Meet Rumble!

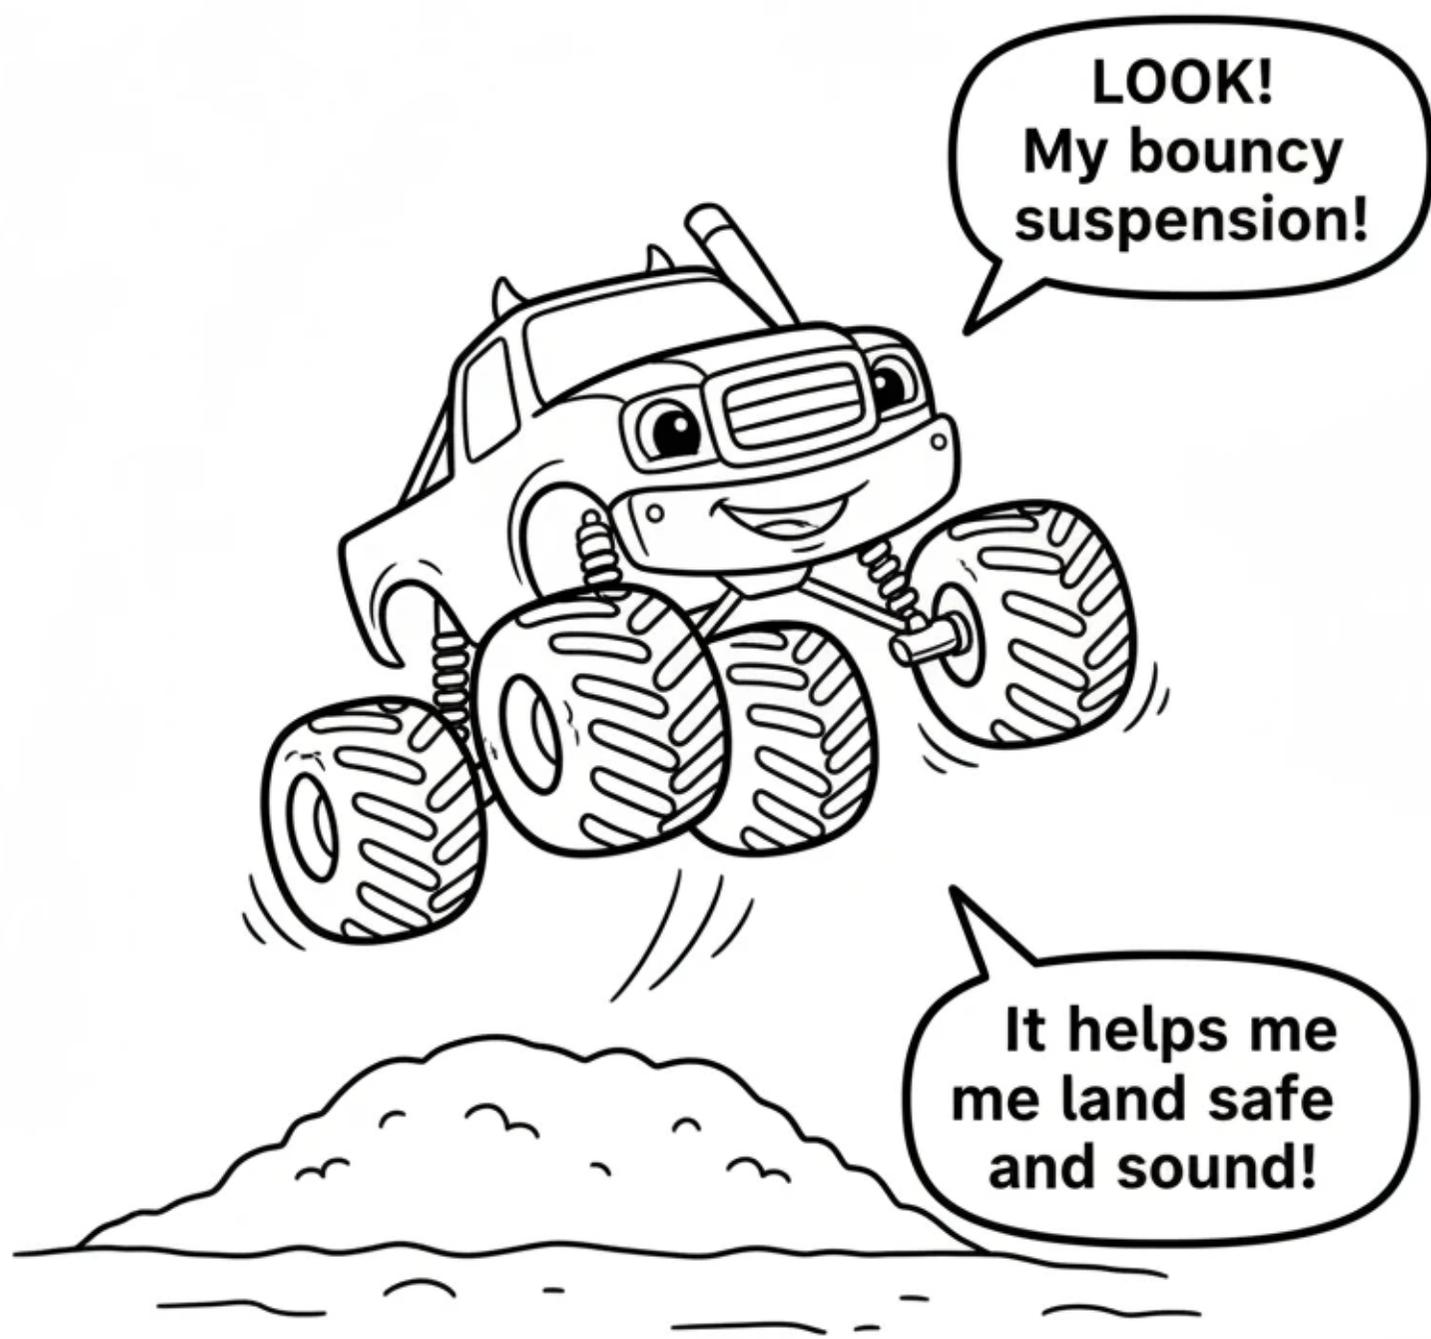

He loves to explore!

Rumble loves his giant, round tires!
They help him roll over bumpy roads!

