they can swim so well.

I am a horse.  
I can run!

I like horses!  
One horse, two horses...  
they can run so fast.

Look! The monkeys  
are swinging and  
chattering so loud!

I like monkeys!  
One monkey, two monkeys...  
they can jump so high.

Scene 8 of 10

High in the bright blue sky, colorful birds soar through the clouds. Barnaby watches them dip and dive, amazed that birds can fly so gracefully over the trees.

I don't  
like spiders!

Me neither!  
I don't like  
them either.

Barnaby looks at all his new friends gathered around him and feels a warm glow of happiness. He realizes he loves his new forest home and they all live together in peace and joy.
