Summer Camp
— Welcome, campers! —

Summer Camp
Camp Bridge Plan
Strong Structure
Wide Path
Safe Crossing

Bridge Plan
1. Build supports
Add planks
Secure railings

"Our differences make us stronger!"
Camp
Together, we fit like puzzle pieces!

At the campsite workshop, the friends work together to build a grand bridge.
Mateo
Mateo leads the heavy lifting.
Leo
Leo focuses on structural balance.
Mei
Mei uses her artistic carving skills to fit interlocking pieces.
Together, they turn their ideas into a bridge of friendship!

UNITY
BRIDGE

Under the stars, Leo, Mei, and Mateo
found something even better than a great adventure—
each other.
