The world is waiting!

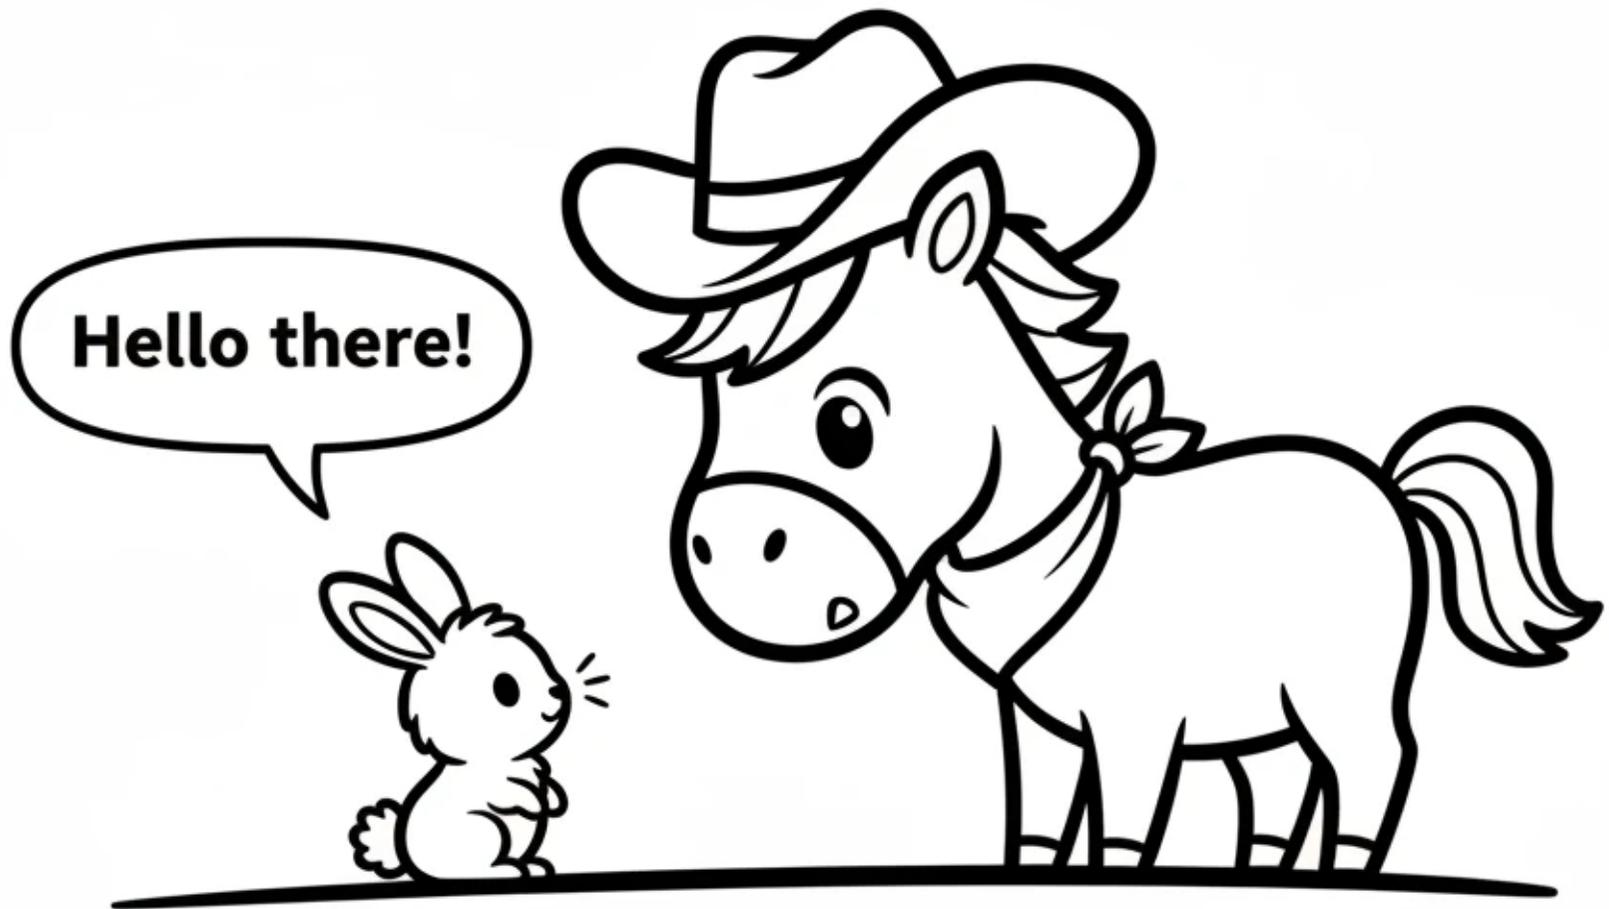

With A gentle nudge of her nose, Sparkle pushed the open the old wooden gate. Her eyes sparkled with excitement as a tok ite first step outside.

