

小熊嘟嘟的美味食物大冒险

Mu Ryan

Scene 1/10

Dudu the little bear arrived at Sunny Orchard with his basket. On the grass were five plates full of delicious fruits.

Dudu came to the vegetable garden behind the house and saw many fresh vegetables growing in the soil!

He counted carefully: there were orange carrots, tree-like broccoli, red tomatoes, golden corn, and round potatoes. These vegetables are very nutritious, so Dudu will bring them home.

3/10 The morning sun is up!
Dudu is sitting at the table,
ready to eat a healthy breakfast.
After this meal,
Dudu feels full of energy!

This breakfast
gives me
so much energy!

Dudu's table is full of delicious food.
Dudu takes big bites and feels
so happy with every bite.

5/10

It's afternoon nap time. Dudu prepared some delicious snacks for himself. He took out crispy cookies, delicate cake, sweet and tangy yogurt, sparkling jelly, and smooth pudding. These pretty treats made Dudu feel so happy!

Summer is here, and it's so hot! Dudu wants some cool and refreshing food to beat the heat. He cuts a big watermelon, takes out cold ice cream, pours a glass of icy juice, and prepares some sweet peaches and tangy pineapple. The cool feeling spreads through his whole body. It feels so good!

Dudu learns to make traditional treats with Grandma. Each treat holds a taste of happiness.

I want to make them all by myself!