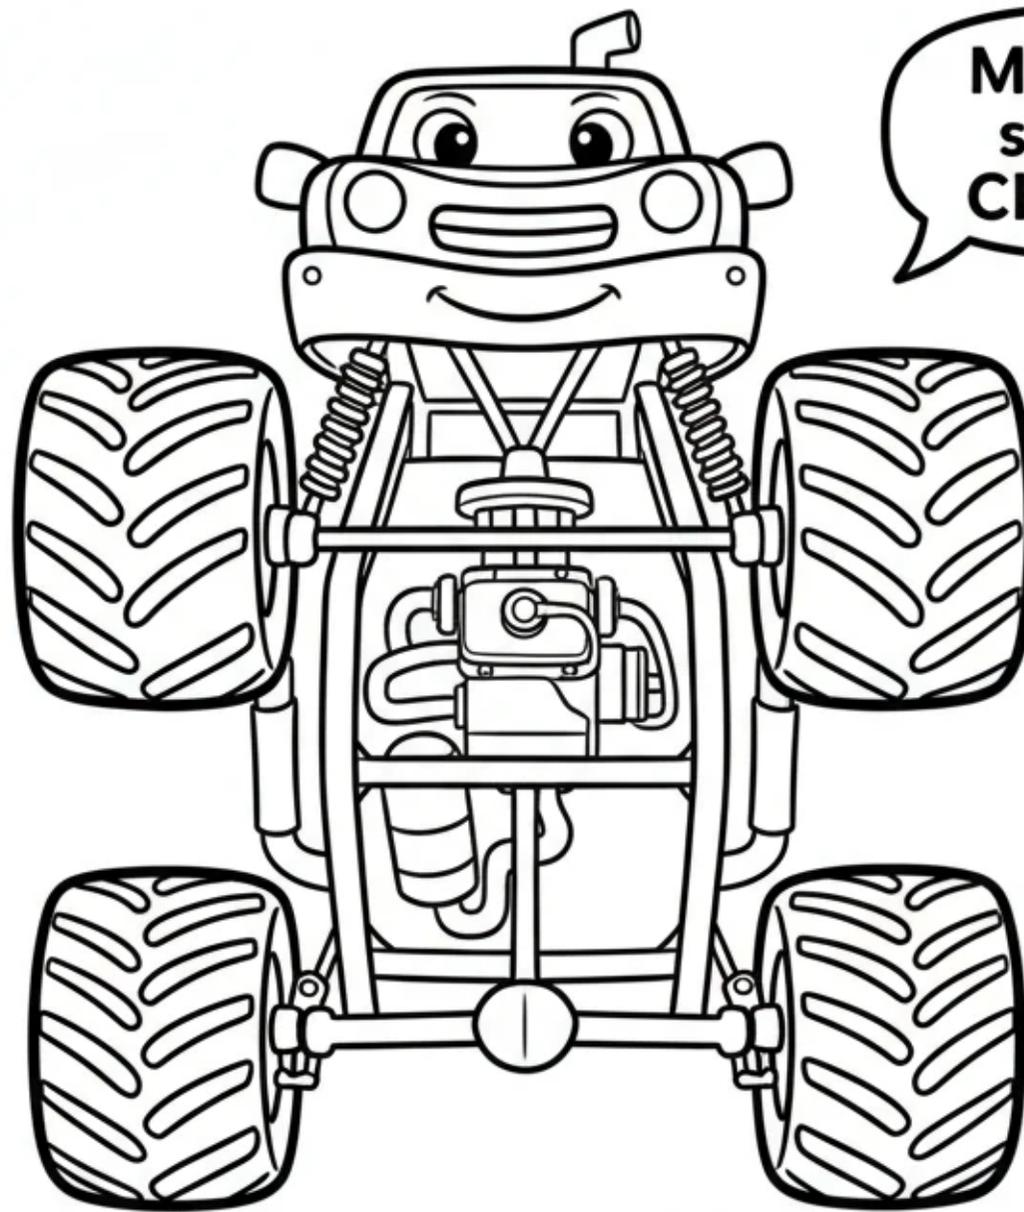

**MY MIGHTY ENGINE
GIVES ME POWER!**

