# HE FOUND HIS FAVORITE TOY!

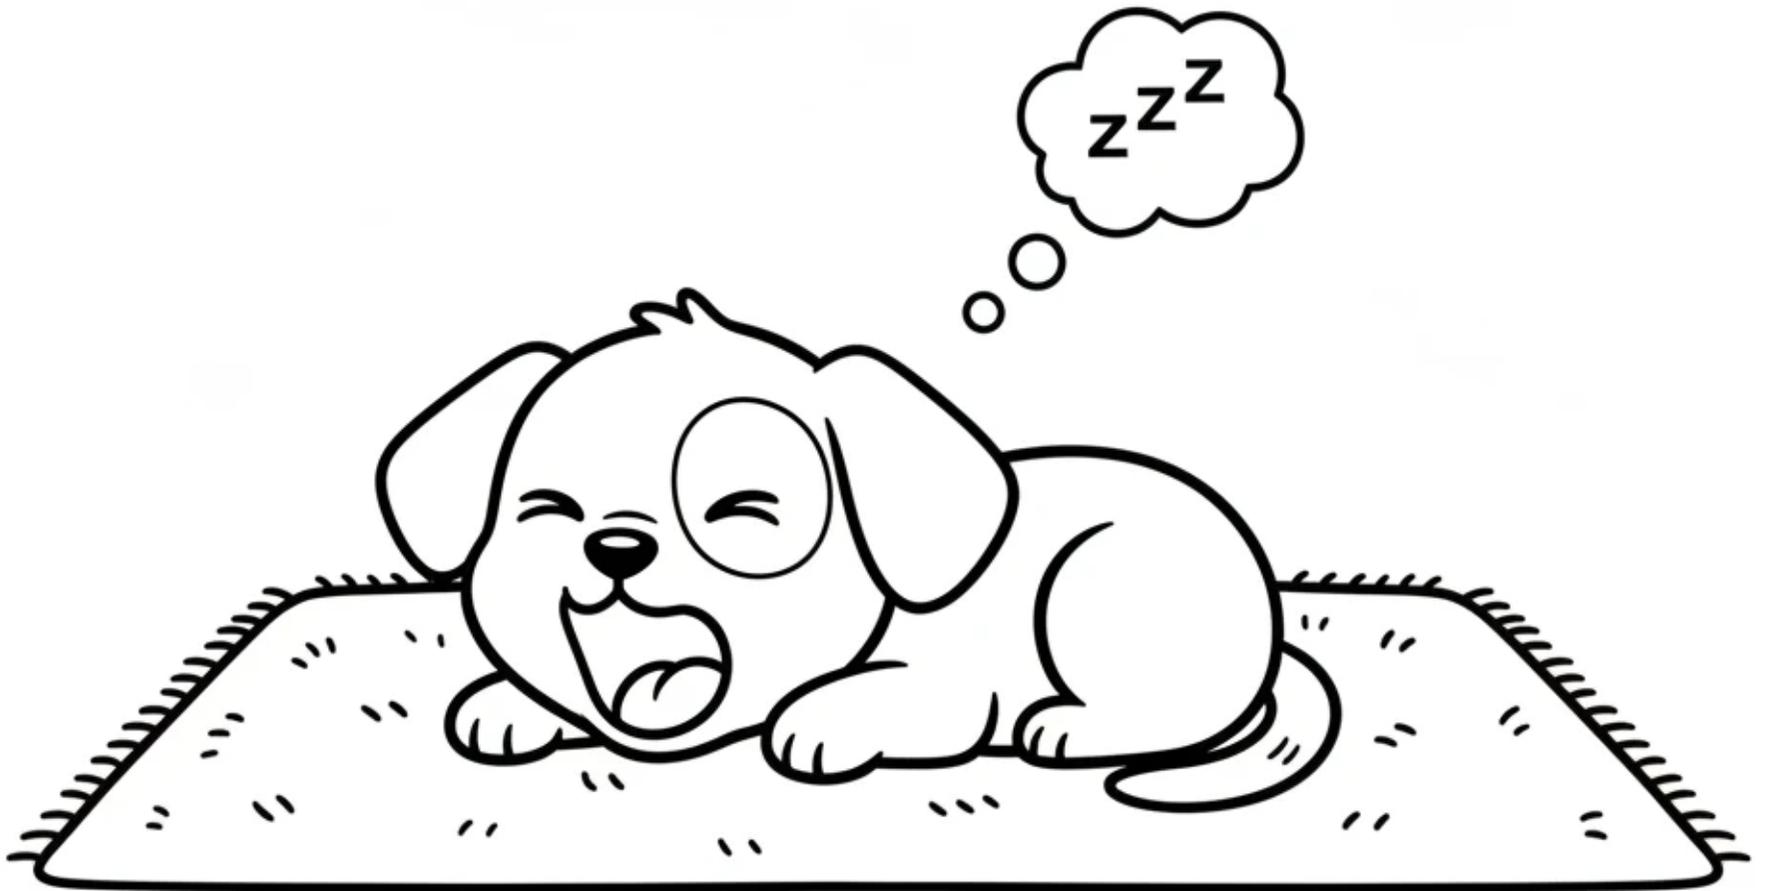

My blue bear!  
I'm close!

A warm, gentle hand reaches down to pet him. It's his friend, Lily! Pip wags his tail so fast it's just a blur. He's so happy to be found.

Back inside, Pip snuggles onto a soft rug,  
tired from his adventures.  
He yawns a big puppy yaon. It feels good to rest.

**Pip dreams of chasing butterflies and playing with his ball. A tiny smile plays on his face as he sleeps soundly. He's a very happy puppy.**
