VICTORIA

CHARLOTTE

CHLOÉ

Victoria is in her bedroom, wearing her favorite black sweater with a striped cat and her squiggly earrings. She has long brown hair and bright blue eyes, and she is listening closely to a strange tapping sound coming from the basement.

Victoria walks down to the basement and finds a large, messy pile of colorful cushions on the floor. She wonders why they are all bunched up in the corner of the room.

She moves the heavy cushions aside and is surprised to find a tiny wooden door hidden in the wall. She touches her heart-shaped BFF necklace and wonders where the door leads.

Victoria & Chloé

The doorbell rings, and Victoria's best friends, Charlotte and Chloe, arrive to play. Charlotte wears blue glasses and a pink dress, while Chloe wears purple glasses and a blue sweater, and they both wear their matching BFF necklaces.

The three friends go down to the basement together and pull the tiny door open. They see a very long, dark corridor stretching out into the distance.

Victoria, Charlotte, and Chloe walk bravely through the long, dark tunnel. Their footsteps echo as they wonder what they will find at the end of the hall.

VICTORIA & CHARLOTTE

They reach another door and open it to find a small, cozy kitchen. A delicious pizza dinner is sitting on the table, smelling wonderful and ready to be eaten.

After enjoying their pizza, the girls continue down the corridor and face many fun obstacles. They laugh as they jump over boxes and crawl under low-hanging decorations in the hallway.

The Grand Discovery

They finally reach a glowing door that shines with bright purple and blue light. Inside the room, they find a mysterious wooden chest with a large, inviting button on top.

The three best friends place their hands together and press the big button at the same time. Suddenly, the room transforms into a magical space filled with cozy bean bags and colorful Nee-Doh toys.
