**SNOW IS FALLING!
CHRISTMAS EVE IS HERE!**

I wish my
tree felt
more festive...

A thought brightens Milo's eyes! He will decorate his tree!
He dreams of berries and shiny pebbles.

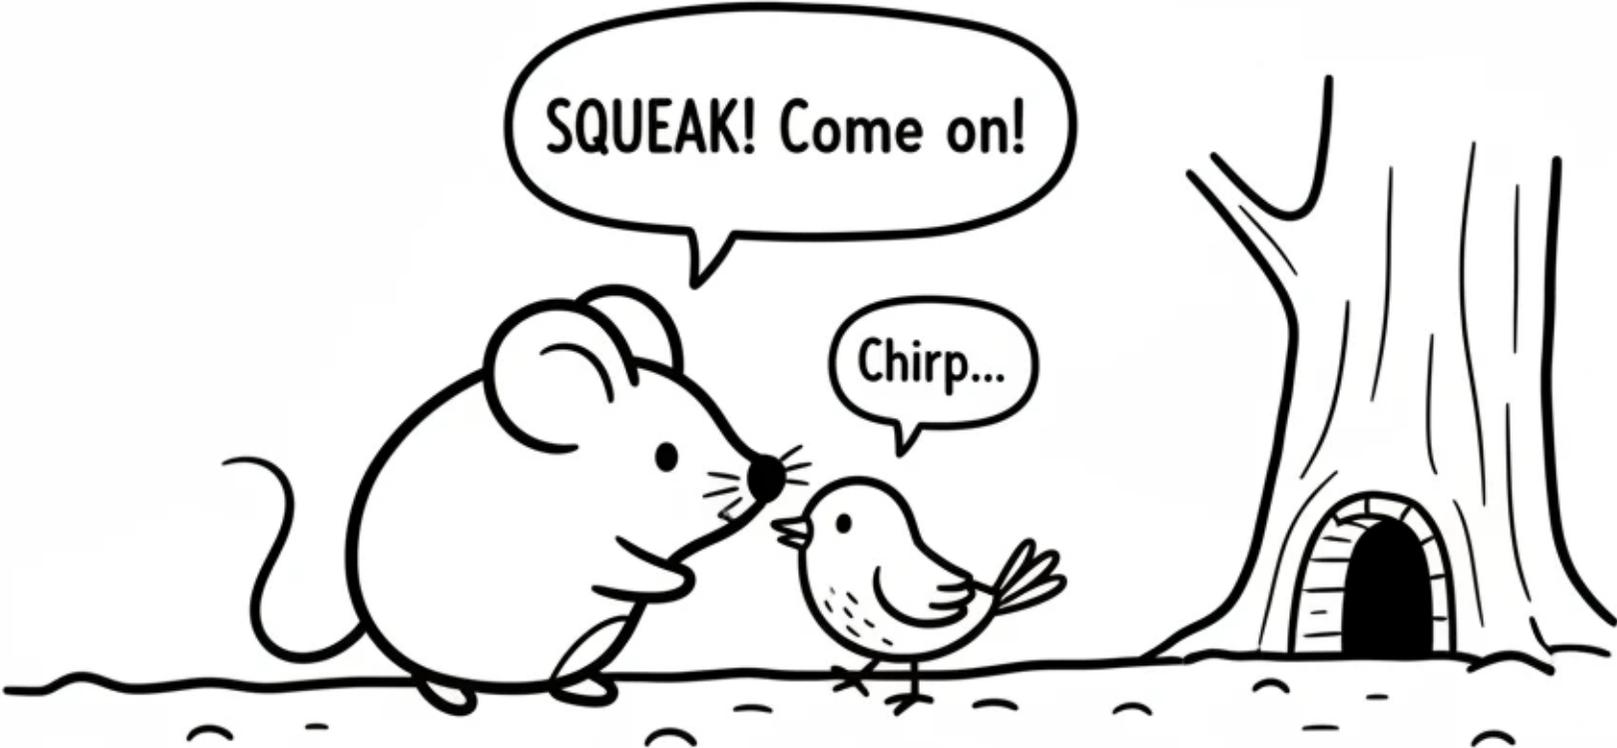

**Milo hopped through the snow,
searching for decorations.**

Hmm, where could they be?

**He spotted a
tiny, cold bird.**

Milo invites the sad little bird home.

