
cool, shaded
backyard breeze.

Leo closed his eyes
and started counting.

“Ready or not,
here I come!

One... two...
three... four...

five... six...
seven... eight...

nine... ten!”

Scene 14 of 16

Leo fell while playing outside. Dad helps Leo and puts a bandage on his knee.

**I can do it
all by myself!**

**Leo smiled,
realizing just how
many wonderful
things he could do
all by himself!**
