

Riya's Big Dream Studio

Sonika Pal

A cheerful Riya, a small girl with bright, curious eyes, sits at her school desk, happily drawing a vibrant picture of a fantastical building. Her teacher, a kind woman with a gentle smile, leans over to ask her about her future.

Riya beams, holding up her colorful drawing of a whimsical storefront with a bold 'My Business!' sign. With sparkling enthusiasm, she declares to her teacher and classmates that she wants to start her very own business when she grows up.

A ripple of giggles spreads through the classroom as some children point and whisper, openly doubting Riya's ambitious plan. Their laughter makes Riya's smile waver slightly, a tiny shadow crossing her otherwise bright face.

Later that day, Riya sits at her bedroom desk, a little disheartened but with a determined glint in her eyes. She opens a big, colorful book about business, ready to learn and prove everyone wrong.

Days turn into weeks as Riya diligently watches online videos, her face illuminated by the screen. She eagerly takes notes, absorbing every bit of information about art, creativity, and running a business.

Surrounded by paints, brushes, and sparkling glitter, Riya practices her creative skills with joyful concentration. Her hands move confidently, turning simple materials into beautiful, imaginative creations.

Five years fly by! A brightly painted storefront, adorned with a playful sign that reads 'Riya's Creative Studio - Grand Opening Soon!', stands ready. A slightly older Riya proudly adds the final, artistic touches to her dream shop.

RIYA'S CREATIVE STUDIO

The grand opening day arrives, filled with balloons and happy chatter. Riya stands beaming in front of her bustling 'Riya's Creative Studio,' which is now filled with colorful art, happy customers, and the sweet scent of success.

Walking past Riya's vibrant studio, a group of her former classmates, now young adults, stop in their tracks. Their eyes widen in astonishment as they recognize the successful entrepreneur Riya and the amazing business she built.

Riya, radiating confidence and kindness, smiles warmly at everyone. She shares her inspiring message: 'Don't listen to those who doubt you. Listen to the brave little voice of your own dreams, and believe in yourself!'
