Scene 1 of 10: Printy's Cozy House

Printy loved to imagine new shapes and patterns.

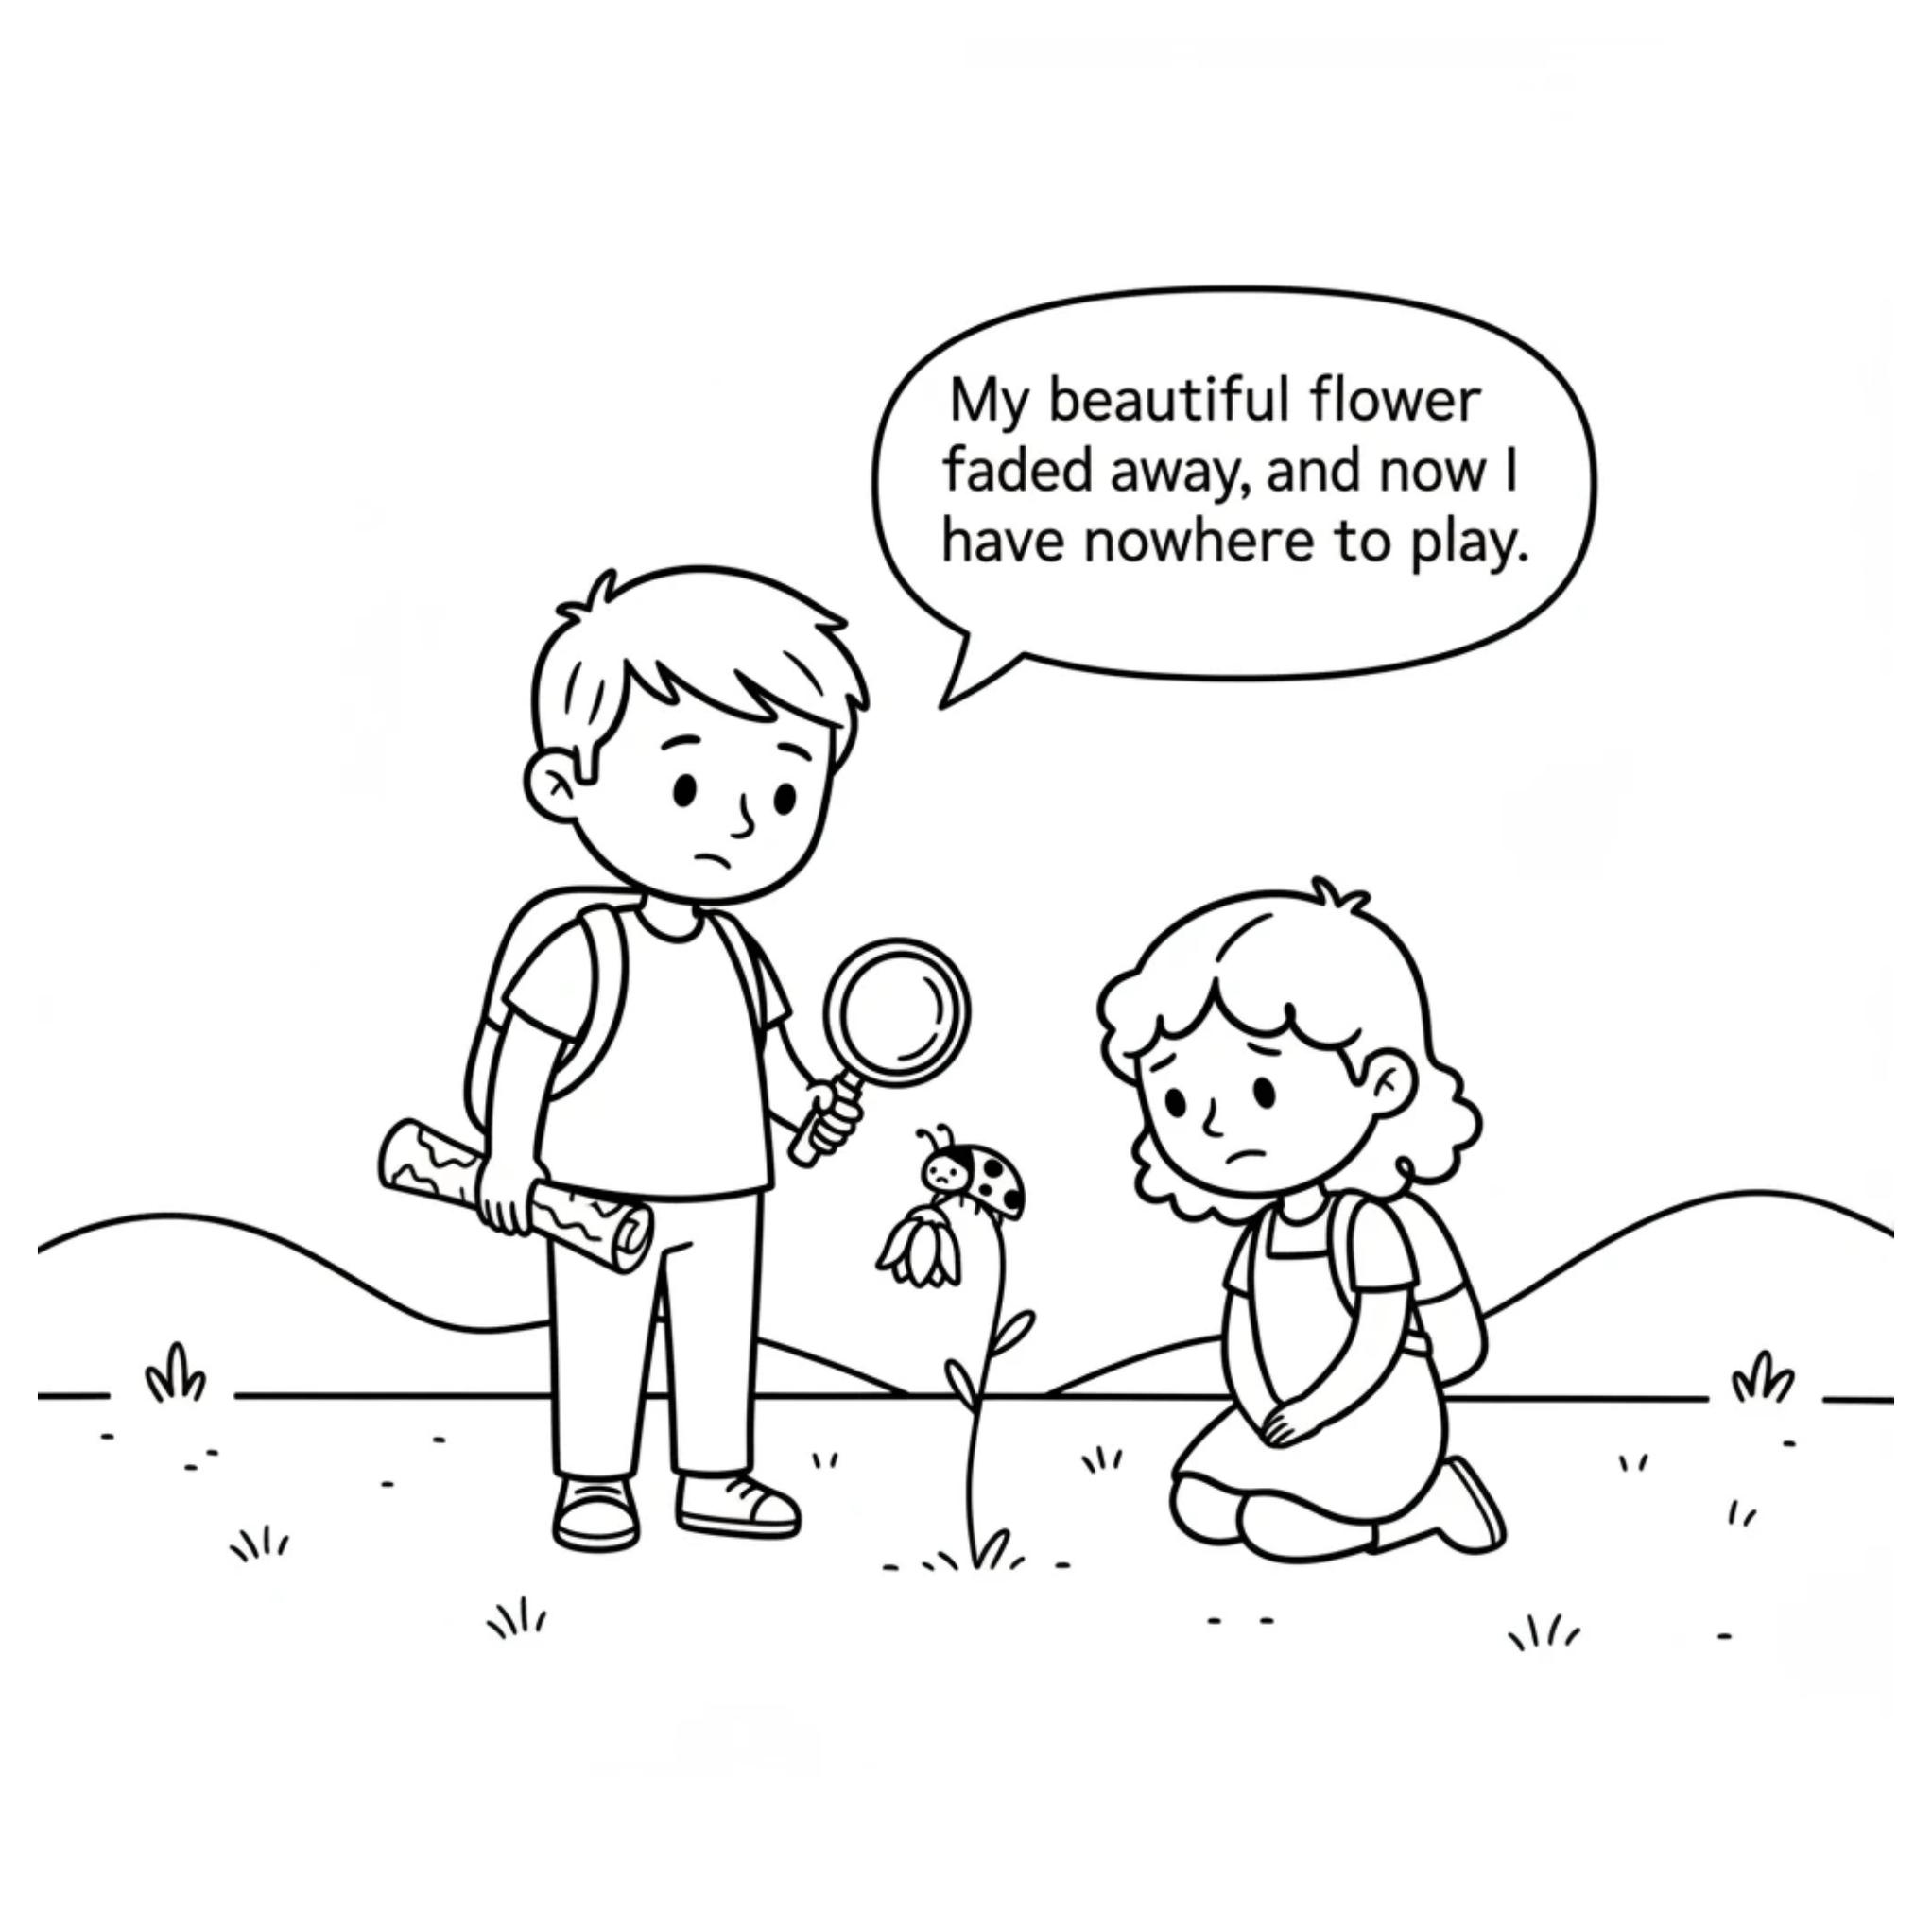

ONE SUNNY MORNING,
PRINTY FOUND A
BEAUTIFUL, SWIRLY LEAF.
IT HAD THE MOST
AMAZING PATTERN!