**Sparkle trotted happily through
a wide, sunny meadow.**

**Suddenly, a tiny, fluffy bunny
hopped right in front of her.**

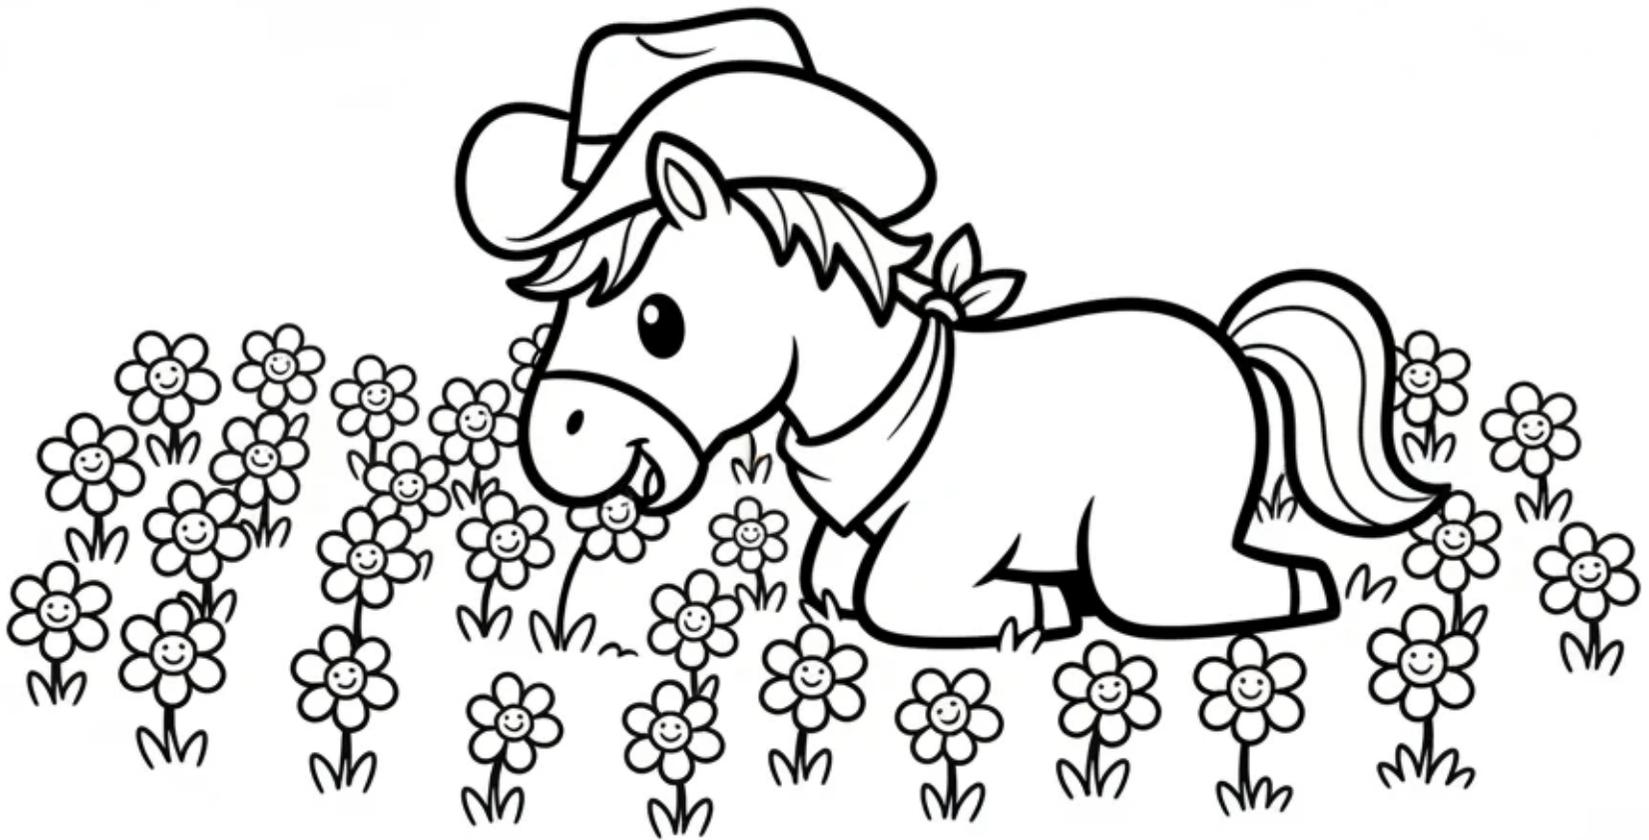

As Sparkle continued her journey, she came to a stream. She dipped a hoof in, feeling the cool water.

