

El Maravilloso Mundo de las Ruedas

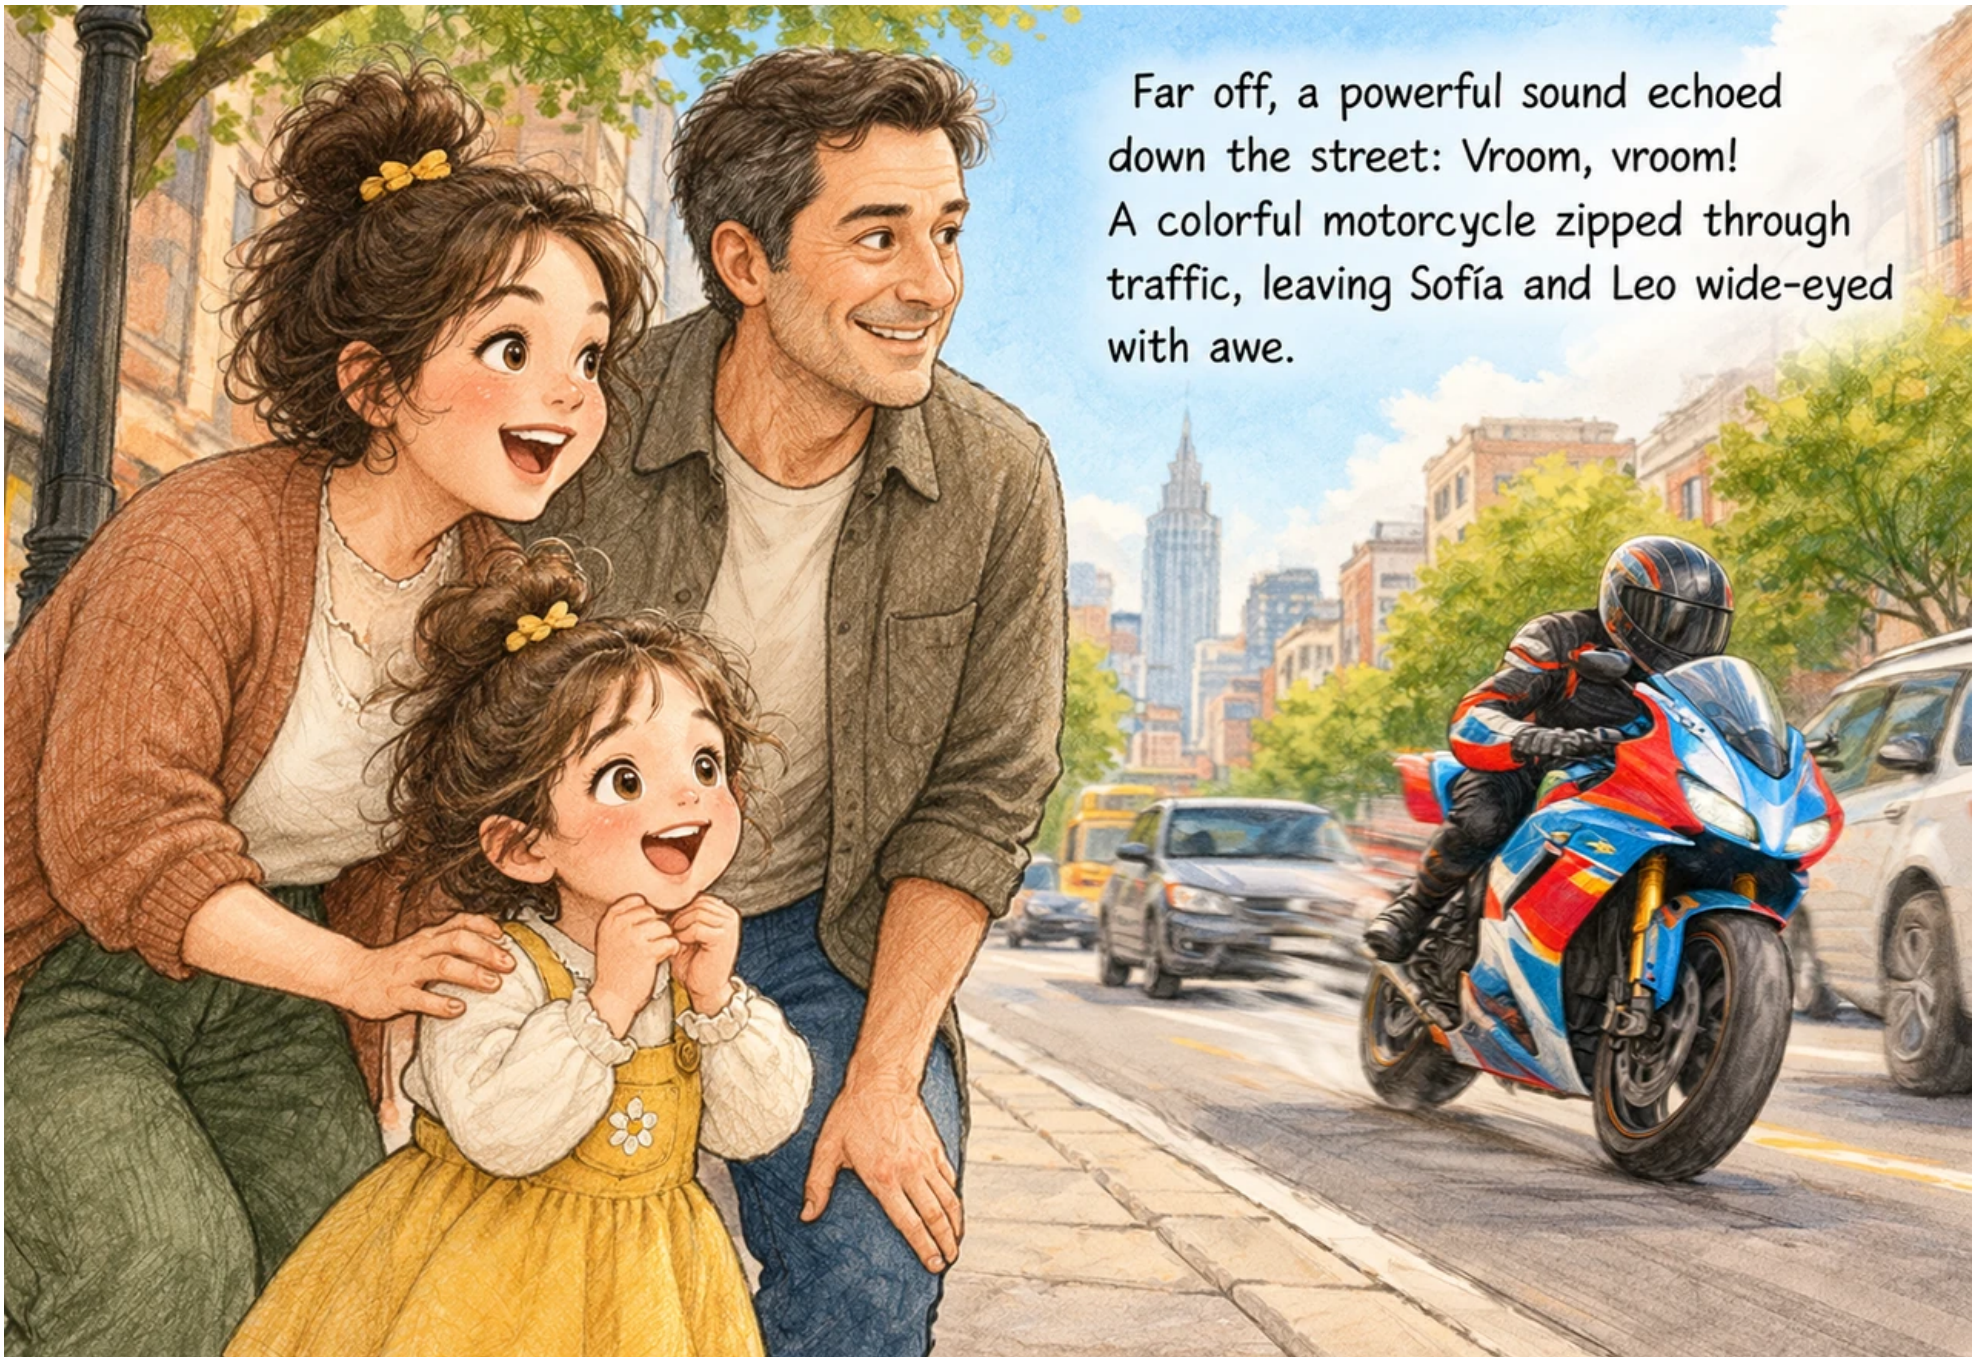

VANESSA BURITICA MARTINEZ

Once upon a time, a cheerful family—
Dad, Mom, curious Sofía, and little Leo—
went on a sunny walk through the city
to discover the wonderful world of wheels!

