

Luna's Shy Night

Mu Ryan

Hee hee,
not tonight!

Luna, the moon, felt a little shy. She peeked out from behind a fluffy white cloud, giggling softly.

The stars noticed Luna's absence
and began to worry.

Twinkly, the brightest star,
called out, "Where's Luna? It's
not the same without her light!"

Where's Luna?
It's not the same
without her light!

Luna, why are you hiding?

But your light makes the night so beautiful! We all miss it.

I'm just a little shy tonight.

Luna took a deep breath, peeked out, and began to shin...
