SCENE 1: A NEW DAY BEGINS!

Rosie Berry woke up in her cozy strawberry house. Sunlight peeked through, making room glow. She stretched with a happy sigh!

**I'll bake the
MOST DELICIOUS
strawberry
shortcake!**

Rosie gathered her baking essentials. Flour, sugar, egg. The kitchen smelled like a bakery!

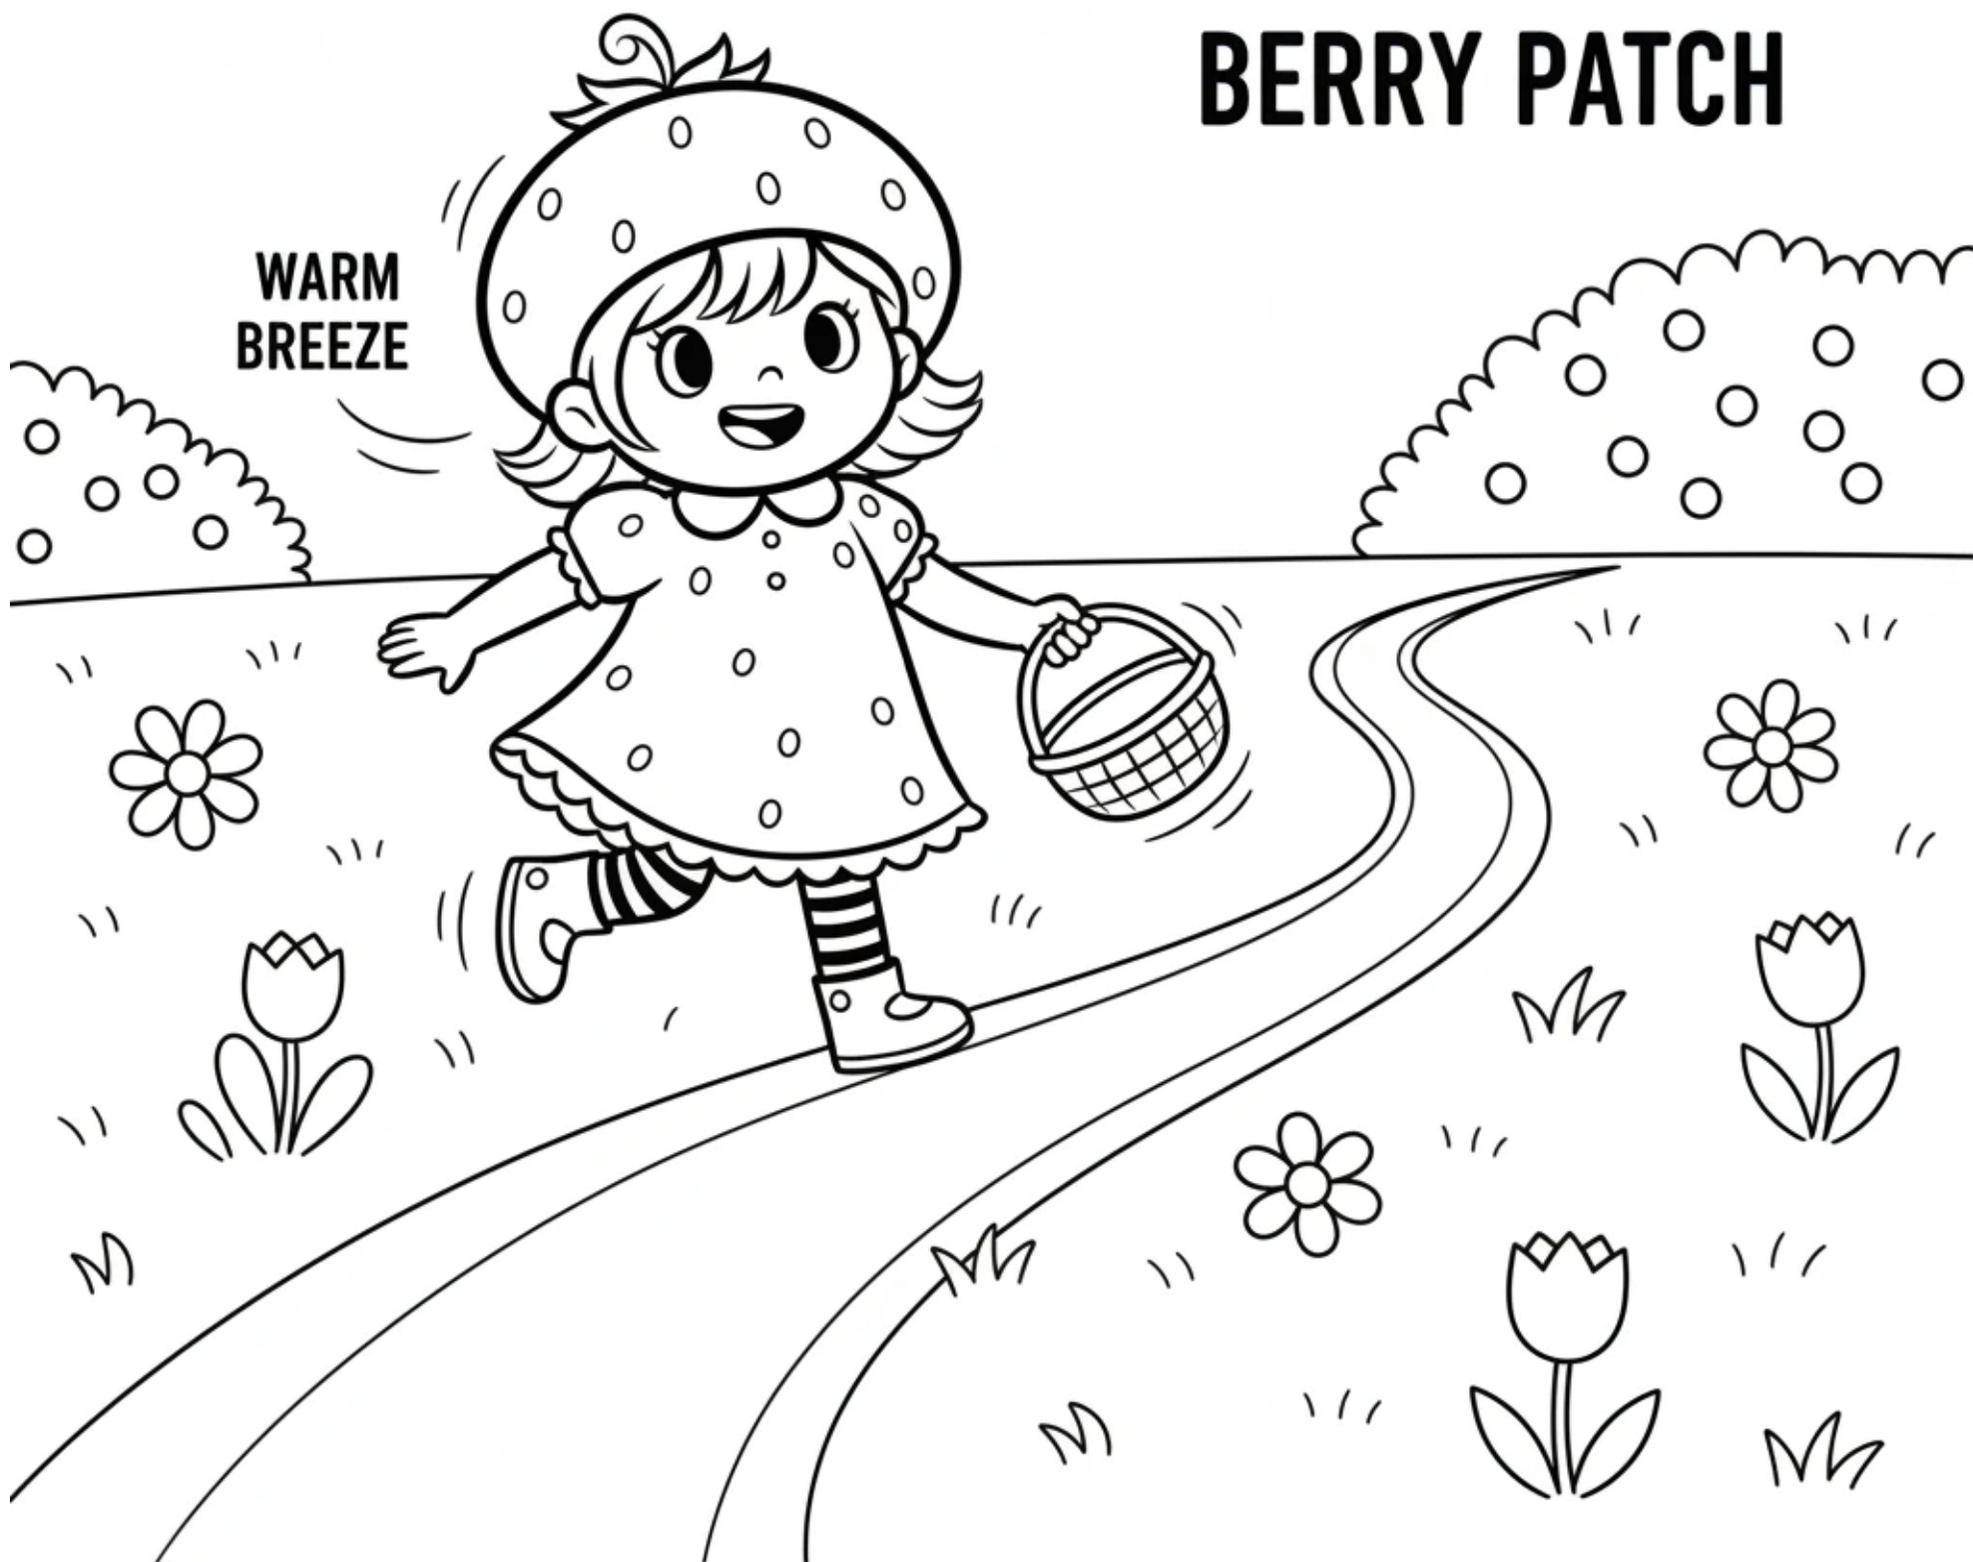

Rosie looked at her empty berry basket. Oh no!

**Rosie skipped through a sunny meadow.
The berry patch was just ahead!**

BERRY PATCH

**WARM
BREEZE**

At the patch, Rosie
found the most beautiful
strawberries.

So many
treasures!

**Her basket now full of plump, ripe berries,
Rosie happily made her way back home.**

BACK IN HER KITCHEN, ROSIE GENTLY ADDED THE STRAWBERRIES AND MIXED THE LOVELY, LUMPY BATTER. IT LOOKED PERFECT!

THE SHORTCAKE BAKES... AND ROSIE WAITS!

OH, THE SWEET SMELL!

Yum! Homemade!
