

summer color pages

Mu Ryan

Sunny discovers a magical book!

Sunny gently opens the book to the very first page.

Sunny colors the ocean waves **BLUE!**

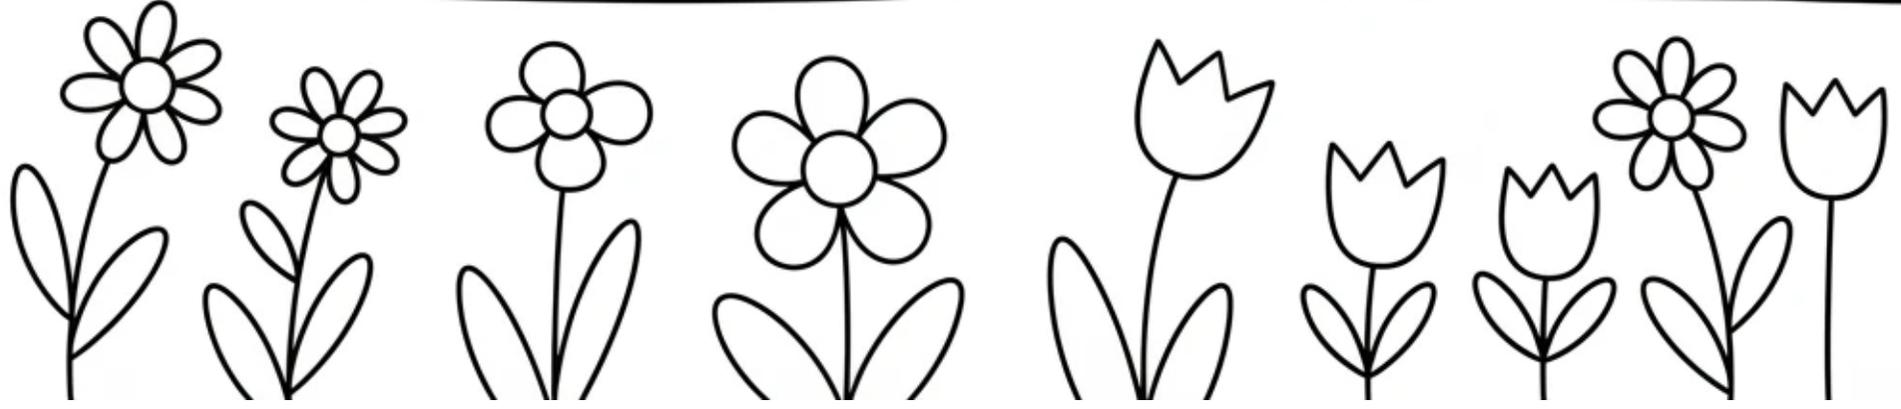

