

An illustration of two figures in a desert landscape. On the left, a warrior (Khalid bin al-Walid) stands facing forward, wearing a blue and white tunic with a black chest plate, a white shawl, and a blue headband. He has a beard and is holding a sword. On the right, a prophet (likely Muhammad) stands in profile, facing left, wearing a blue robe and a white shawl, with a halo around his head. He holds a wooden staff. The background shows rolling sand dunes under a warm, orange sky.