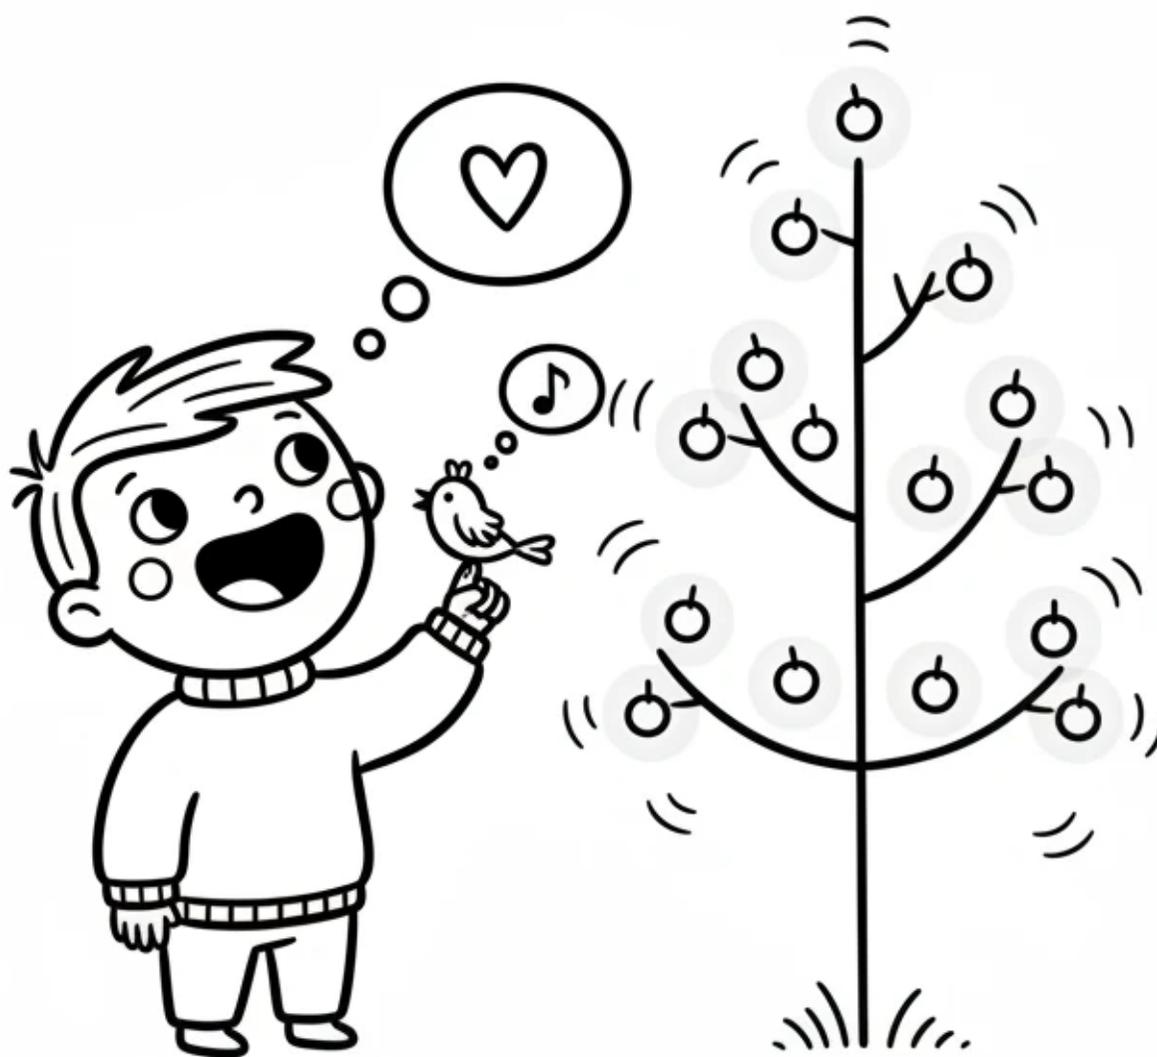

**A quiet, comforting meal in
the warmth of the burrow.**

DECORATING TIME!

Our tree sparkles!

A warm feeling in their hearts.

NARRATION: A magical light appeared!

THE BEST GIFT: KINDNESS

Their hearts are full.
