**PIP LIVED IN A HAPPY LAND, FULL OF
BRIGHT FLOWERS AND A BIG, SMILING SUN.**

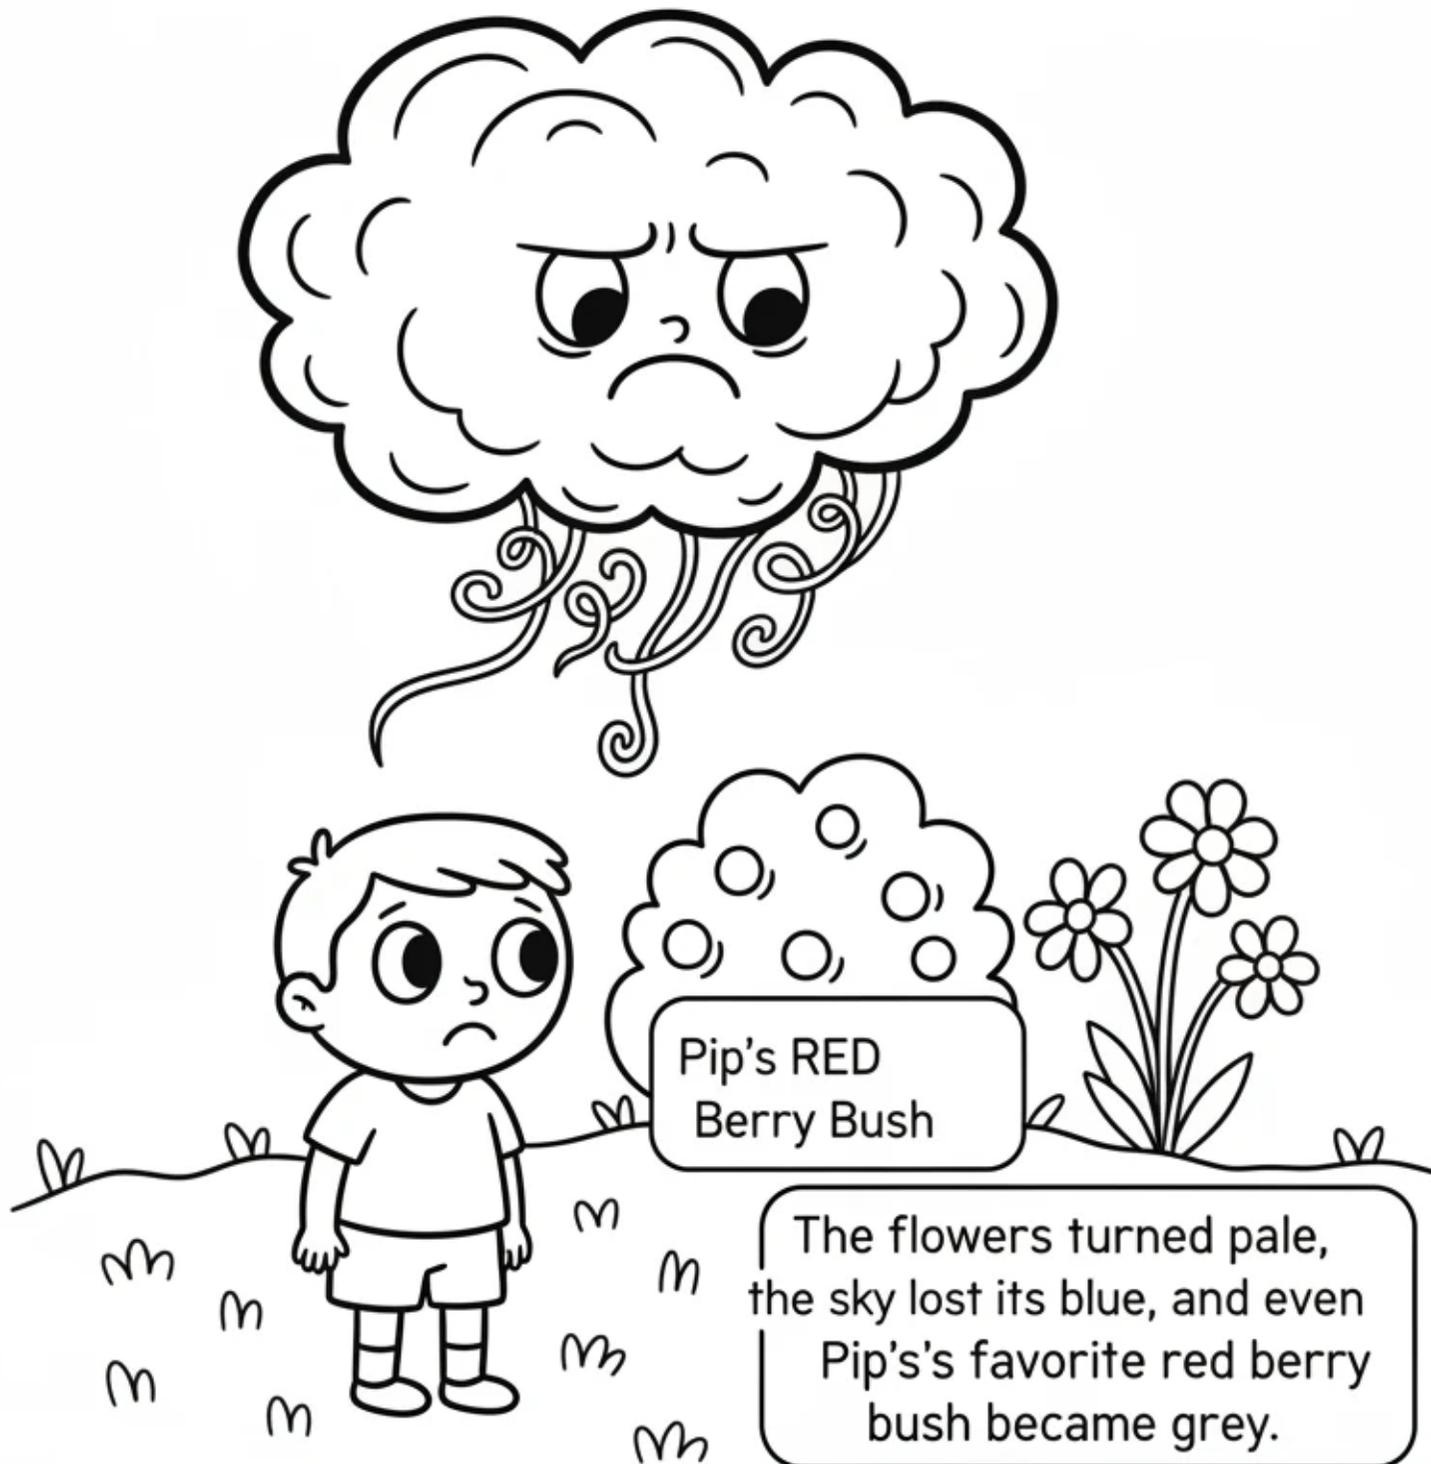

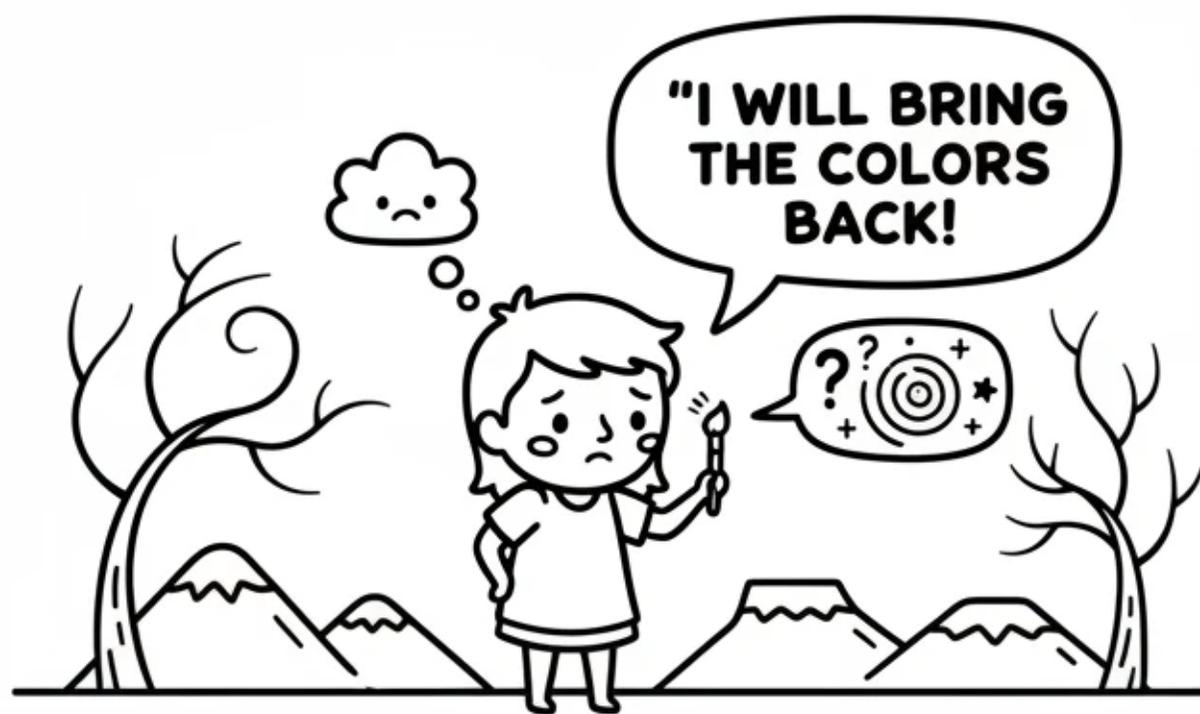

GRUMPY CLOUD

**ONE MORNING, A GIANT, GRUMPY FLOATED
AND CAST A LONG, DULL SHADOW.**

**The grumpy cloud began to suck ALL
the beautiful colors right out of the world!**

With a little skip, Pip set off on a big adventure.

