The Journey Begins

A bright cover page shows Sammy the Squirrel wearing a tiny blue scarf, proudly holding a giant golden acorn beneath a magnificent oak tree with colorful autumn leaves.

Sammy wakes up in his cozy tree house filled with soft green moss and tiny wooden furniture, stretching his arms as the morning sun peeks through the round window.

While exploring the forest floor, Sammy discovers a magnificent, shiny golden acorn sitting perfectly on a flat grey stone near a bubbling, crystal-clear brook.

Sammy tries to lift the heavy nut, but it slips from his tiny paws and rolls quickly down a grassy hill toward the deep green bushes and tangled vines.

At the bottom of the hill, Sammy meets Rosie the Rabbit, a fluffy white bunny with long ears who is curiously sniffing the golden acorn with her pink nose.

Sammy and Rosie decide to work together, pushing the heavy acorn through a field of tall purple wildflowers and dancing yellow butterflies.

They reach a sunny clearing where a small blue bird is resting on the acorn, chirping a happy song that makes the whole forest feel magical and bright.

Sammy smiles and realizes he does not need to hide the acorn away, so he invites Rosie and the bird to sit together for a wonderful forest picnic.

The new friends spend the afternoon playing hide-and-peek among the giant mushrooms and splashing their paws in the cool, refreshing water of the stream.

As the sun sets in shades of orange and pink, Sammy heads home to his tree hollow feeling happy, knowing that a shared adventure is the best gift of all.
