Mafka walks out into the soft green grass. The grass feels cool on her paws. She is a brave kitten.

A yellow butterfly flies past Mafka. Mafka jumps high to catch it. The butterfly flies away into the sky.

Mafka finds a big blue puddle near the fence. She looks down and sees her own face in the water. She taps the water with one paw.

A red bird sits in a tall tree. Mafka looks up and watches the bird. The bird sings a happy song to the kitten.
