

# Little Vishnu's Ten Big Adventures

vijaya sajjan

Little Vishnu becomes a bright orange fish with a big, swishy tail. He swims through the deep blue ocean, making giant bubbles that go pop, pop, pop in the water.

Now Little Vishnu is a slow, steady turtle with a very hard, bumpy shell. He carries a big, heavy mountain on his back while walking slowly across the sandy sea floor with a thump, thump, thump.

Little Vishnu turns into a strong wild boar with shiny white tusks and a wiggly nose. He uses his powerful legs to dig, dig, dig and lifts the whole green Earth out of the water with a happy snort.

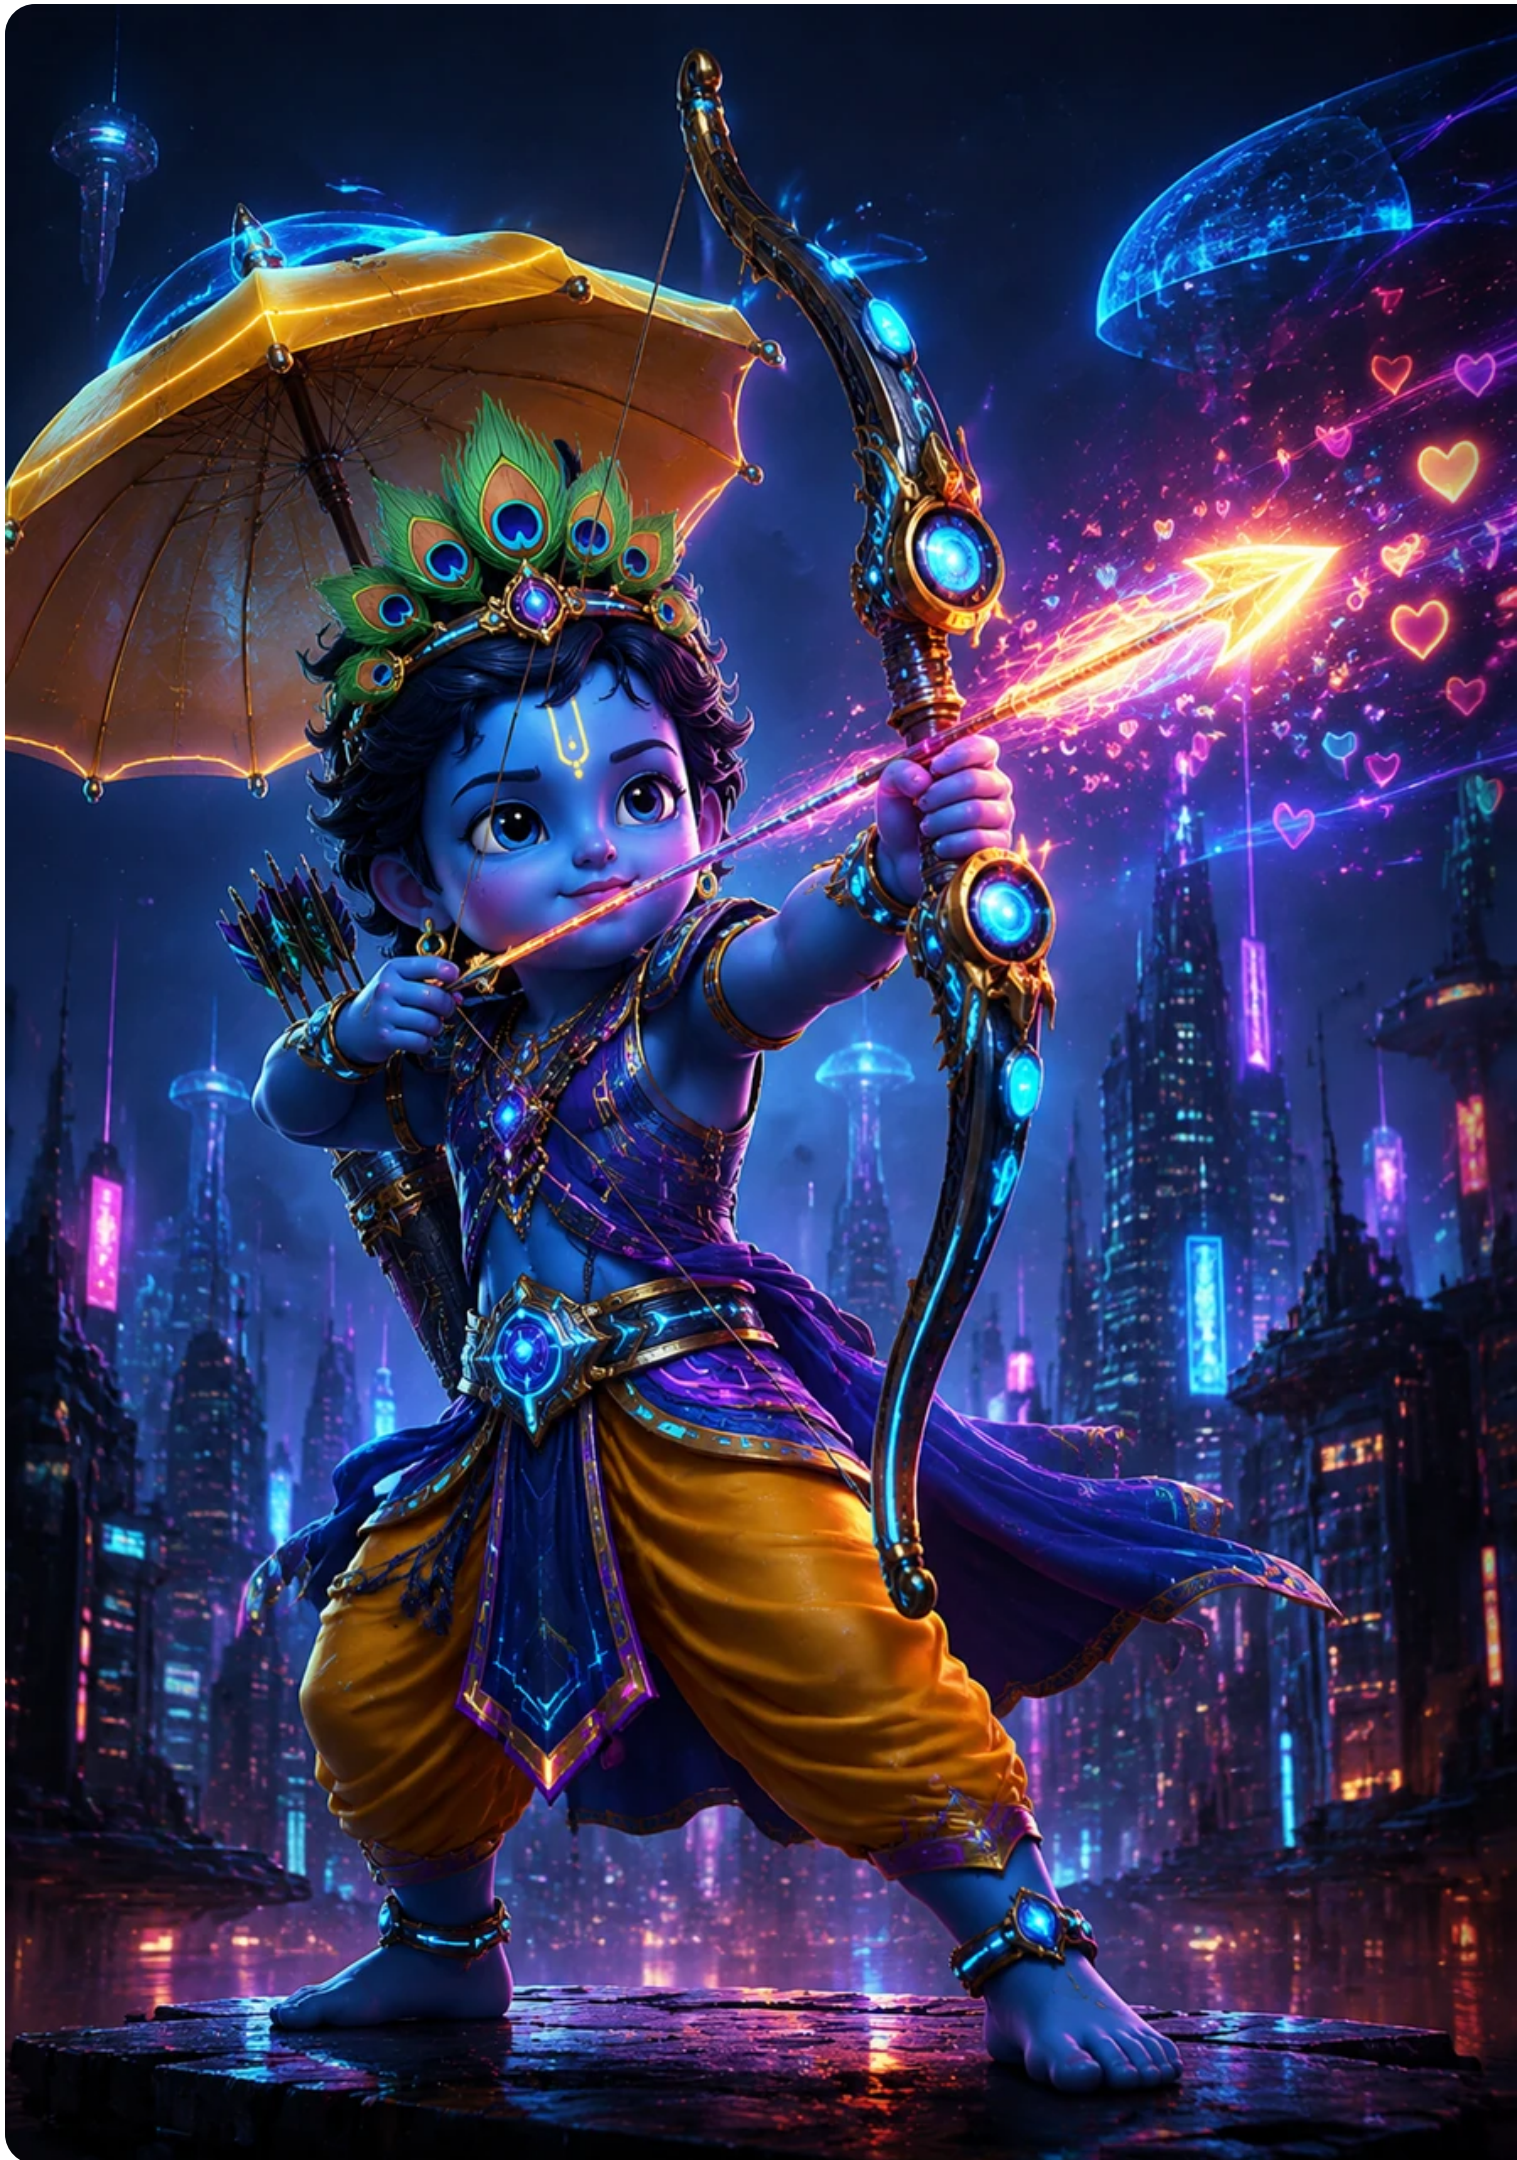

Little Vishnu is a brave lion with a big, fluffy golden mane and sharp claws. He opens his mouth wide and lets out a giant, friendly roar that makes all the colorful jungle leaves shake and dance.

Little Vishnu is a tiny boy holding a bright yellow umbrella to stay dry. He takes one small step, two small steps, and then a giant third step that reaches all the way up to the twinkly stars in the sky.

Little Vishnu is a strong forest hero with a shiny silver axe. He swings his arms in big circles to clear a path through the tall, prickly vines so all his animal friends can walk through the woods.

Little Vishnu is a noble prince with a long, curved bow and a quiver of arrows. He stands tall and pulls the string back—zip!—sending a message of kindness and love to everyone in the kingdom.

Little Vishnu is a playful boy playing a magical wooden flute that sounds like birds singing. The cows go moo and dance in circles while blue butterflies flutter around his crown of peacock feathers.

Little Vishnu sits very still and quiet under a big, leafy green tree. He closes his eyes, takes a deep breath, and feels very peaceful while bright pink lotus flowers bloom all around him in the grass.

Little Vishnu rides a magnificent white horse with a long, flowing tail and sparkly hooves. They gallop, gallop, gallop across the rainbow sky to bring bright light and happiness to the whole wide world.
