

The Laha Family and the Portal of Inventions

Pabitra Laha

CHAPTER 1 - THE WHISPERING RIVERBANK

Chapter 2 - The Realm of Floating Wonders.
Stepping through the portal, Debdas and Pabitra entered a breathtaking world where creative thoughts instantly turned into real inventions.

Chapter 3

The Spark of Shared Imagination

Realizing the magical realm responded to teamwork, Debdas sketched a grand flying invention while Pabitra carefully assembled colorful gears and glowing lanterns.

Working together with enthusiasm, they built a spectacular star-powered vehicle designed to carry their parents on adventures.

Their creation sparkled brightly, opening a wide bridge back to bring the rest of the Laha family across.
