

Fraction Adventure at Pizza Park

Lina's Fraction Adventure at Pizza Park

Tarannum

WAS PLACED ON THEIR TABLE.

The pizza has eight slices.
There four of us... ..eight divided
my four by four means EACH OF US GETS
TWO SLICES!

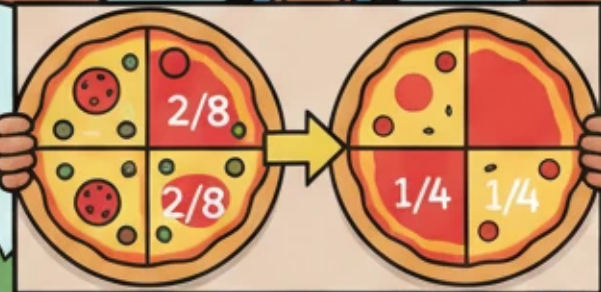

has eight slices, each
single slice is one-
eighth of the
pizza.

slices, that means we
each get two-eighths of
the whole pizza!

AND GUESS WHAT?
TWO-EIGHTHS CAN BE
SIMPLIFIED! IT'S THE
SAME AS ONE-FOURTH!

See? Two-eighths!
And also...
ONE-FOURTH!

Mmm! Two
yummy slices each!

 Math is
delicious!

They help us make sure everything is fair!

Yes! Fractions help divide things equally, whether it's pizza, cake, or anything else we share!
