

Dan the Van Man

Monica

I am Dan. I am a man. Dan has a van.

My van is tan. The van is big. The van is in the fog.

I scan my map. The map is flat. I sit on a mat.

I fit a tin in the van. The tin is big. Dan is in the van.

I fit a bag in the van. The bag is tan. I fit the bag in.

I sit in my van. Dan the van man sits. I sit in the van.

I am at a flat. I tap, tap, tap. I am at the flat.

I hand a pot. The pot is hot. I hand the hot pot.

The man is glad. Dan is glad. The man is in the flat.

I am in the tan van. I am Dan the van man. I am in the van.
