# Pip saw something special...

A GLOWING  
PEBBLE

Pip carefully nudged the glowing pebble with his paw. Suddenly, a tiny spark danced into the air, swirling around his nose. Magic was real, and it was right here!

**POOF! A FLOWER  
FOR ME!**

Further on, Pip spotted a small bird perched sadly on a branch. Its chirping looked, and its soft unhappy song. Pip knew he had to help his new friend.

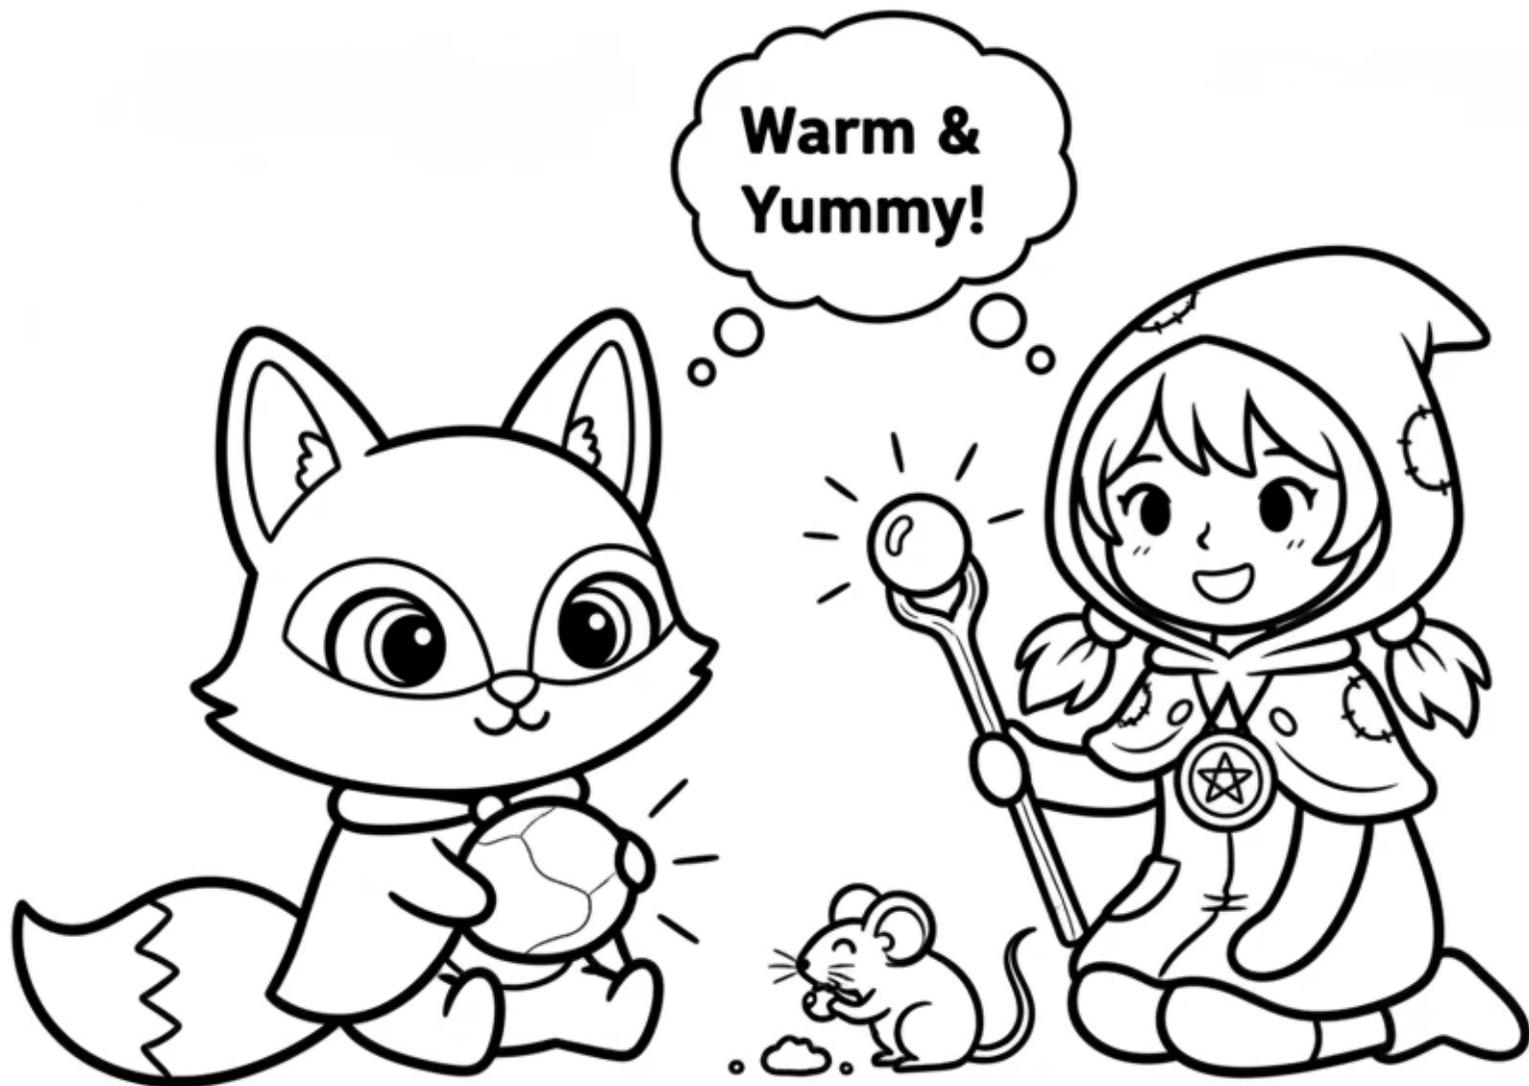

Pip's touch healed the bird's wing!

Pip did a playful twirl,  
and a rainbow appeared!

**Pip shared his glowing pebble...**

**WOW!  
SO  
BRIGHT!**

**Tucked back in his den, Pip  
snuggled down for sleep.**

**He knew tomorrow would bring  
more wonderful adventures.**
