**HAPPY 4TH
OF JULY!**

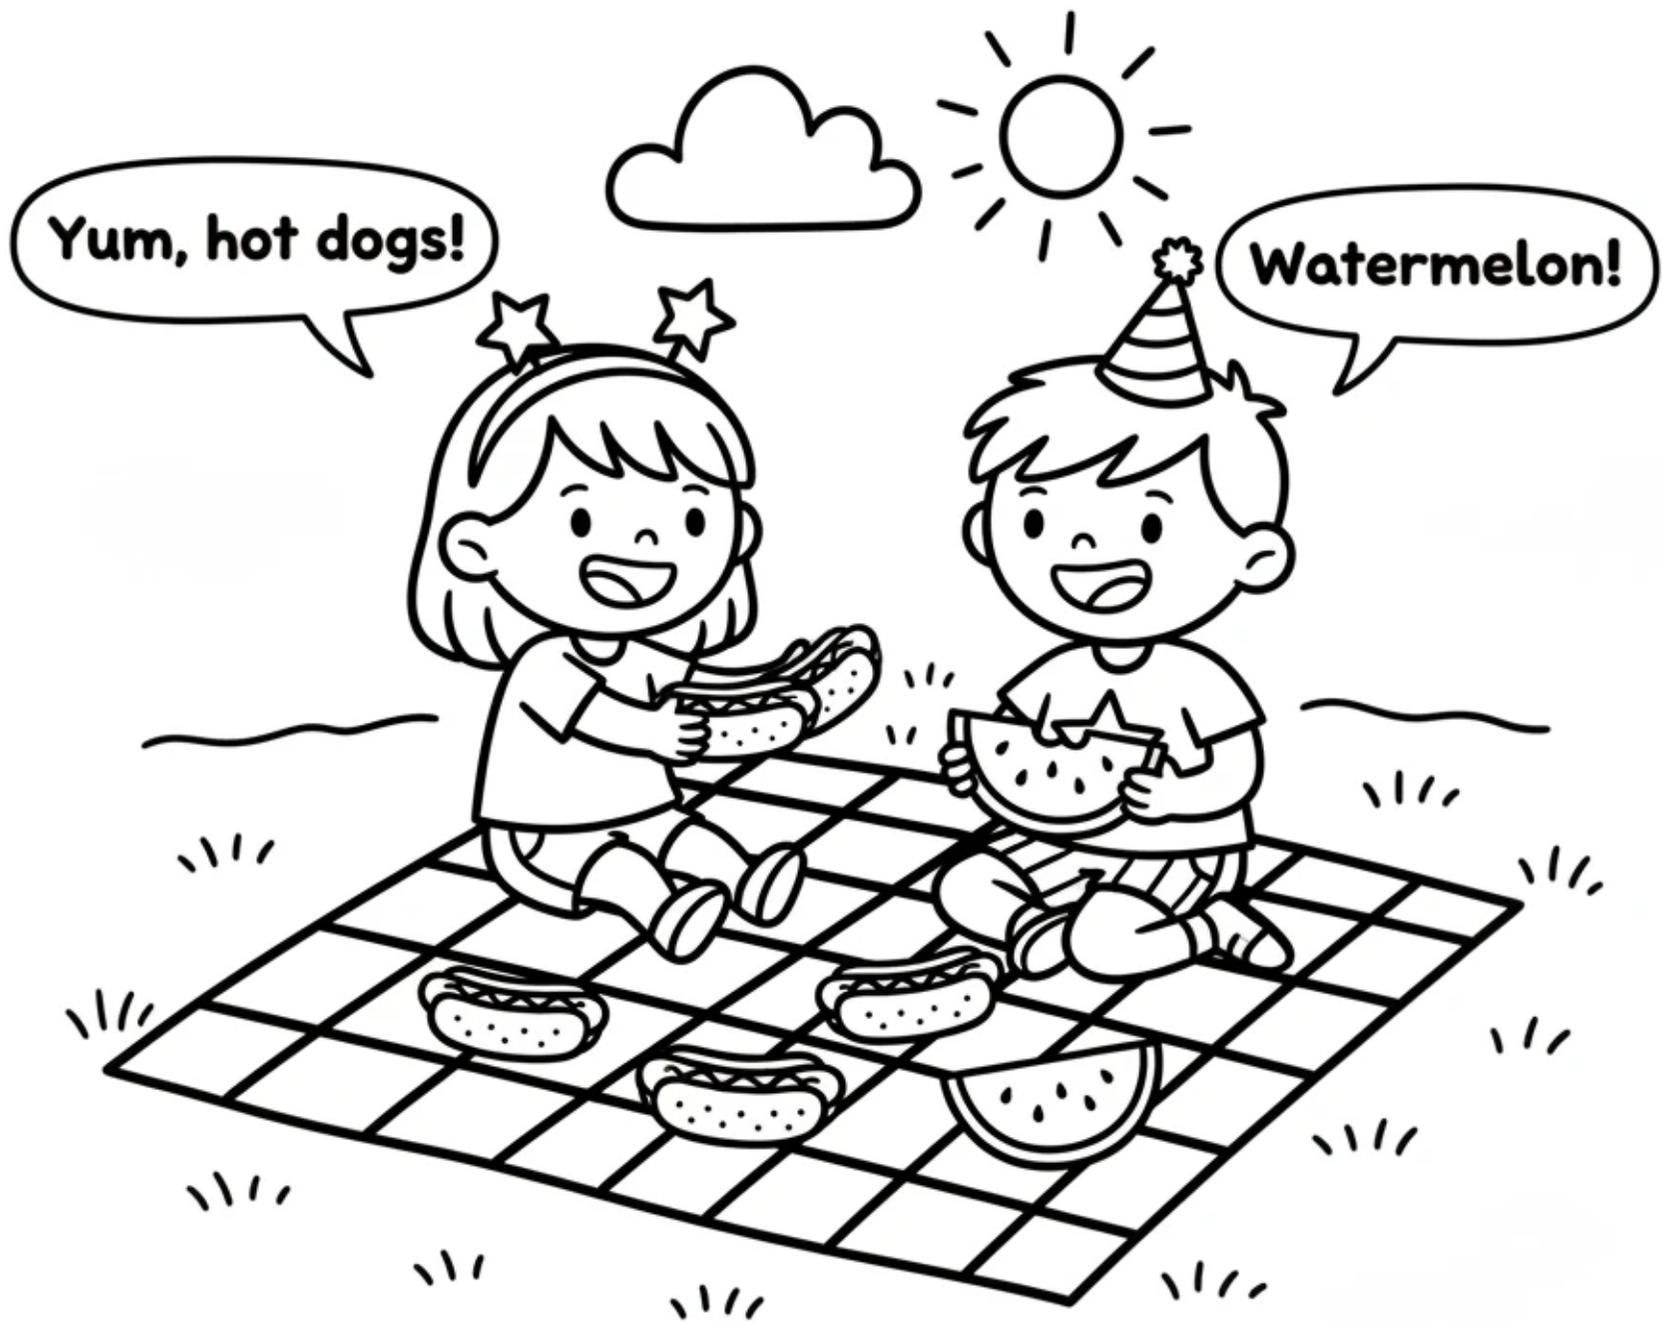

SCENE 2: TIME TO DECORATE!

Lily helped Dad hang streamers. The house looked festive!

Next came the picnic!

Laughter under the sun!

**WAITING
FOR NIGHT!**

Finally, it was dark enough!
The sky was a vast, inky canvas,
ready for magic.

WHOOSH! GOLDEN SPARKS!

MORE AND MORE FIREWORKS LIT UP THE NIGHT!

EACH ONE WAS A SPECTACULAR SURPRISE!

Lily felt happy and just a little bit sleepy.

Back in her cozy bed, Lily closed her eyes. She dreamed of colorful explosions and happy memories, looking forward to next year.
