Pip's Sleepy Sky Adventure

Rishu

By L. Willow

Pip is a tiny, fluffy white cloud waking up in a bright blue sky. He stretches his wispy arms and looks around at the big, beautiful world below him.

He floats over a field of bright yellow sunflowers that wave hello with their golden petals. Pip giggles as the tall flowers tickle his soft tummy with their leaves.

In a deep green forest, Pip meets a wise old owl waking up for the night. The owl hoots a soft, slow melody that makes Pip feel very relaxed and sleepy.

Pip glides over a quiet, sparkling pond where silver fish jump and splash. The cool water reflects the sky, making Pip feel like he is swimming in a giant, blue mirror.

As the sun begins to hide behind the hills, Pip turns a beautiful shade of soft pink and orange. The whole world starts to feel quiet and calm as the day turns into evening.

A tiny, twinkling star appears in the deep purple sky and winks at Pip. Pip follows the star's friendly light as he looks for a cozy place to rest his head.

Pip meets the big, glowing moon who looks like a giant, friendly slice of lemon. The moon gives Pip a gentle hug of silvery light, making him feel warm and safe.

Pip floats down toward a small house with a warm, golden light shining from a bedroom window. He peeks inside and sees a soft, cozy bed waiting for a sleepy friend.

Pip snuggles down right above a little child's bed, becoming as soft and fluffy as a marshmallow. He listens to the quiet, rhythmic breathing of the sleeping house.

With a happy sigh, Pip closes his eyes and drifts off into a world of sweet dreams. The stars watch over him as he sleeps soundly until the morning sun returns.
