

The background of the slide is a vibrant, cartoon-style illustration of a sunny day in a park. On the left, a young girl with brown hair in pigtails, wearing a purple shirt with a white flower and pink pants, is sitting in a black wheelchair. On the right, the same girl is shown from the waist down, wearing pink pants and purple shoes, using a blue four-wheeled walker. The scene is set on a winding path with green grass, colorful flowers, and a wooden fence. In the distance, a city skyline is visible under a bright sun with rays and a few birds flying in the sky.

El gran poder de Angélica

Lizeth Villalobos balderrama

Once upon a time, a little girl named Angélica possessed a truly extraordinary power: a smile so bright and warm that it lit up everything around her.

Let me try,
I can do it too!

Angélica loves exploring
new places. Her wheelchair
is her trusted companion,
helping her go further,
see more and enjoy
every adventure!

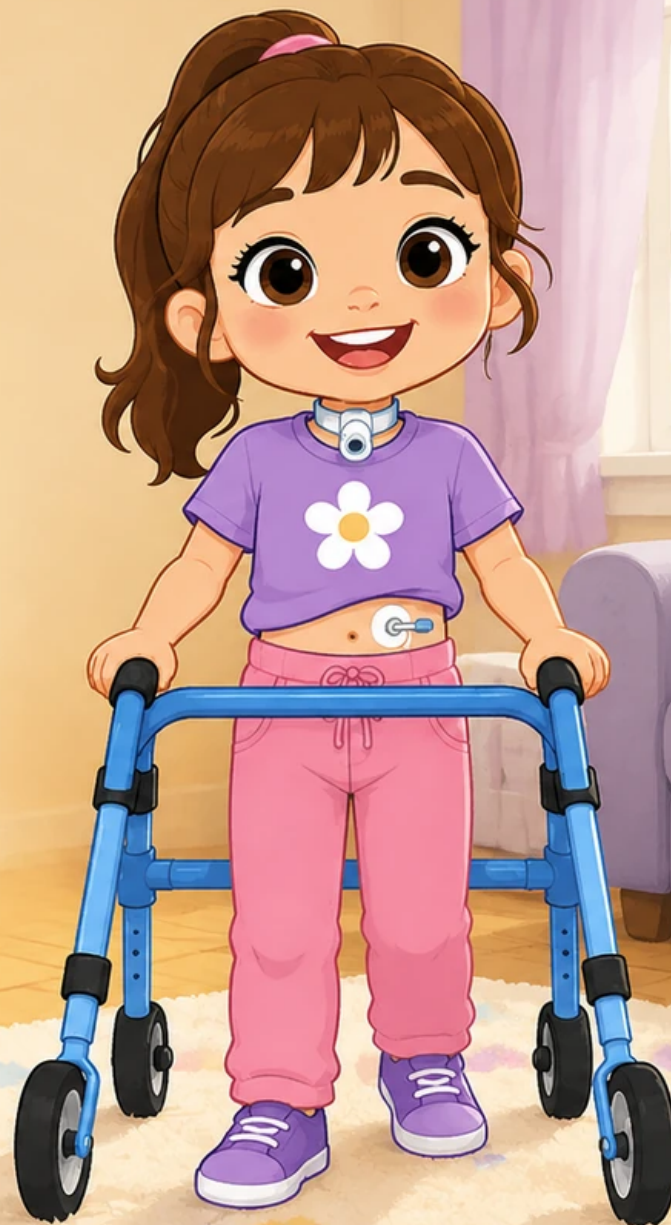

From a very young age,
Angélica faced major medical
challenges with admirable courage.
Surrounded by her family's love,
her tireless spirit and giant heart
kept her strong.

Today an extraordinary
adventure has begun!

Holding a special walker
firmly with her hands,
Angélica is taking her
first steps.

Every small step forward
represents a giant
achievement driven by
her desire to explore
and become independent.

Step by step,
the little explorer feels
the joy of choosing
her own path.

Now Angélica has two valuable allies for her great adventures: her faithful wheelchair and her new walker. Both tools allow her to move, play, and participate in different ways, showing her that every path forward is equally valid.

Angélica dreams of
exploring amazing places,
learning new things,
and living unforgettable
adventures.

Accompanied at every step, the adults learn a valuable lesson about patience and love. Achievements are not measured by speed, but by the joy of giving opportunities to try. Every effort of Angélica is celebrated with hugs and proud smiles.

This story does not end here,
but begins its most beautiful
chapter of dreams and infinite
opportunities. Angélica walks
firmly toward a future full of light.