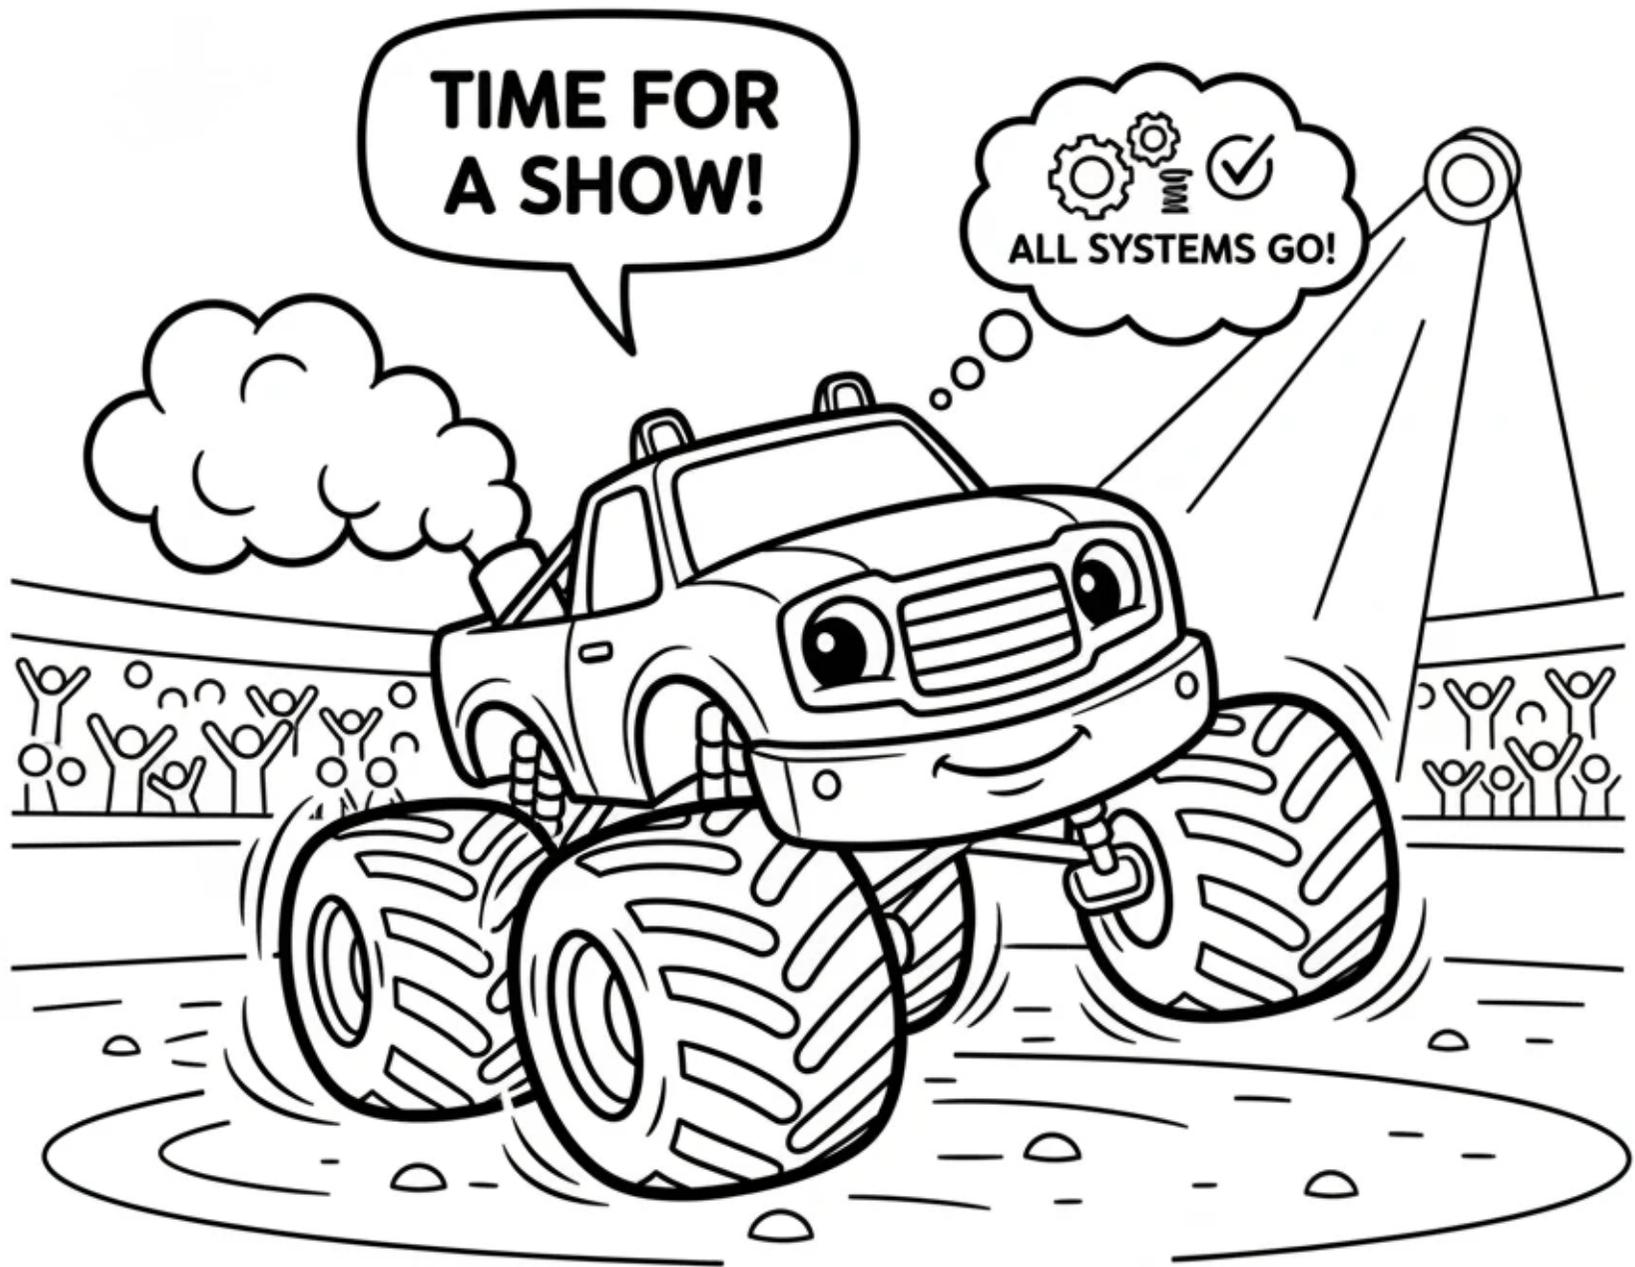

**LOOK!
My bouncy
suspension!**

**It helps me
me land safe
