

Blaze the Brave Fire Truck

うさまる

The sun shines on a small house.

Oh no! Smoke rises from the roof!

Ring! Ring! The fire alarm sounds!

Blaze the fire truck speeds to help!

He arrives! Big flames dance and roar.

Whoosh! Water sprays to quench the fire.

The fire shrinks smaller, then disappears.

Hooray! The house is safe again!

Just a little black spot remains.

Blaze is a brave, helpful fire truck!