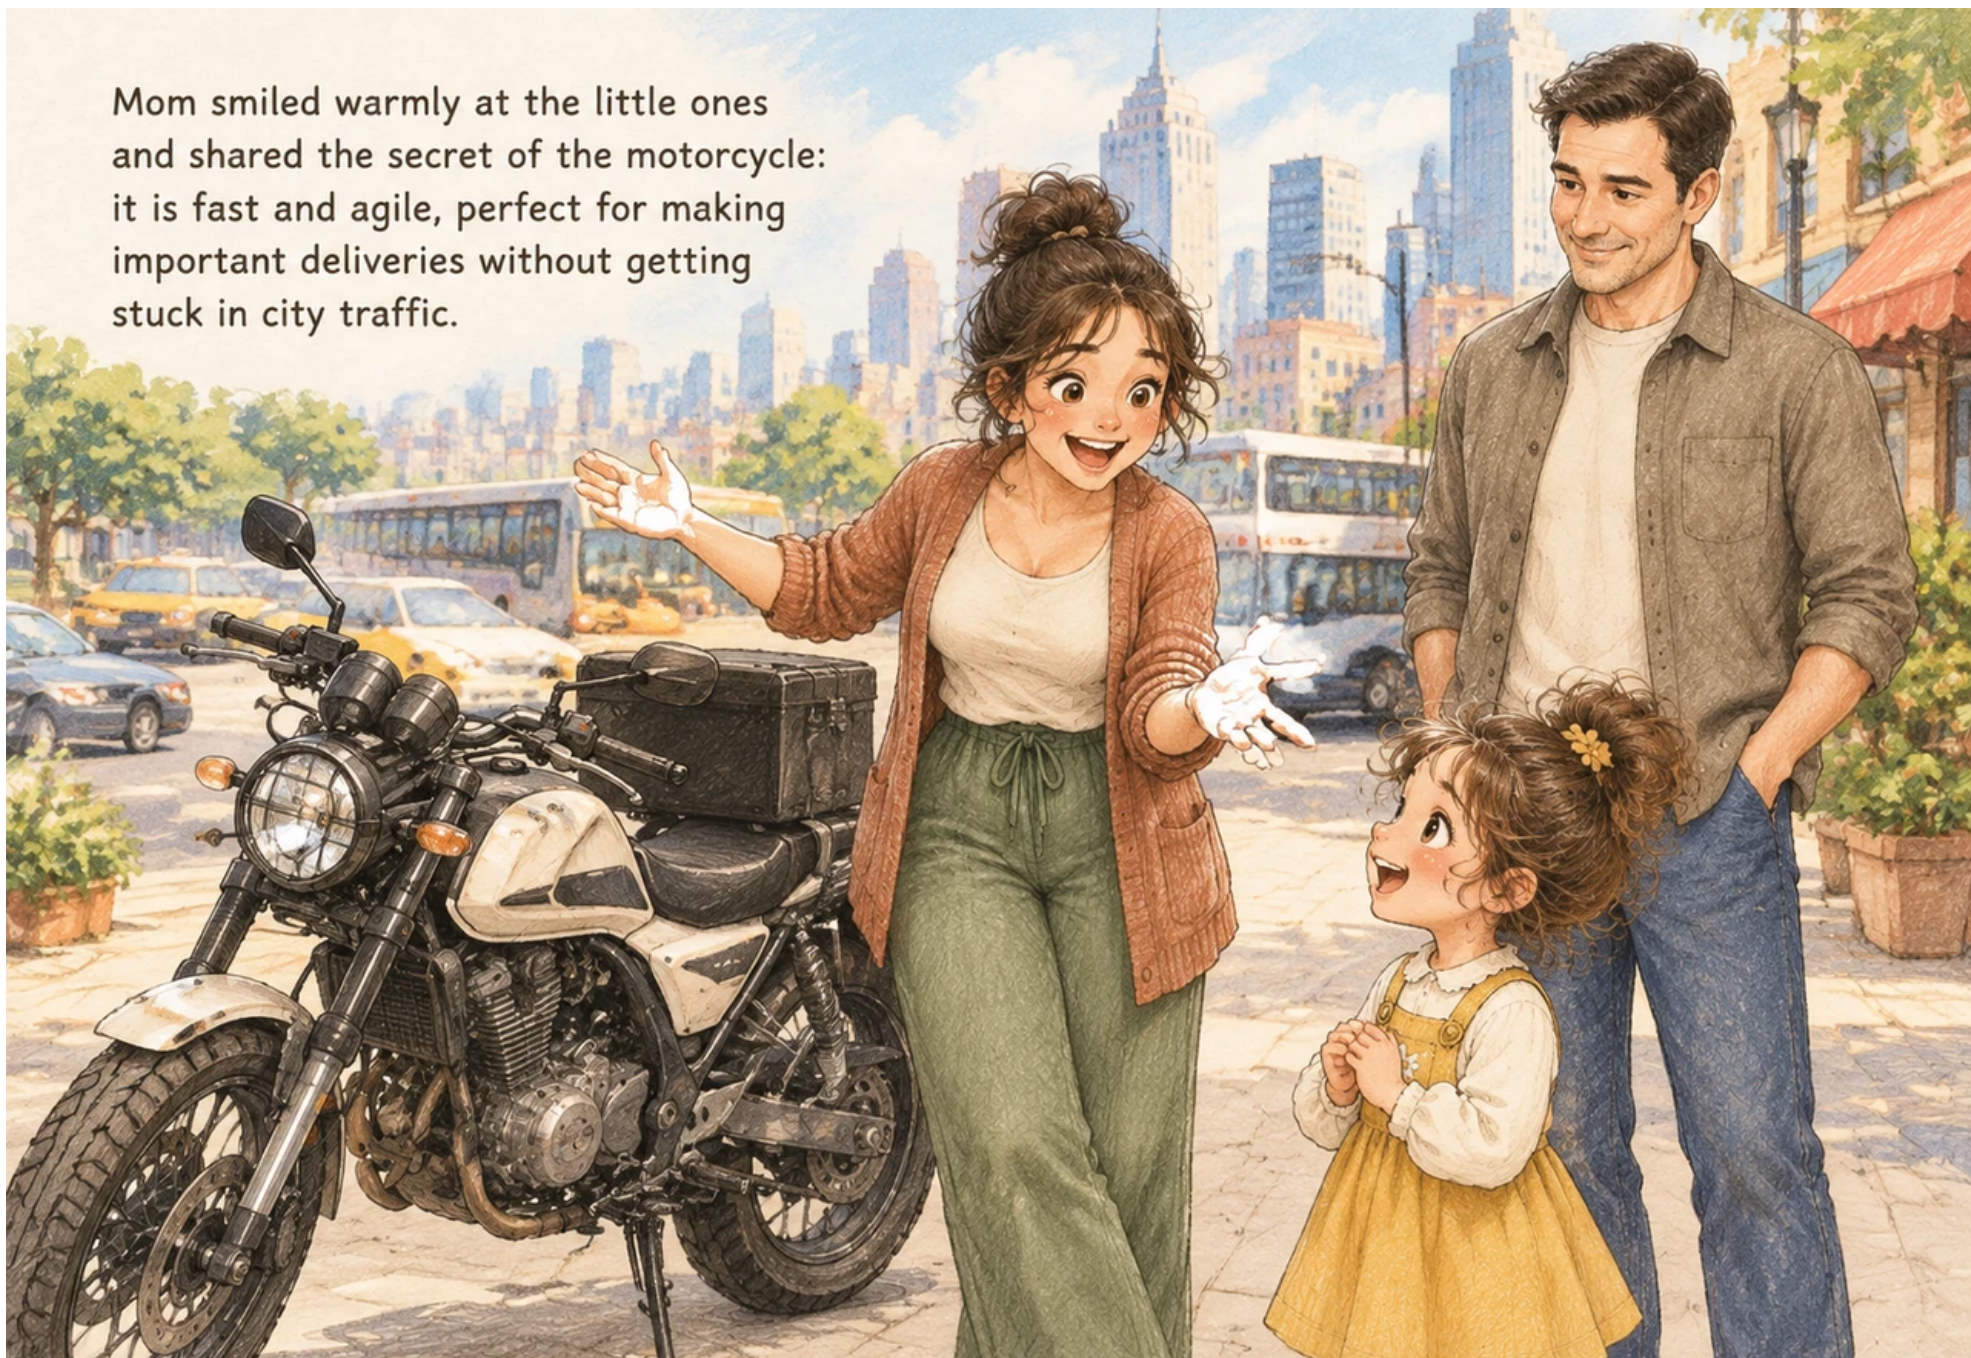

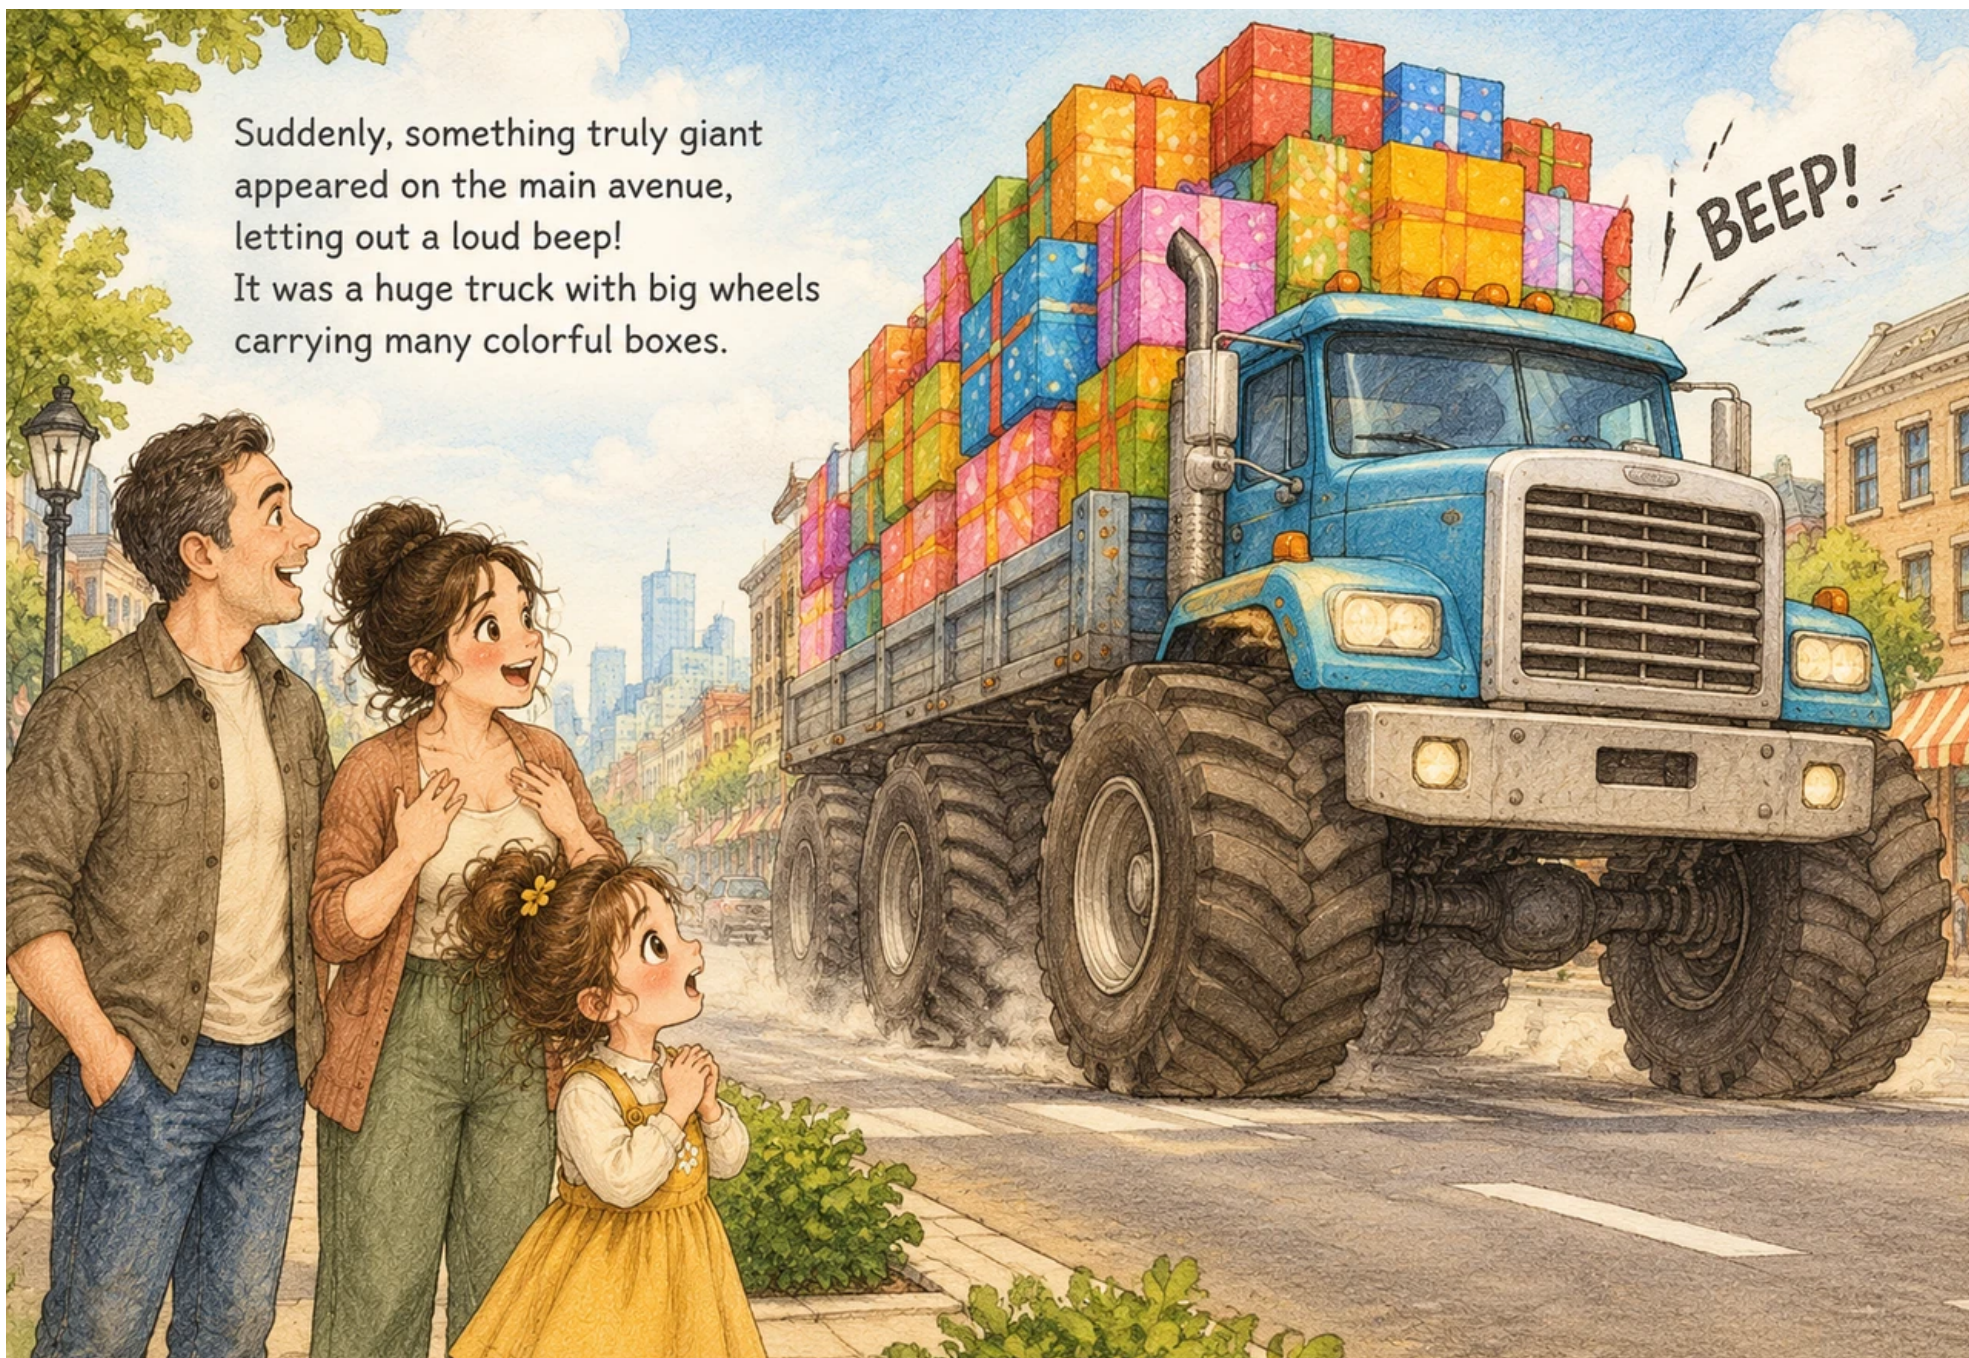

Far off, a powerful sound echoed
down the street: Vroom, vroom!
A colorful motorcycle zipped through
traffic, leaving Sofía and Leo wide-eyed
with awe.

Mom smiled warmly at the little ones
and shared the secret of the motorcycle:
it is fast and agile, perfect for making
important deliveries without getting
stuck in city traffic.

Suddenly, something truly giant