and sound!**

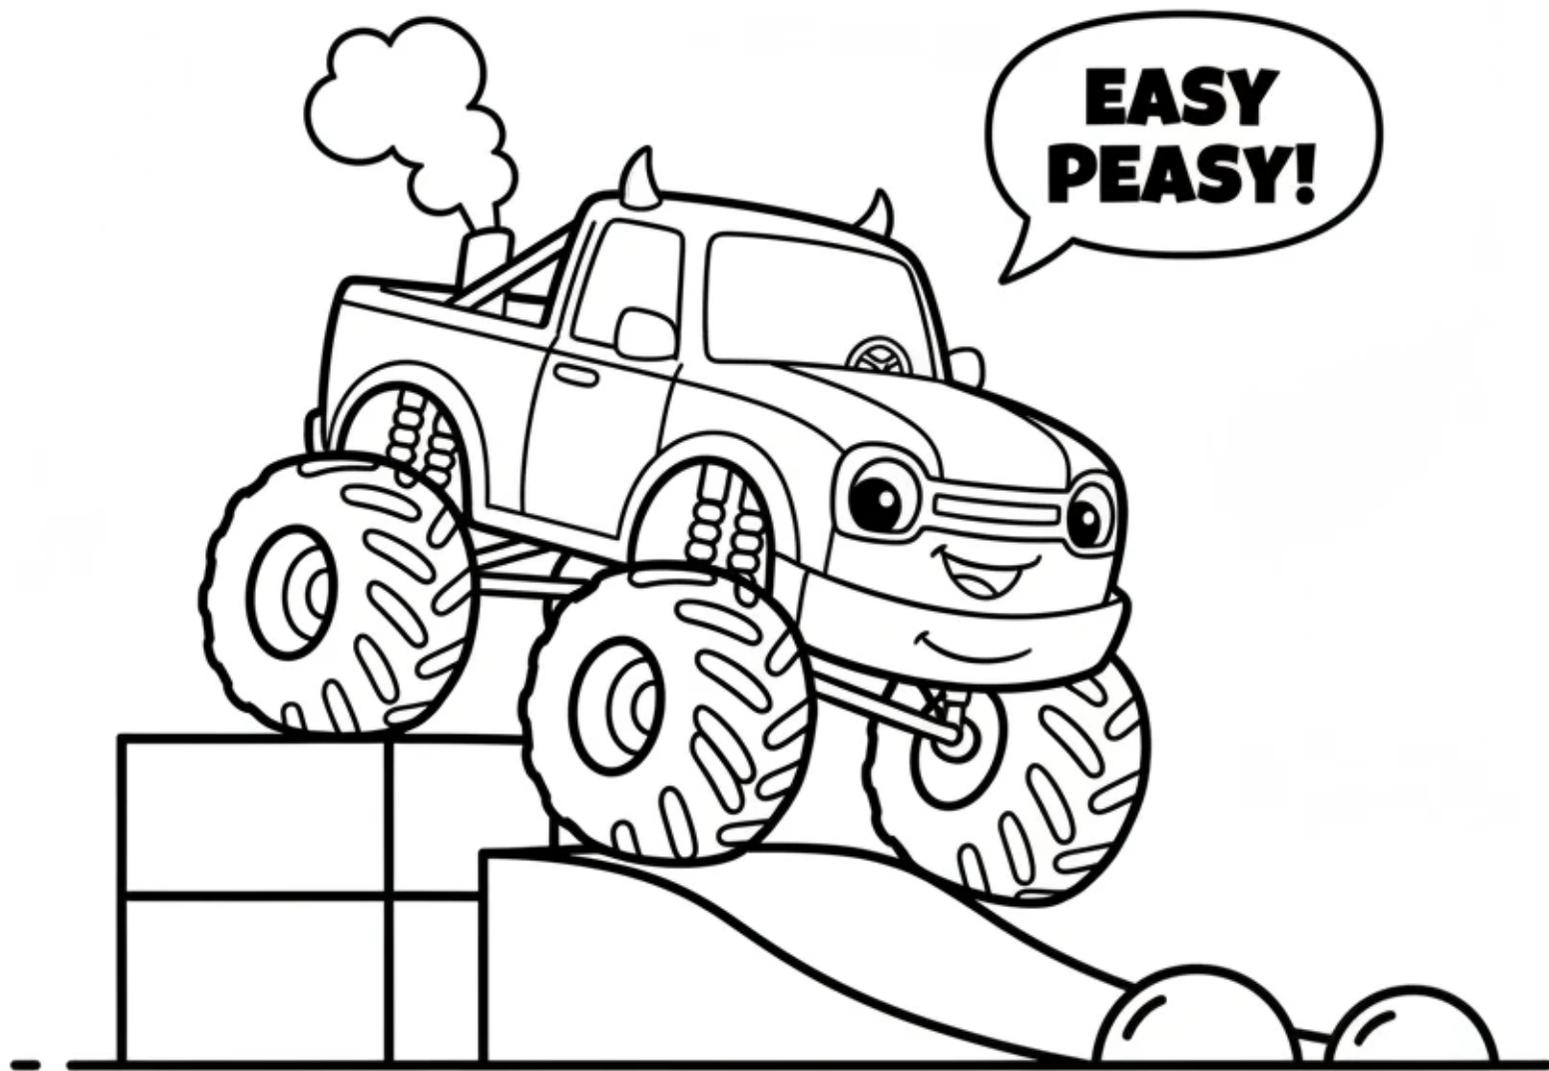

Underneath, Rumble has a very strong frame, called the chassis. It holds all his important parts together, keeping him sturdy and safe.

