

# Aetheria and the Cosmic Balance

hayya

the universe hummed with vibrant startrsd and swivrling nebula  
pesty woven with peace and light. In its heart resided Aetheric  
of pure shimmering energy, emboying balance and order.

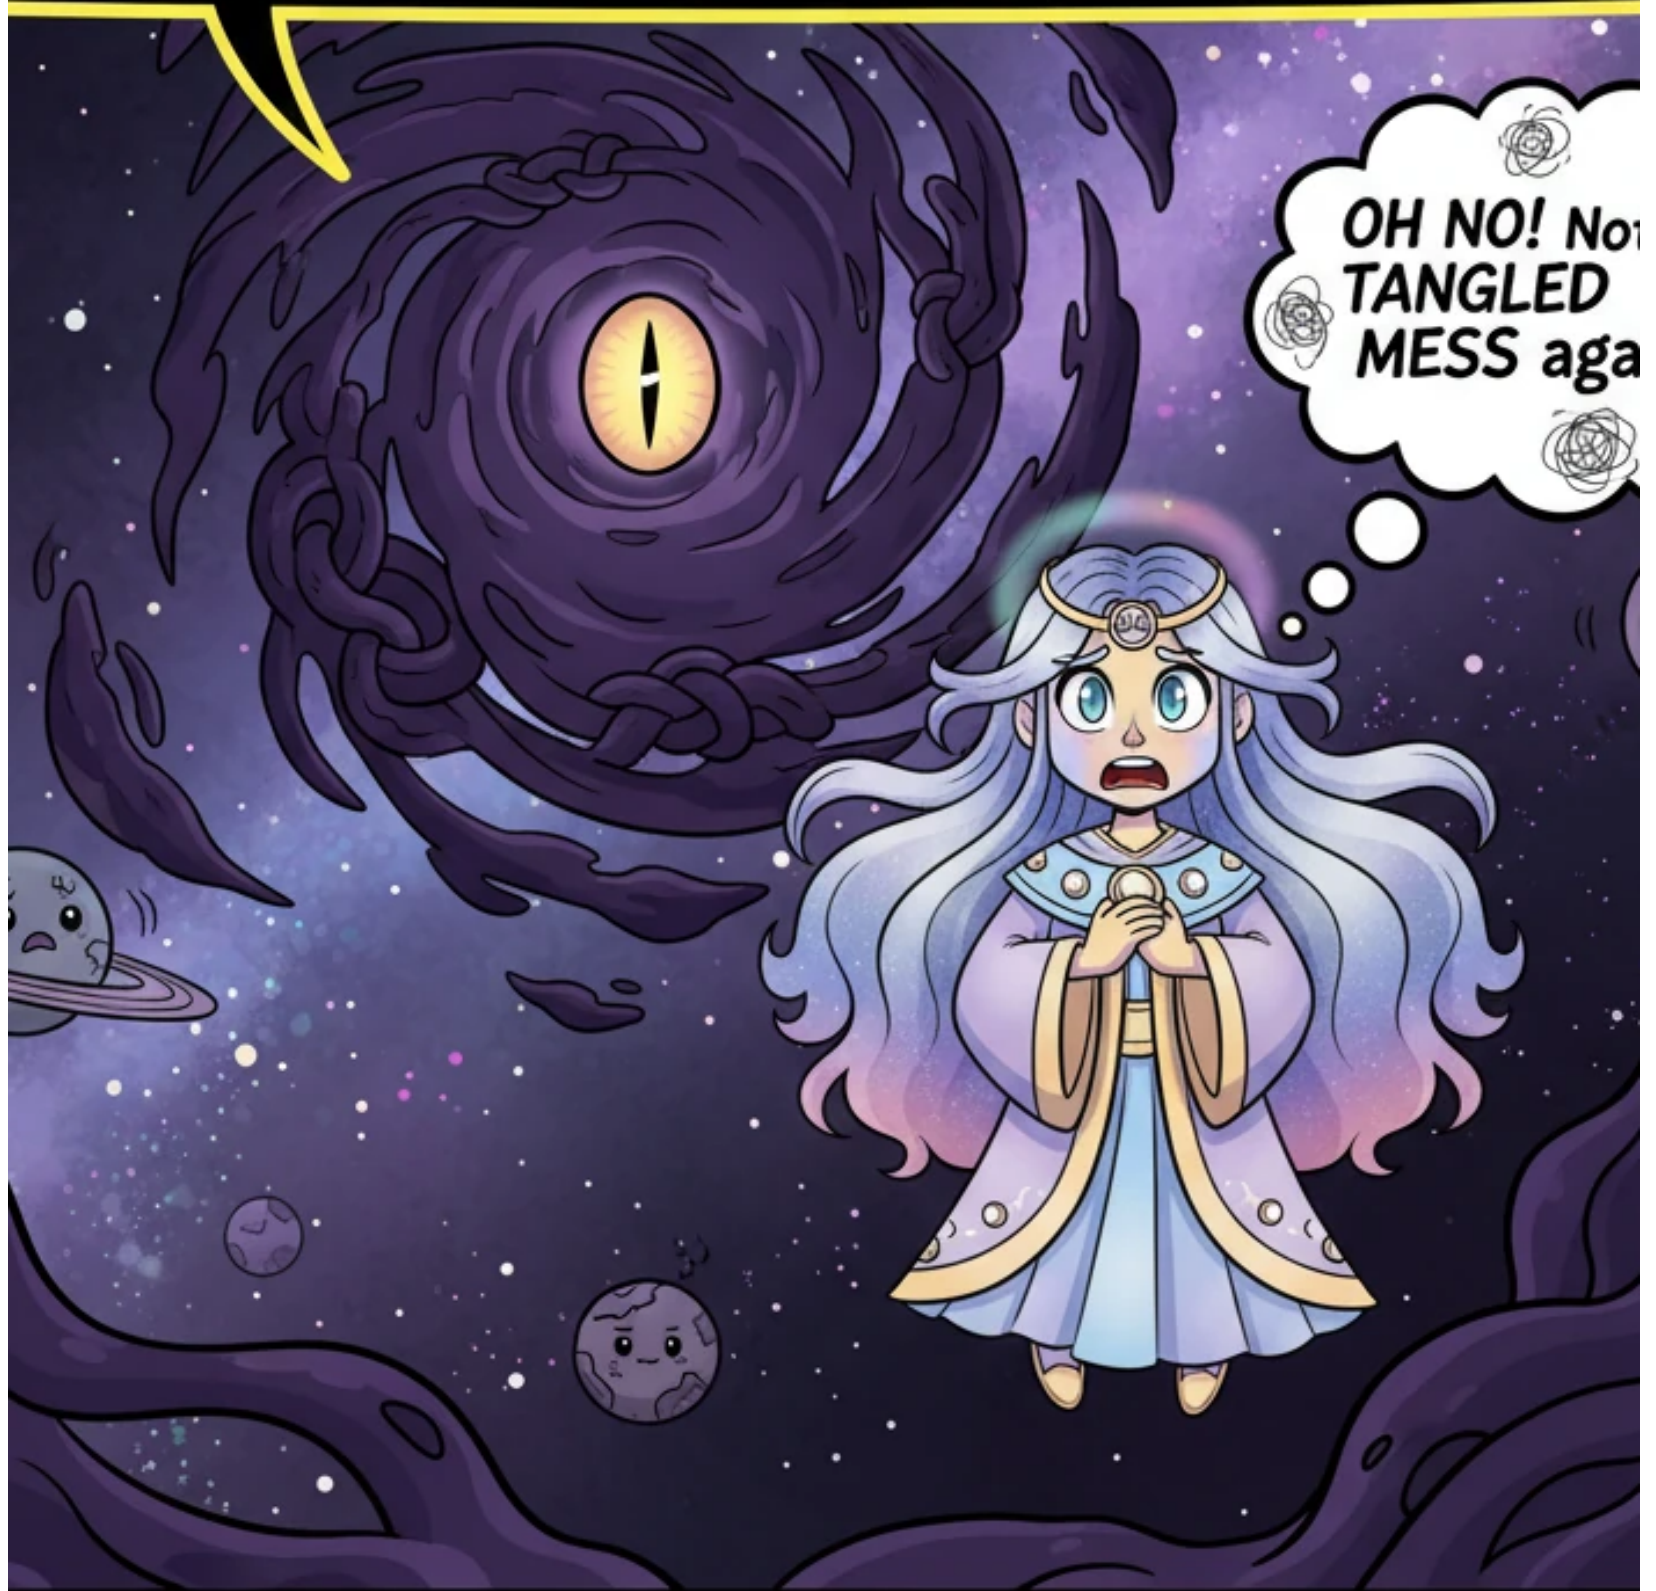

watched over countlets stars and playful planets, a gen  
le guardian of cosmiy. Yet, a fary edir at a whisper, a whis  
of something ancient and unselling.

QUENLY, the cosmic hum faltered as the HOLLOW EYE awoke.  
Swirling vortexes ained, ad deep purple and shador and shadow  
tendrils!

rippled through galaxies, turning bright stars of shiver . The Hollow Eye souh  
of a tangled mess of worry and confusion, its dark influence spreading rapidly
