

光之奇迹：奥特曼与三体文明的终极对决

Mu Ryan

**A shadow from beyond the stars.
The alien fleet approaches.
Humanity's fate hangs
by a thread.**

AT THE CRITICAL MOMENT, A DAZZLING RED AND BLUE LIGHT PIERCED THE DARKNESS. ULTRAMAN ZERO TRAVELED FROM THE LAND OF LIGHT AND LANDED STEADILY ON THE MOON'S SURFACE.

HIS TALL AND HEROIC FORM RADIATED SACRED POWER, HIS EYES SHINING LIKE STARS. HE FACED THE UNKNOWN ENEMY, TAKING A BATTLE STANCE AND IGNITING THE LAST HOPE FOR HUMANITY.

A full-page illustration of Ultraman Zero in a dynamic pose, blocking a massive, glowing orange and red energy probe with a large, translucent blue shield. The scene is set in space, with a galaxy and asteroids visible in the background. The Ultraman Zero character is shown in his signature red, white, and blue suit with gold armor. The probe is a large, metallic, cylindrical object with a bright orange glow at its tip, emitting sparks and energy. The shield is a large, circular, blue energy barrier with a cracked, crystalline texture. The background is a deep blue space filled with stars, a spiral galaxy, and several asteroids.

Zero's shield
blocks the
impossible turn
of the Three-Body
droplet probe

Zero closed his eyes,
sensing the energy flow
to shatter the Trisolaran illusion
with a **precise strike.**

THE TRISOLARAN FLEET
UNLEASHES A FULL-POWER
GRAVITATIONAL
WAVE STRIKE!

DENSE, DEVASTATING ENERGY
BEAMS FILL THE VOID,
MEANT TO ERASE THEIR FOE!

IN THE FACE OF TOTAL ANNIHILATION,
THE LIGHT OF A WARRIOR REFUSES TO FADE!

ULTRAMAN ZERO!
I SHALL BREAK
THROUGH THIS STORM
AND PROTECT
EVERY LIFE!
STRONG CORONA!

ENGULFED IN THE FLAMES OF A STAR,
ZERO CHARGES FORWARD!
NOT TO ESCAPE... BUT TO SHATTER THE DARKNESS!

SCENE 6 OF 10

The battle reaches its climax!
Zero blazes through the stars,
his Head Darts slicing through
the Trisolarian mothership's
energy shield!

Every strike carries
the unwavering belief
to protect Earth!