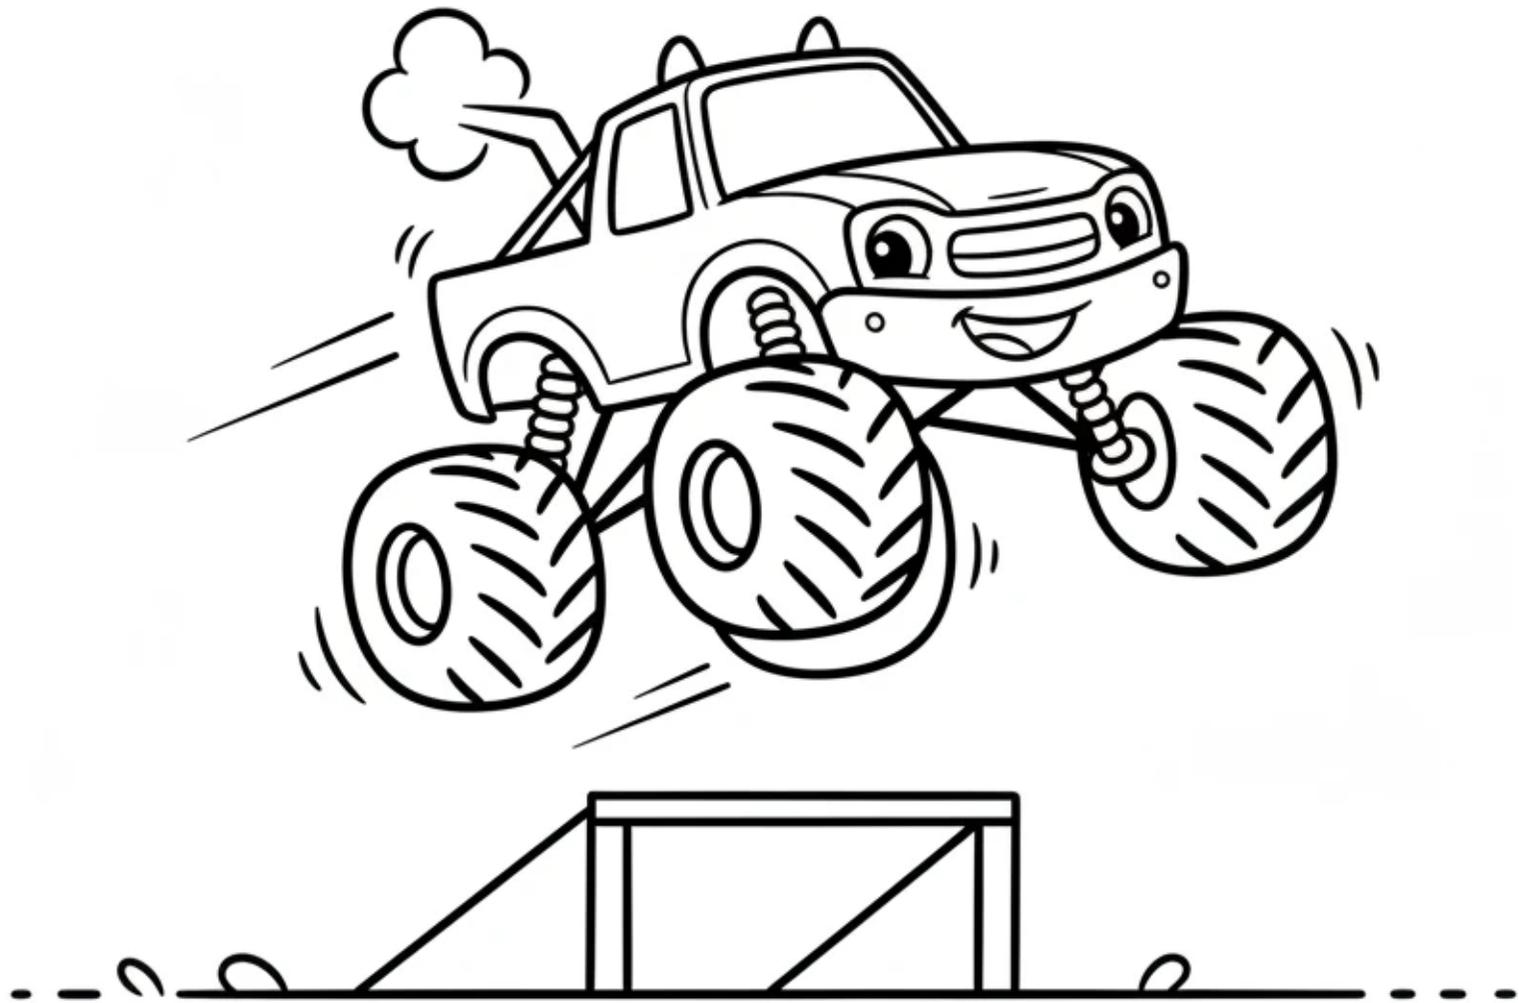

**TIME FOR
A SHOW!**

ALL SYSTEMS GO!

UP AND OVER!