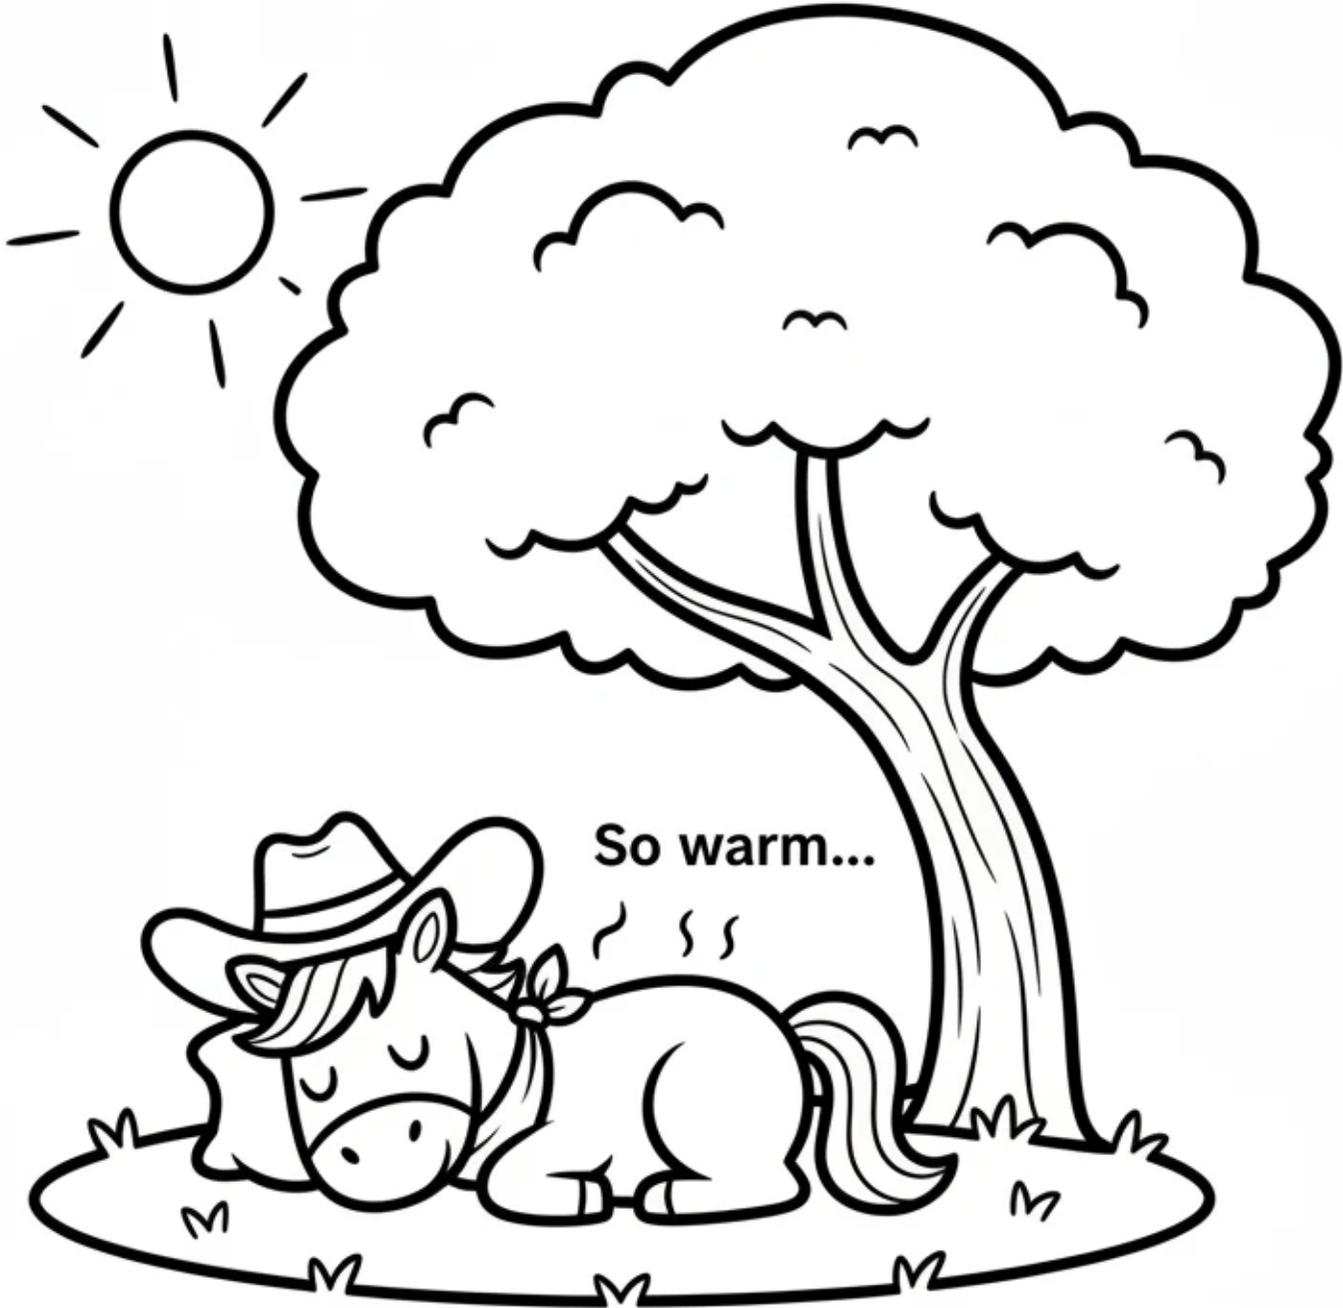

**With a brave splash, Sparkle
stepped into the stream! She felt strong!**

On the other side of stream, Sparkle found a magnificent field of