# Magical Fruit Forest

Little Le walked into a magical fruit forest. The air was filled with sweet fragrance. There were red apples, yellow bananas, purple grapes, sweet and sour oranges, and crisp pears.

Next, Xiao Le came to the vibrant vegetable garden. All kinds of vegetables were growing strong under the sunshine.

Morning sunlight filled the Breakfast Town. Xiaole tasted soft bao zi, warm xi fan, rich dou jiang, golden you tiao, and nutritious ji dan.

A perfect breakfast gave him energy for a great day!

Lunch time! The delicious Chinese food on the table makes Xiao Le mouth water.

He loves fragrant rice, long noodles, dumplings with thin skin and big fillings, spicy and tasty Mapo Tofu, and crispy roasted duck.
