are sweet and very crunchy.

FARMER BEN'S NEW CHICKS

The big friendly cow gives us fresh milk. Ben has 6 bottles of cold white milk. Milk is very good for our bones.

On the kitchen table, there are 7 pieces of yellow cheese. Cheese is made from the cow's milk. It looks delicious and salty.

Ben sees 8 colorful flowers growing near the wooden fence. The bees love the flowers. The farm is a very happy and bright place.