Printy rushed back to their press, but oh dear!
The leaf pattern was too big for too big for their small
machine. It wouldn't fit, not even a little bit.

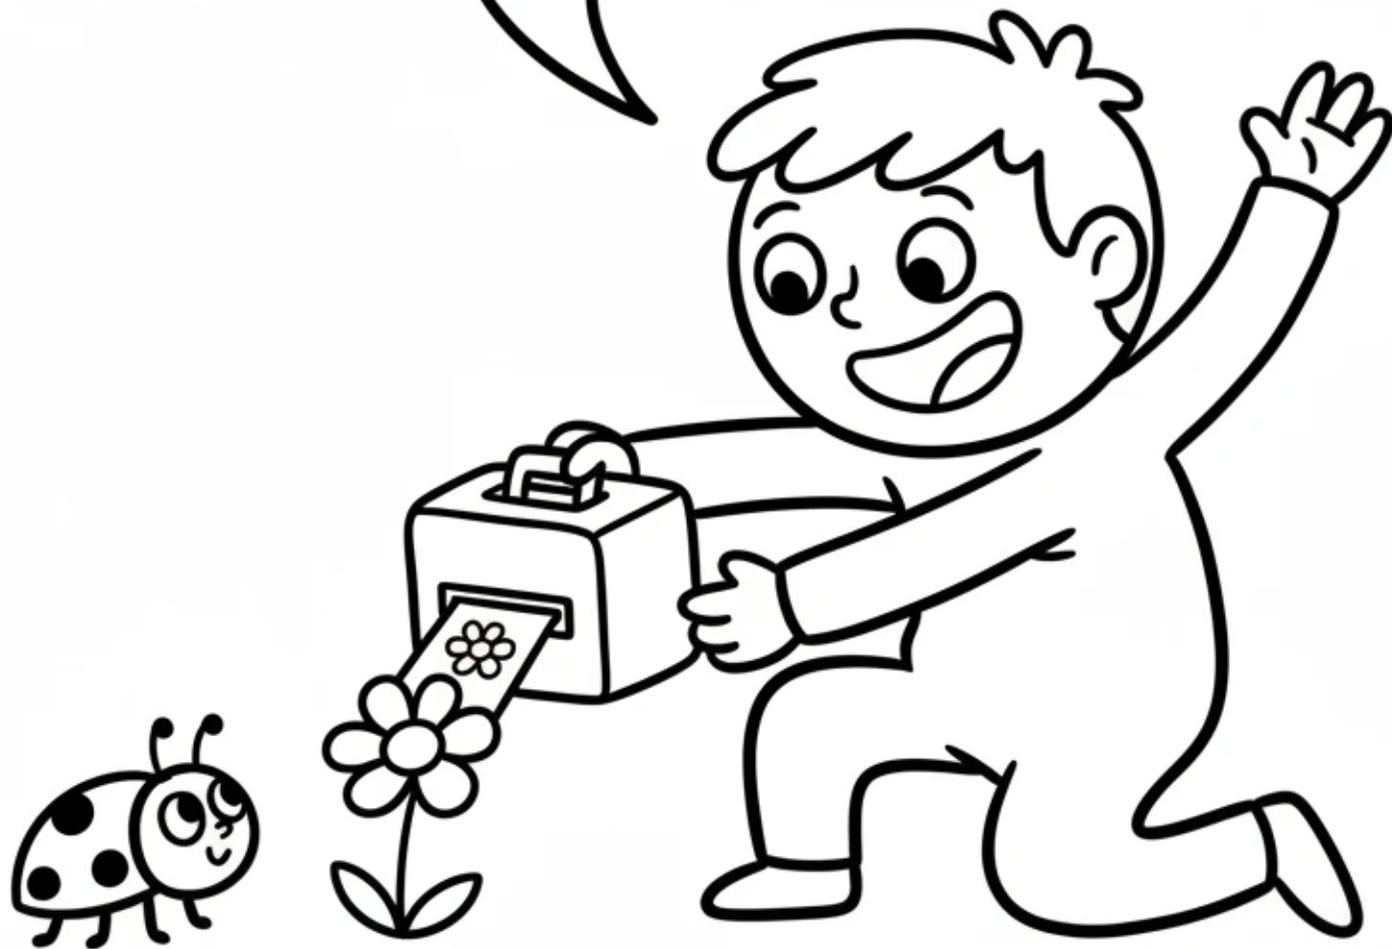

The path ahead was winding and new.

