

THE SILENT RESCU

A Heroic Rescue: The Mystery of the
Missing Author

Kiara Jansen

A STORY OF HEROSISM

The sun shines brightly on the bookstore where Class 1-A and Aizawa gather, holding colorful bouquets and copies of Kiara's new mystery book. Everyone is smiling and laughing, unaware of the shadows lurking just around the corner.

The interior of the shop is a disaster, with glass shards littering the floor and Kiara's books scattered like fallen leaves. Aizawa finds a charred piece of fabric on the floor, his eyes narrowing as he realizes the League of Villains has struck.

High above the city, Shigaraki and Vanera Toga-Todoroki look down with cold smiles as Kurogiri's purple mist begins to swallow the villains whole. They leave behind a trail of destruction, mocking the heroes who arrived just moments too late.

In the dark war room of U.A. High, the students of Class 1-A stand before a digital map, their faces glowing in the blue light of the screens. They are determined to save Kiara, their costumes on and their spirits high despite the looming danger.

The heroes burst into a decaying warehouse, where the air is thick with the smell of smoke and the presence of All For One. The League stands ready, a wall of malice blocking the path to their kidnapped friend.

Explosions and ice fill the air as Bakugo and Todoroki lead the charge against Dabi and Himiko Toga. Amidst the chaos, Aizawa uses his capture scarf to pull his students back from the brink of dangerous traps.

Midoriya pushes past the doctor, Kyudai Garaki, and the massive Gigantomachia, his body crackling with green energy. He reaches the heavy steel door where Kiara is kept, his heart pounding with the hope of a successful rescue.

Inside the dimly lit cell, Kiara lies on the floor, her breathing shallow and her clothes stained with the marks of battle. The heroes finally break through, but the sight of her injuries stops them in their tracks.

Aizawa kneels beside Kiara, his expression soft and concerned as he carefully lifts her into his arms. The students gather around, their usual energetic chatter replaced by a heavy, respectful silence for their hurt friend.

Under the soft lights of the school clinic, Kiara wakes to see Class 1-A watching over her with relieved smiles. Though the battle was hard and the wounds were deep, they are all safe together once again.