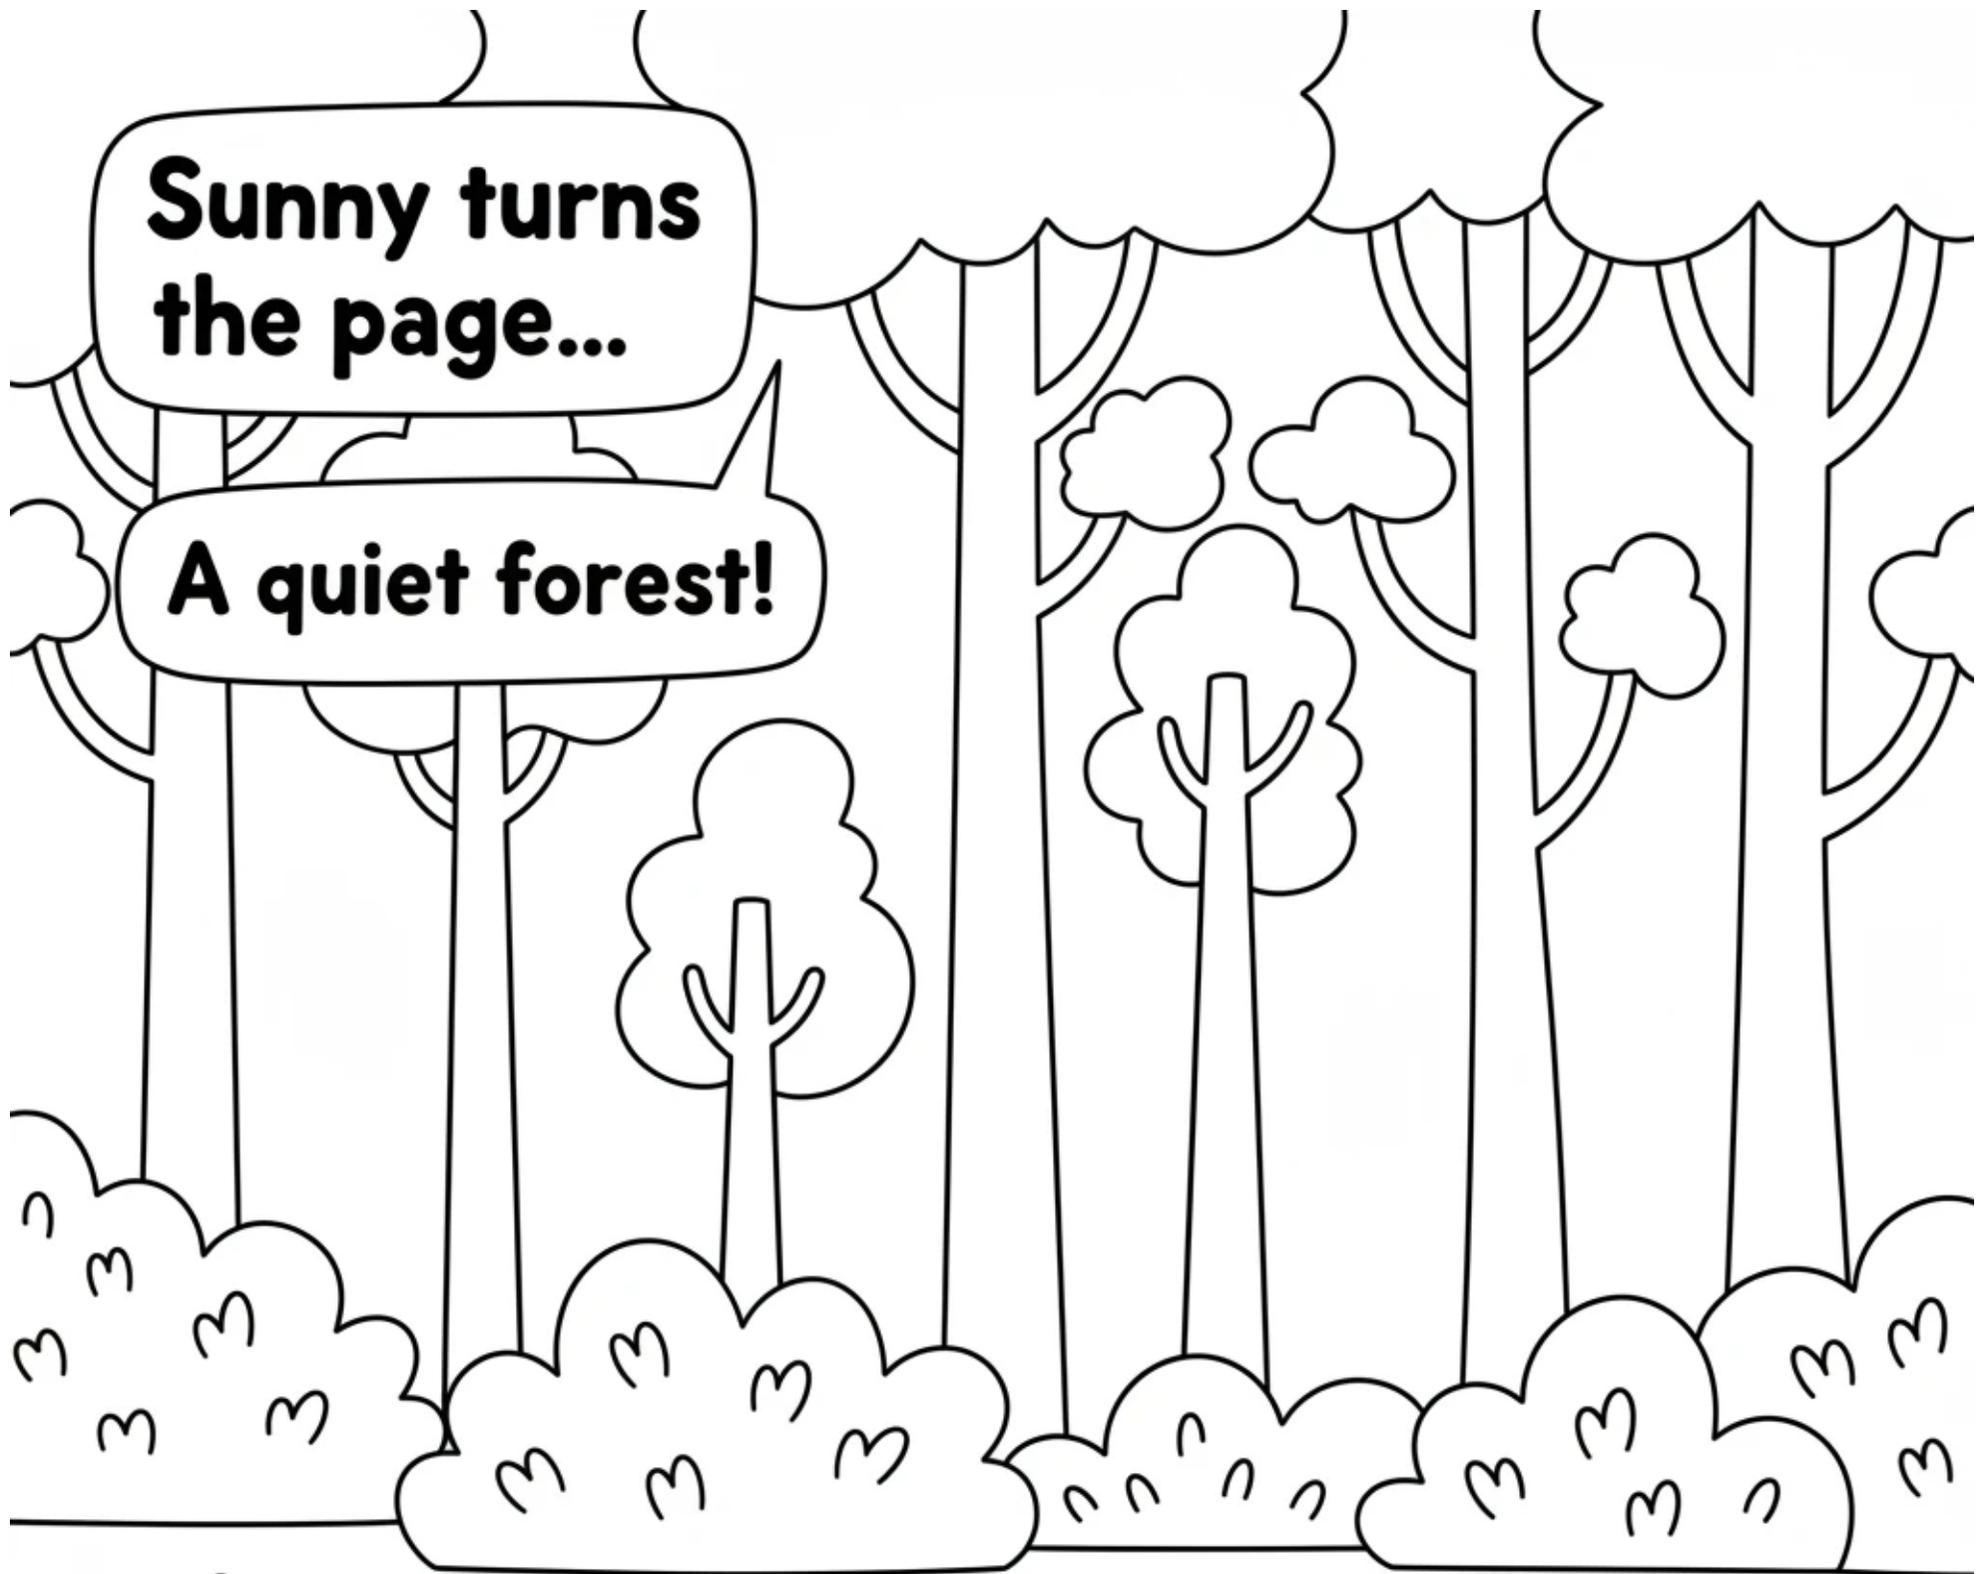

Next, Sunny “colored”
the sandy beach.

Yay! I’m
found!