appeared on the main avenue,
letting out a loud beep!
It was a huge truck with big wheels
carrying many colorful boxes.

“Wow! The truck is
super strong!”
exclaimed Leo with enthusiasm.

“That’s right,” added Dad
with pride, explaining that thanks
to trucks, food and toys reach
stores all across the city.

An illustration of a family—a man, a woman, and a young girl—standing on a path in a lush green park. The man is on the left, wearing a brown jacket over a white shirt and blue jeans. The woman is in the middle, wearing a brown cardigan over a white top and green pants. The young girl is on the right, wearing a yellow dress with a white flower on the pocket, pointing her finger towards a boy riding a bicycle in the distance. The boy is wearing a cap, a white shirt, green pants, and a backpack, riding a blue bicycle with a basket of white flowers on the front. The background features a winding path, a body of water, and a city skyline in the distance under a blue sky with clouds. The scene is bright and sunny, with many green trees and colorful flowers in the foreground.

Arriving at the green park, they heard
a cheerful jingle: Ring, ring! Someone was
happily pedaling along the path as the wheels
of a beautiful bicycle spun smoothly under the sun.

Ring, ring!

Mom taught Sofía and Leo how wonderful pedaling is,
explaining that riding a bicycle is great for exercise, outdoor fun,
and caring for our planet.

At the end of the day,
a big shiny school bus arrived
to take many friends together!

Honk!
Honk!

With hearts full of happiness and learning,
Sofia and Leo hugged Mom and Dad tightly,
celebrating how incredible, fun, and fascinating
the world of transportation is as they watched
the sunset.