bright, cheerful flowers. She gently grazed among them, enjoying their sweet scent. Each flower was a tiny joy.

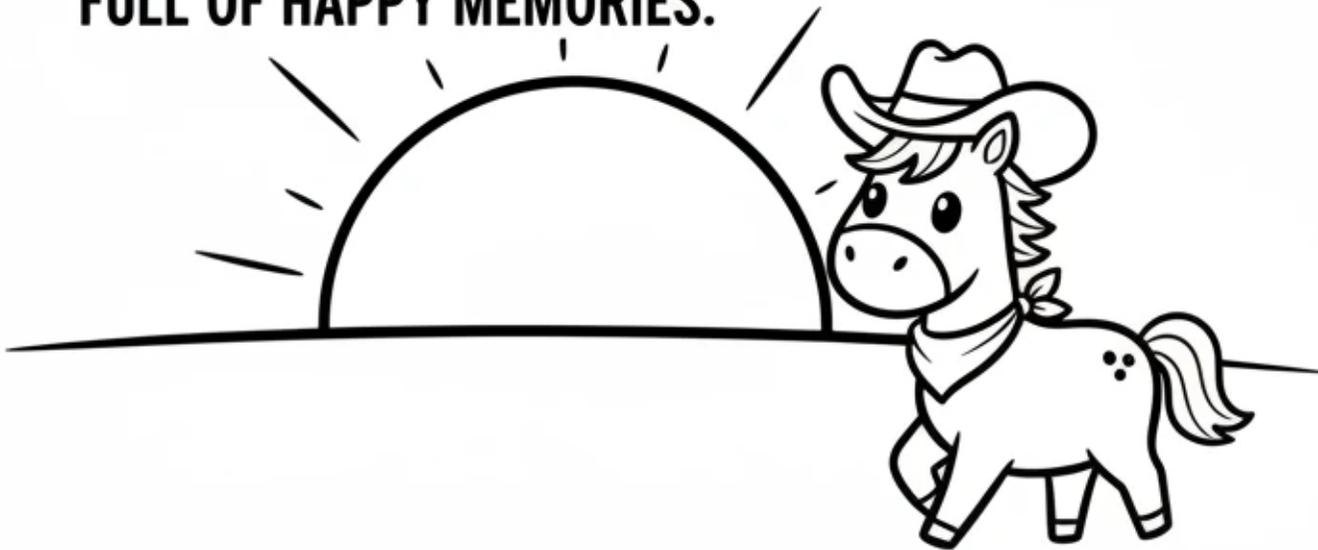

After her adventures, Sparkle felt sleepy.