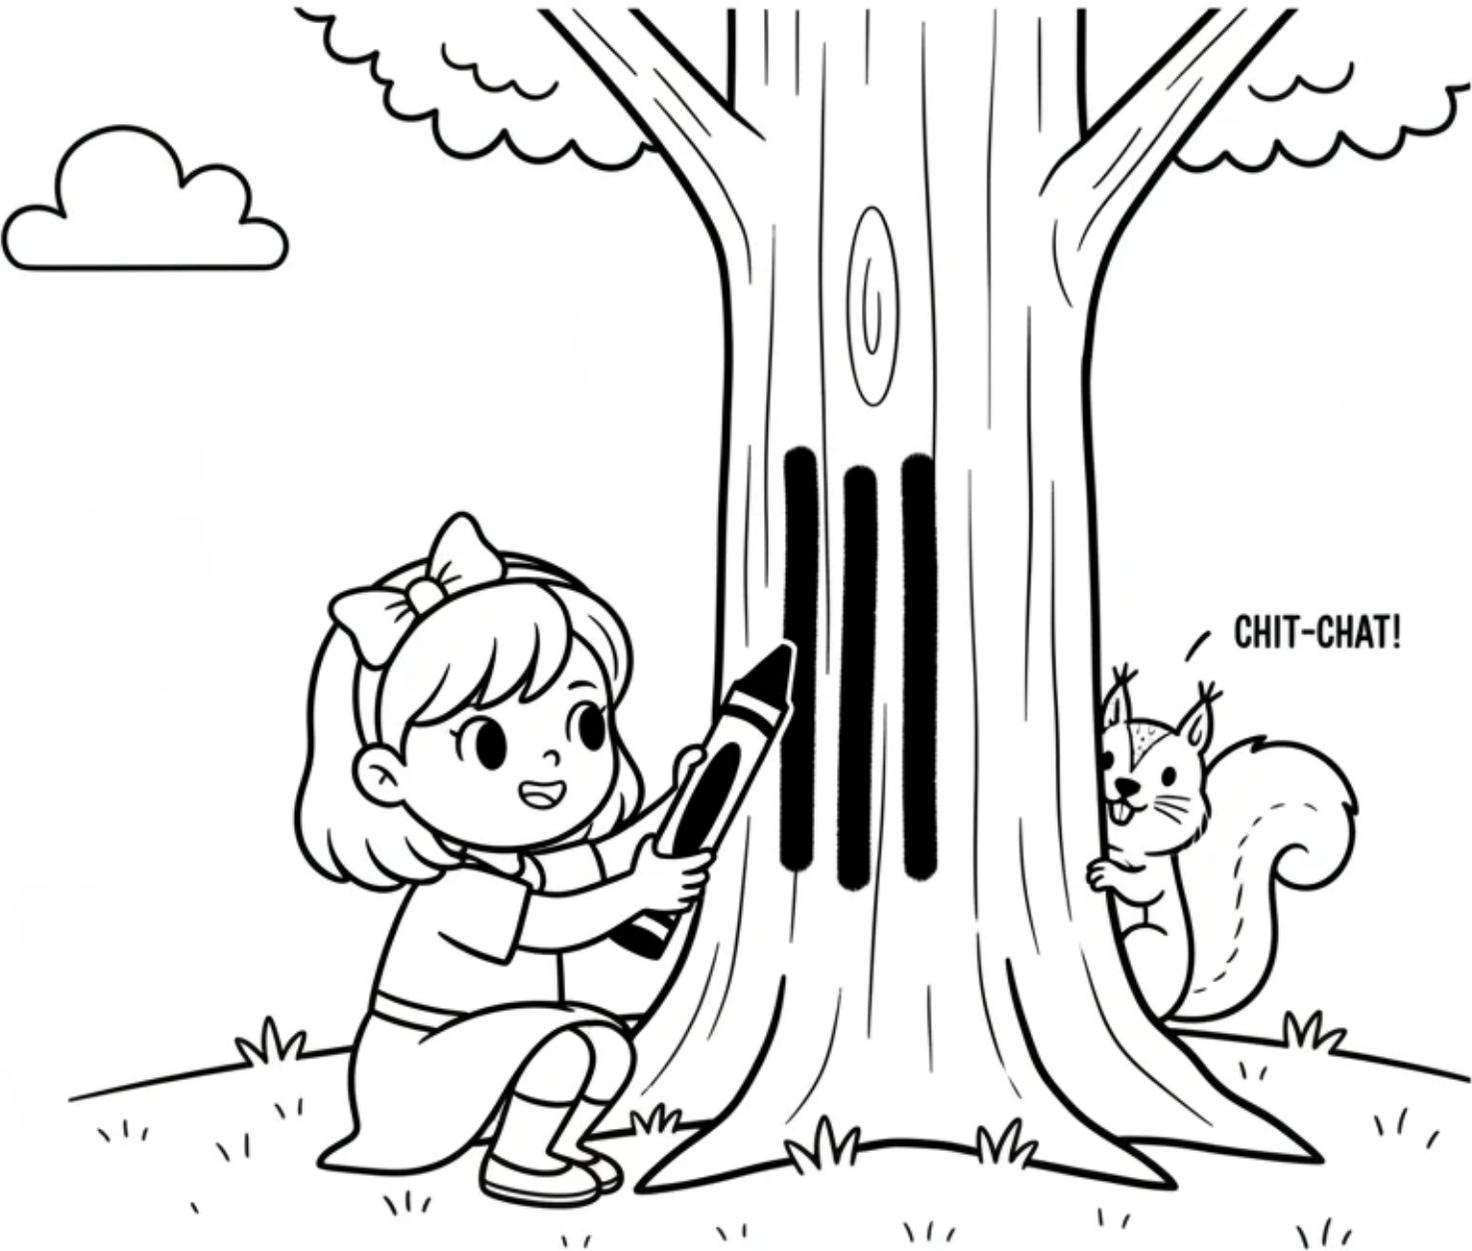

**Sunny turns
the page...**

A quiet forest!

SUNNY COLORS A BIG TREE TRUNK