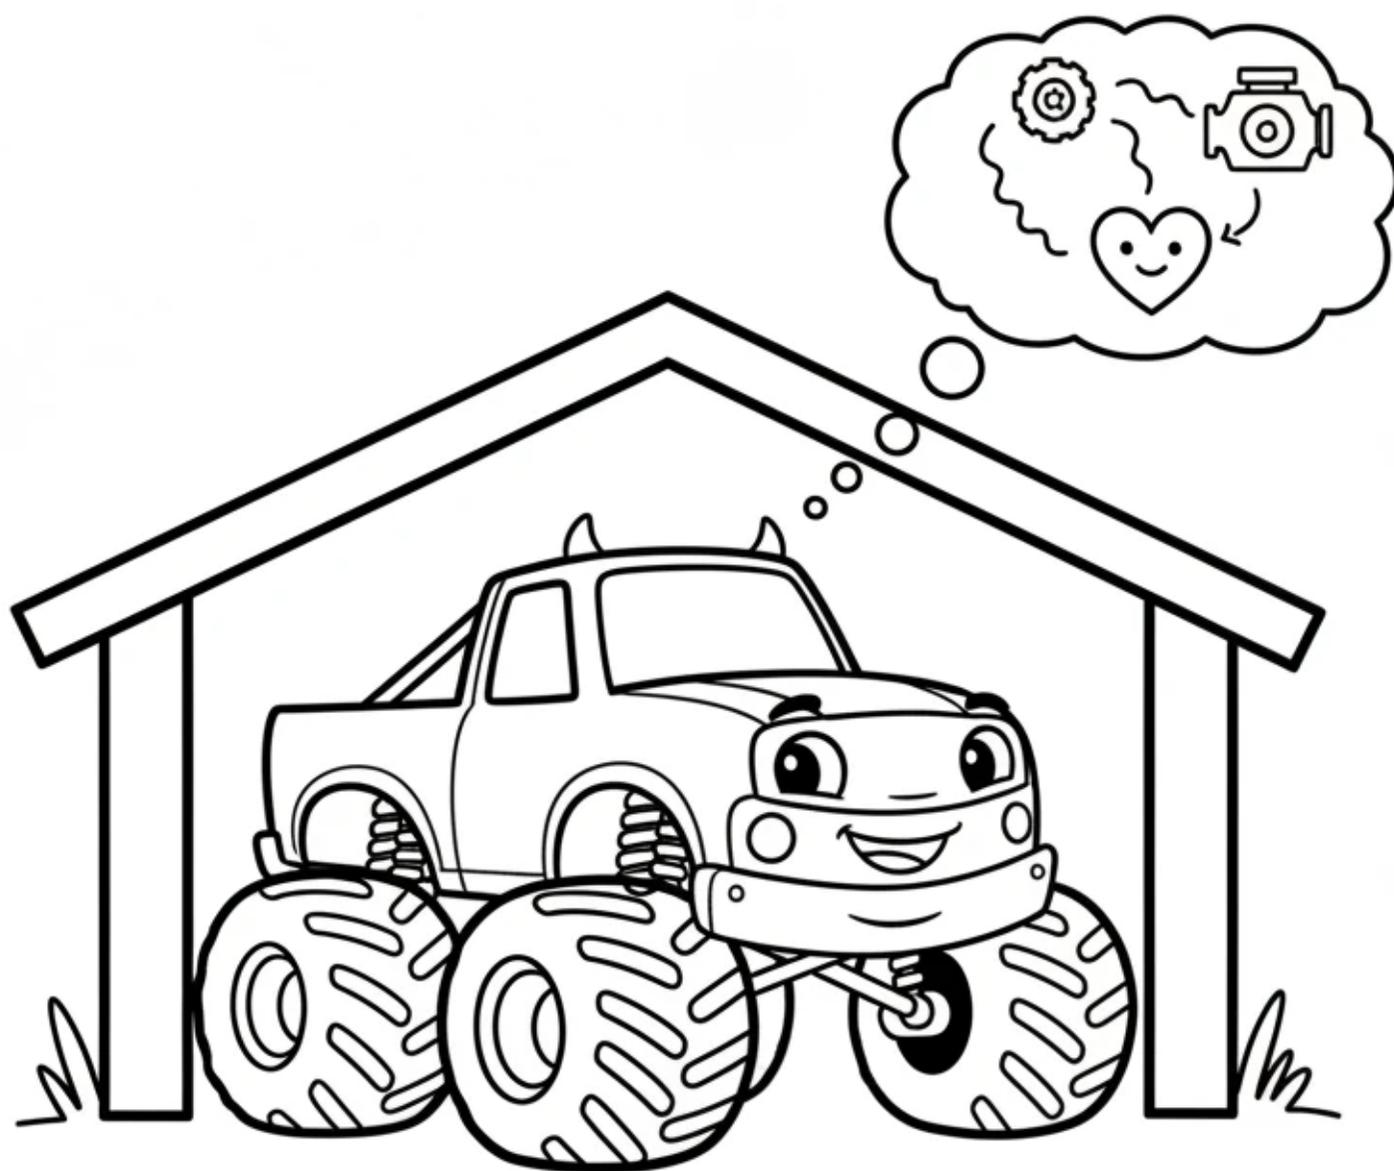

**THEN, RUMBLE TOOK A SMALL JUMP!
HE FLEW FOR A MOMENT...**

RUMBLE TAKES A BIG BOW FOR HIS IMAGINARY AUDIENCE!

After a busy day, Rumble rest. All his parts work together, ready for tomorrow's adventures!