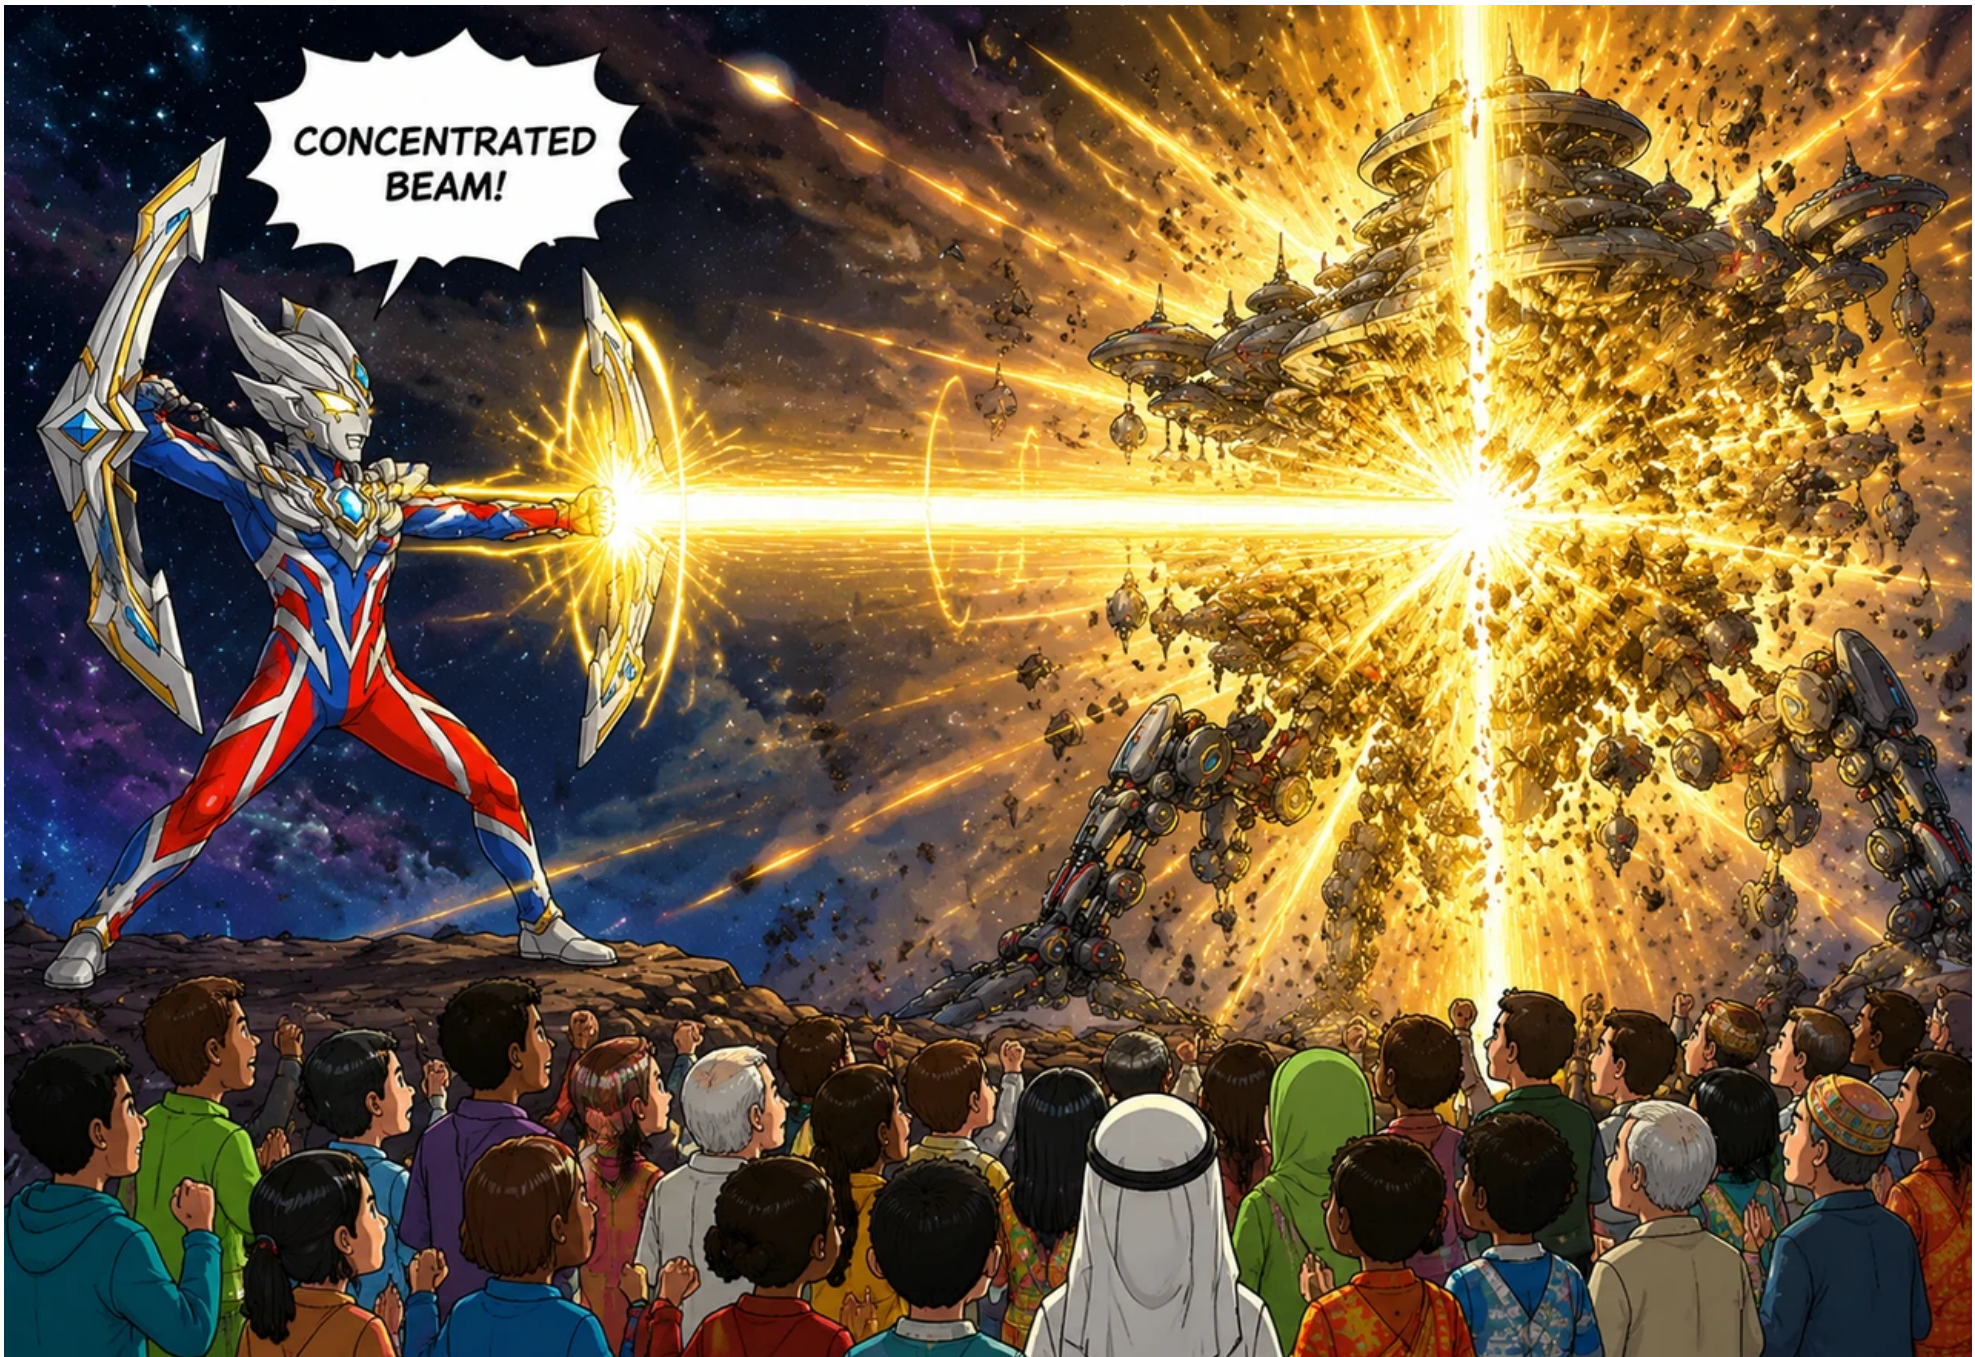

INITIATING THE
ULTIMATE WEAPON!
COLLAPSE SPACE AND
DESTROY THE ENTIRE
SOLAR SYSTEM!

AT THIS CRITICAL MOMENT, ZERO
FEELS THE POWER OF PRAYERS
FROM MILLIONS OF PEOPLE ON
EARTH. THESE FAINT LIGHTS
ACROSS TIME AND SPACE GATHER
INTO AN OCEAN, POURING INTO
HIS COLOR TIMER.

**CONCENTRATED
BEAM!**

The smoke has cleared,
Earth is reborn.
The warm sunrise rises
from the horizon.

Ultraman Zero waves
goodbye from the clouds,
then turns into a bright
shooting star and flies
deep into the starry sky.

He leaves behind an eternal
legend of protection,
reminding humanity that
the power of light
lives on in every heart.