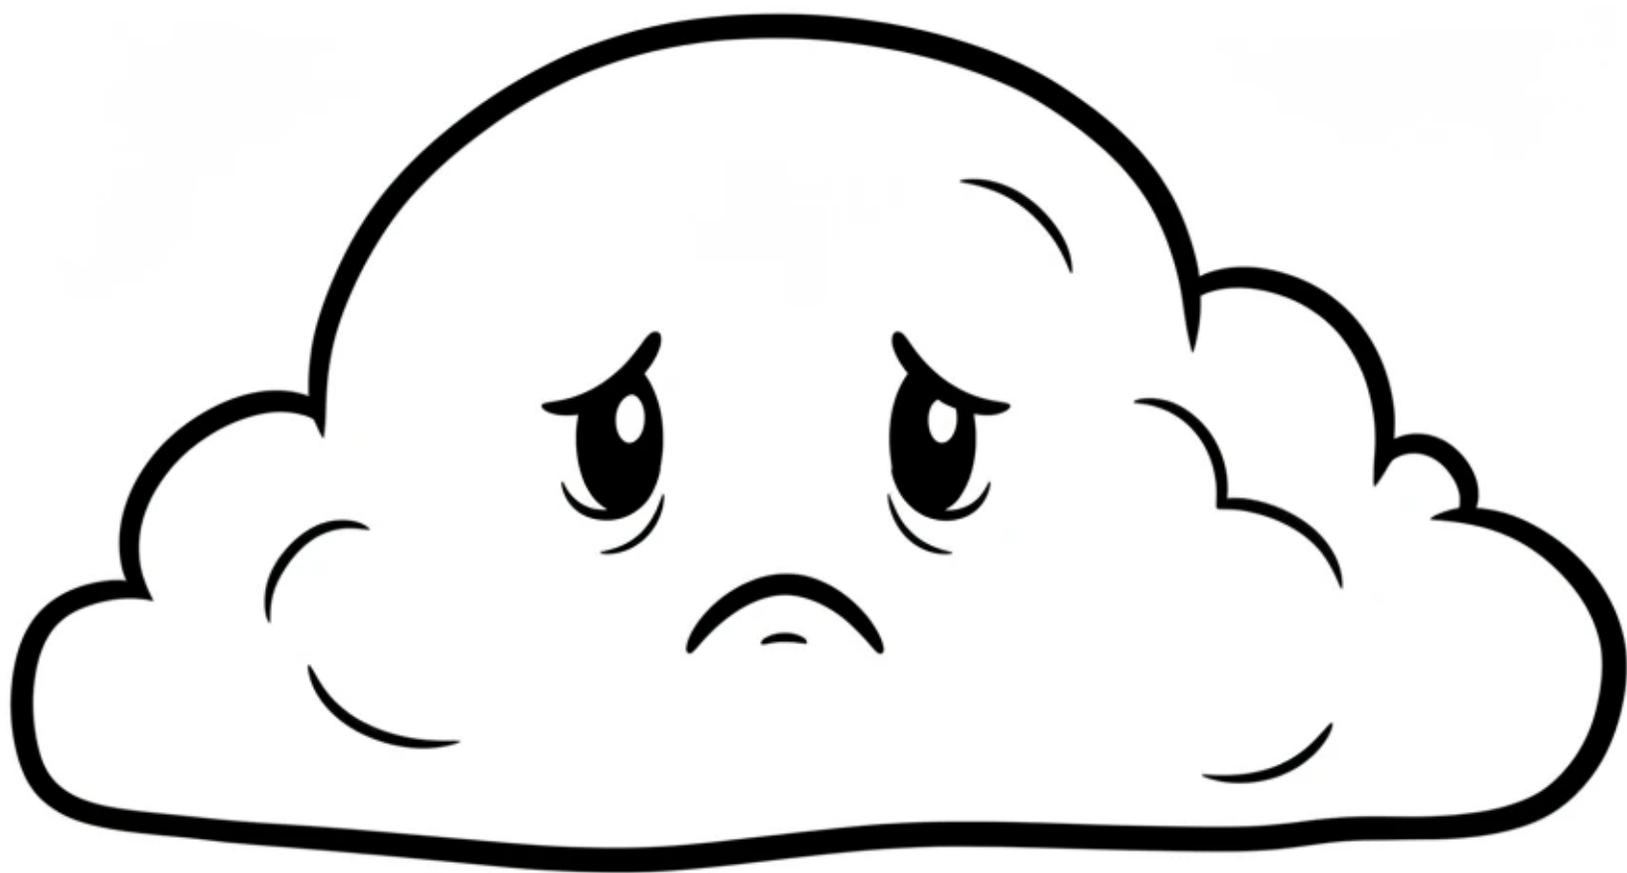

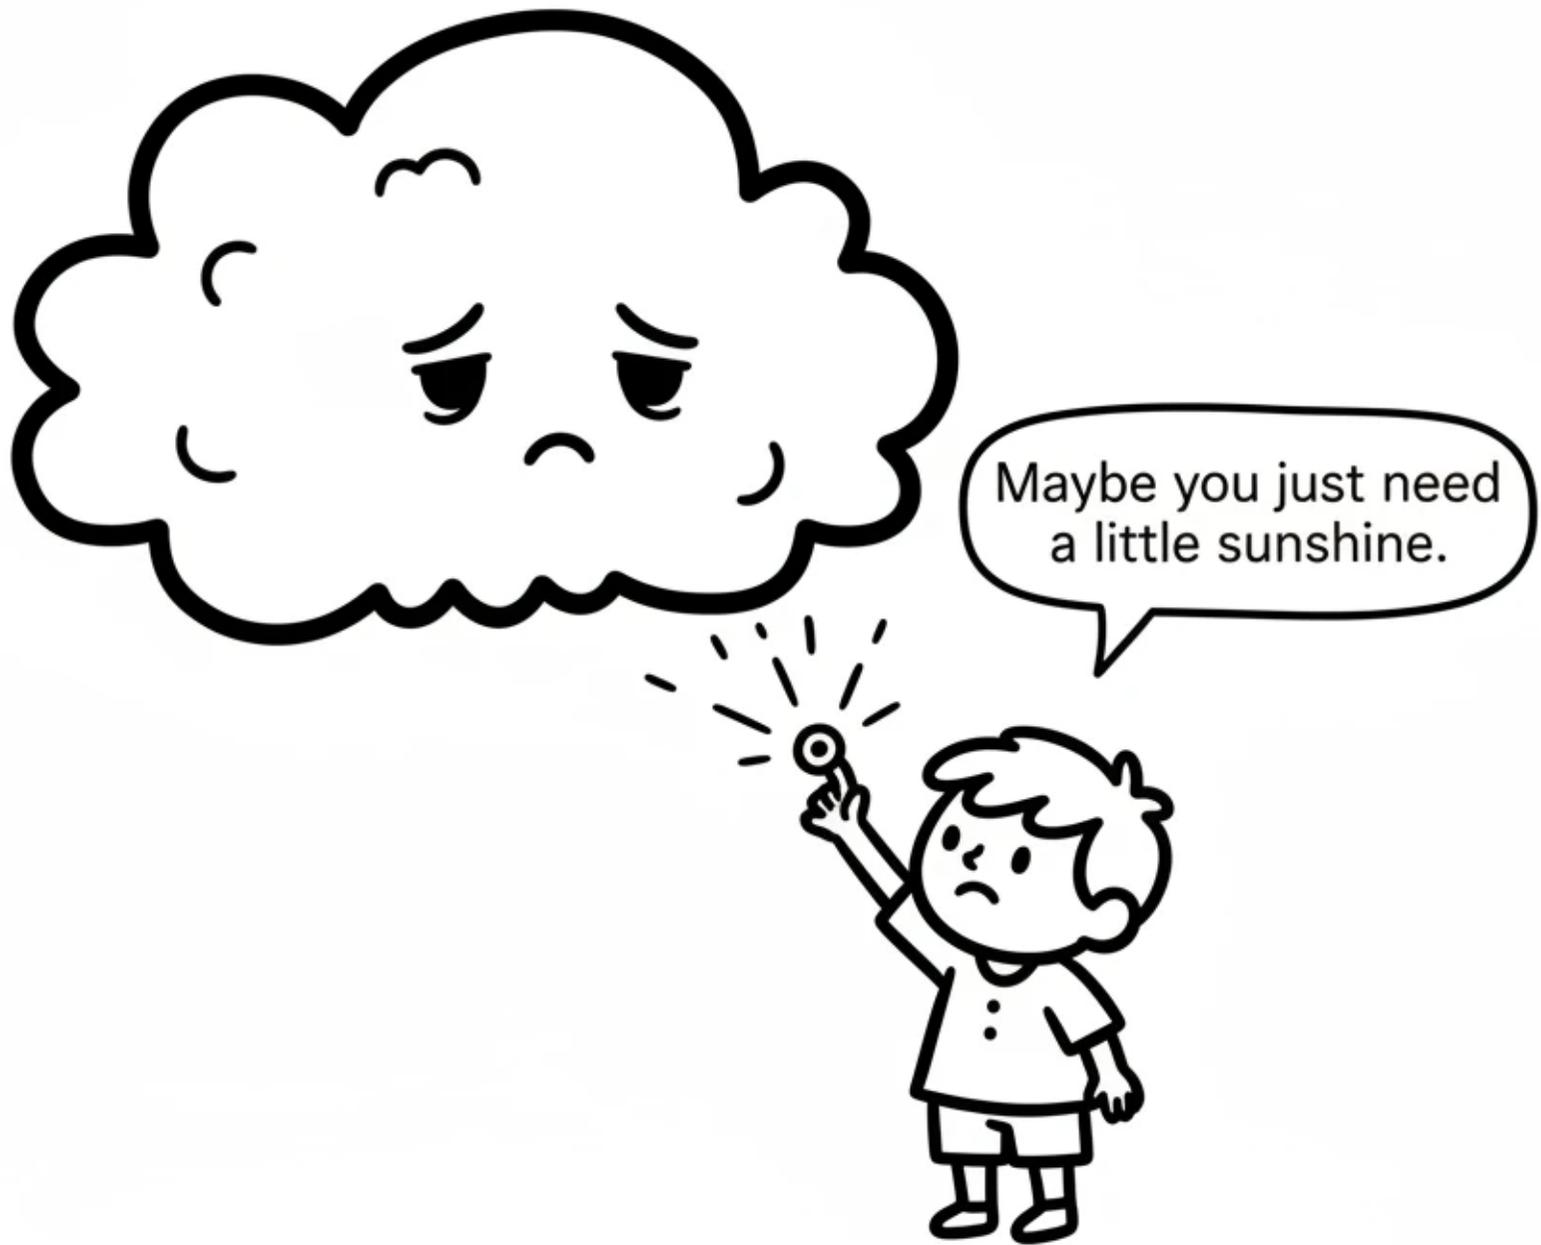

The path ahead wound over rolling hills towards where grumpy cloud hovered.

**Pip found a tiny, wilting flower.
With a gentle touch of the pretend
brush, Pip imagined warm yellow.**

**PIP CLIMED TO THE TOP! AND THERE WAS...
A SAD CLOUD.**

Pip didn't shout or fuss, but instead offered the cloud a tiny, imaginary dot of bright yellow paint. "Maybe you just the sunshine," Pip whispered kindly.

“Slowly, the grumpy cloud softened, and a tiny smile appeared. With a joyful whoosh, it released all the stolen colors back!”

THE LAND IS BRIGHTER!