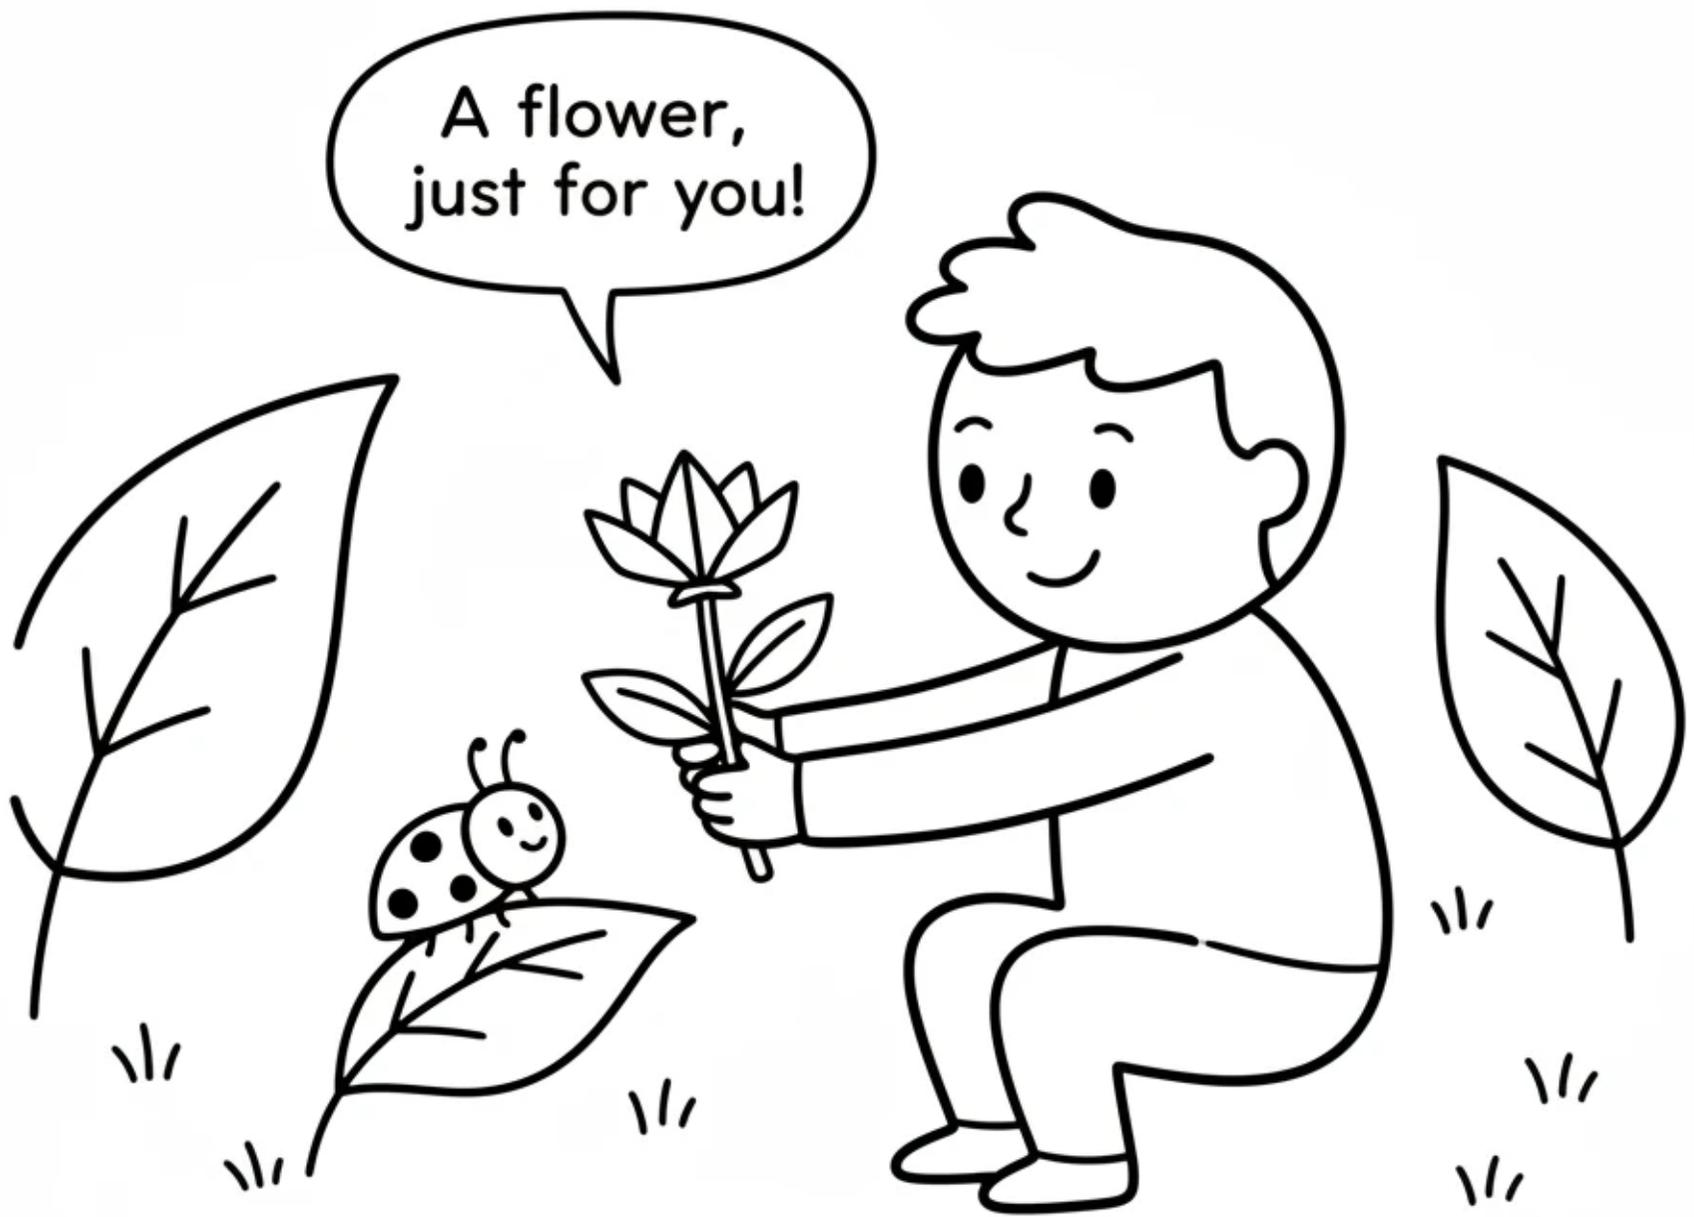

My beautiful flower
faded away, and now I
have nowhere to play.

**Maybe I can print you
a new flower!**

**PRINTY DREW HAPPY FLOWERS!
SHE IMAGINED BRIGHT, JOYFUL COLORS!**

With ingenuity, Printy made an
paper flower and gave to to lo the
delighted ladybug.

The ladybug happily climbed onto its new paper flower, buzzing with joy. Printy felt a warm glow inside, realizing how wonderful was to create and share.

ENDLESS POSSIBILITIES!

**PRINTY CAME HOME,
READY TO CREATE!**
