

Chhoti Sitara Jo Seekh Gayi Share Karna

tanishka negi

Ek khoobsurat raat mein, aasmaan mein hazaron tare chamak rahe the. Un sab mein se, ek chhoti si sitara thi jiska naam Twinkle tha, aur woh sabse zyada bright chamakne ki koshish kar rahi thi. Woh khushi se jhilmila rahi thi, soch rahi thi ki agar woh sabse tez chamkegi toh sab ussi ko dekhenge. Uska chehra garv aur masti se chamak raha tha.

Twinkle apni roshni mein doobi hui thi, ekdum akeli aur apni chamak mein magan. Uska glow itna tez tha ki aas-paas ke chhote tare thode feeke lag rahe the. Twinkle ko lagta tha ki yeh uski sabse badi jeet hai, sabse roshan hona.

Achanak, ek bahut hi chhoti jugnu, jiska naam Flick tha, wahan aa pahuncha. Woh bahut dara hua aur kho gaya hua lag raha tha, uski apni roshni bahut kam thi. Flick apni choti-choti aankhon se charon taraf ghabrahat se dekh raha tha, andhere mein apna raasta dhoondhte hue.

Flick, himmat karke Twinkle ke paas aaya, uska sharir thoda kaanp raha tha. Usne Twinkle ki taraf dekha aur dheere se kaha, "Twinkle, please mera raasta light kar do na? Main kho gaya hoon." Twinkle uski taraf dekhti rahi, abhi bhi apni poori chamak mein, uski baat sunte hue.

Twinkle ne Flick ki baat suni aur thodi der ke liye soch mein pad gayi. Uske mann mein shuru mein thodi jhijhak aayi, uski chamak halki si kam ho gayi. Woh soch rahi thi ki kya use apni roshni baantni chahiye ya nahi, ya phir apni chamak akeli rakhni chahiye.

Upar aasmaan mein, ek shaant aur samajhdaar chand, Luna, yeh sab dekh rahi thi. Uski roshni narm aur pyaar bhari thi, aur uske chehre par ek hansi thi jo sab kuch jaanti thi. Luna ne dheere se Twinkle ki taraf dekha, uski aankhon mein gyan ki chamak thi, bina kuch kahe hi.

Luna ne Twinkle ko samjhaya, "Twinkle, light tabhi awesome lagti hai jab share ki jaaye. Dusron ki help karne se tum kam nahi chamakti — actually, tum aur zyada glow kar jaati ho." Uski awaaz bahut hi meethi aur sukoon dene wali thi. Twinkle ne dhyan se suna, uske chehre par soch ke bhaav the.

Luna ki baatein sunkar, Twinkle ki aankhon mein chamak aa gayi. Use samajh aa gaya! Uske chehre par ek badi, khushi bhari muskaan aa gayi, aur usne apni roshni ko aur bhi tez karna shuru kar diya. Ek chamakdar roshni ka rasta banne laga, jo Flick ko dikhaane ke liye tha.

Twinkle ne apni poori roshni se Flick ke liye ek chamakdar raasta banaya. Flick khushi se us roshni mein udne laga, uska dar gayab ho gaya aur chehra khil utha. Usne Twinkle ko dhanyavaad karte hue kaha, "Thanks, Twinkle! Tum real superstar ho!"

Us raat ke baad, Twinkle aur Flick bahut acche dost ban gaye. Twinkle ne samajh liya ki apni roshni share karna aur dusron ki madad karna hi asli chamak hai. Dono dost khushi se chamak rahe the, aur aasmaan mein sab tare bhi unki dosti par jhilmila rahe the.
