Little Caleb opens a magical Bible and finds the letter A for Ark, where animals walk two by two into a big wooden boat while rain clouds begin to gather.

He turns the page to B and sees a Burning Bush that glows with bright orange light but never burns up, just like the one Moses saw in the desert.

Next is C for Creation, where Caleb gazes up at the sun, moon, and twinkling stars appearing in the beautiful night sky for the very first time.

D is for Daniel, and Caleb peeks into a deep stone cave to see a brave man sitting peacefully with friendly-looking lions that are acting like big kittens.

Moving to F, Caleb spots a giant Fish leaping out of the blue water, reminding him of Jonah's amazing adventure and his big splash into the sea.

G is for Goliath, where Caleb watches a young boy named David stand tall and hold a small stone with great courage against a giant warrior.

L is for Lamb, and Caleb smiles as he pets a fluffy white sheep resting safely in a peaceful, sunny meadow filled with colorful wildflowers.

M is for Manger, and Caleb finds a cozy wooden stable where a special baby sleeps peacefully on soft hay under a very bright, guiding star.

S is for Shepherd, where Caleb joins a kind man wearing a simple robe who is looking after his flock of sheep on a rolling green hill.

Finally, Caleb reaches Z for Zion, a beautiful golden city with shining gates where everyone is happy and the journey of faith and learning continues.
