

## Chad's Rich Lunch

Sue Little

Chad is a glad lad who sits on a big bench in the sun.

He opens his red lunch box to see what good food is inside.

Chad can chop a fresh chip with a quick and loud snap.

He takes a big bite of rich cheese that tastes so good.

A small chick runs up to the bench and looks at Chad.

The chick can chirp and hop on the thick green grass.

Chad likes to chat with his fun new bird friend in the yard.

He gives a bit of his rich lunch to the glad little chick.

The happy chick rubs its soft chin on Chad's warm hand.

Chad feels such joy and gives a big cheer for his lunch.
