All About Me: Leo's Big Show

Rima Benouchene

Hello! Welcome to my show! Leo stands on a bright, colorful stage with a big smile, waving his hands to the audience. The background is a cheerful blue with yellow stars, and Leo is wearing a vibrant orange t-shirt and blue shorts.

LEO'S BIG FIND!

My name is Leo. Leo stands confidently in the center of the frame, pointing to himself with a friendly expression. The illustration is clean and bright, focusing entirely on the happy character.

I am 5 years old. Leo holds up all five fingers on his hand with a proud look on his face. Standing next to him is a large, friendly number five decorated with colorful polka dots.

My favorite color is... Leo is surrounded by five large, bright circles in red, blue, yellow, green, and purple. He is looking at the colors with excitement, and the design is simple and easy for children to follow.

My favorite animal is... Leo stands among five cute, small cartoon animals: a dog, a cat, a lion, an elephant, and a rabbit. Each animal has a friendly face and simple shapes, filling the page with joy.

This is my family. Leo stands in a sunny park with his smiling mom, dad, and little sister. They are all holding hands and looking directly at the reader with warm expressions.

I love my family. Leo is in the middle of a big, warm group hug with his family. Small red hearts float gently in the air around them to show their happiness and love.

I like to play. Leo is sitting on a soft green rug playing with colorful wooden building blocks and a little red toy car. He looks very happy and focused on his fun activity.

I like to learn. Leo sits at a small wooden desk looking at a large, colorful picture book. He is pointing at a picture of a bright yellow sun on the page with a curious and excited look.

Thank you for watching! Leo is back on the colorful stage, taking a polite bow for his audience. He is waving goodbye with a big, joyful smile as the show comes to a happy end.