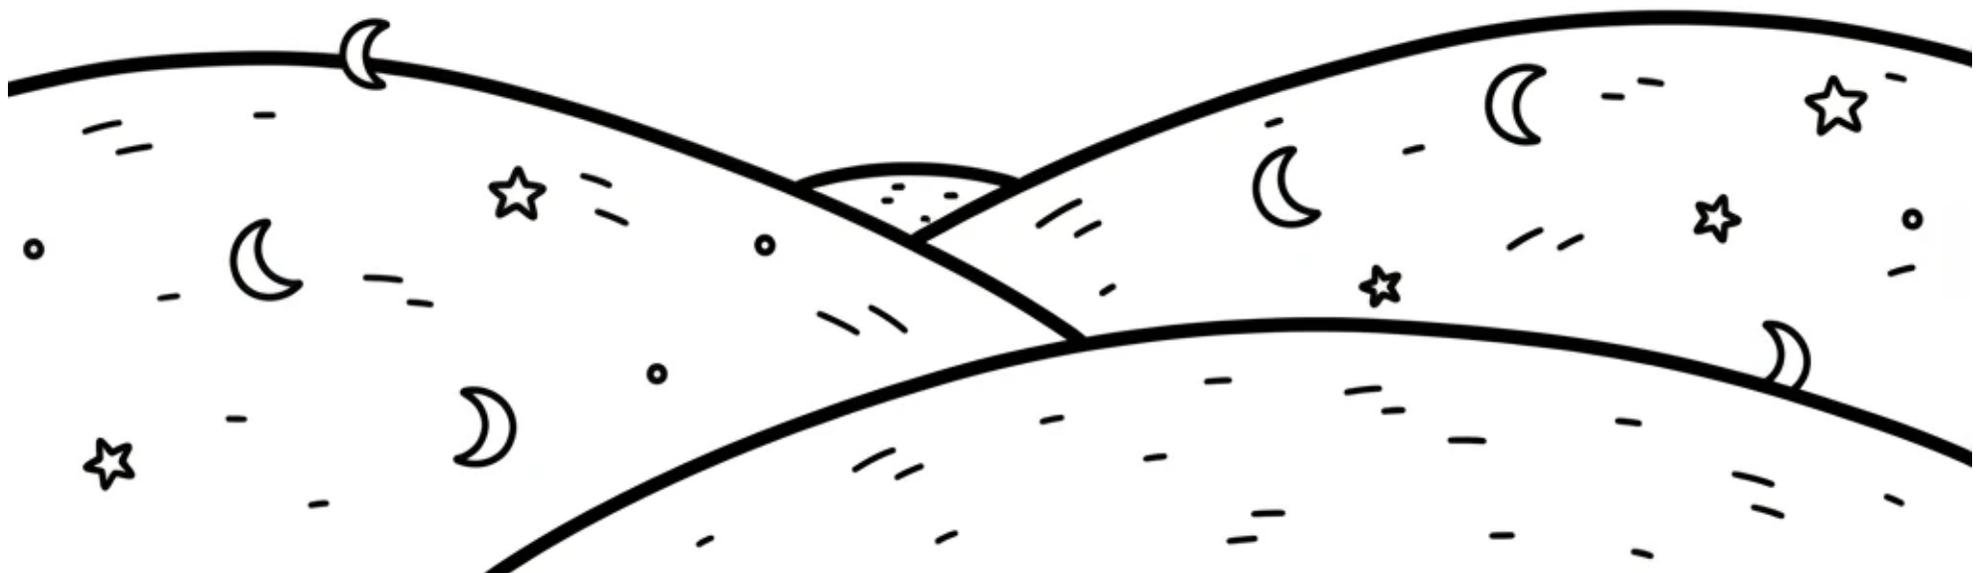

Sunny picks a vibrant red crayon for a small flower.

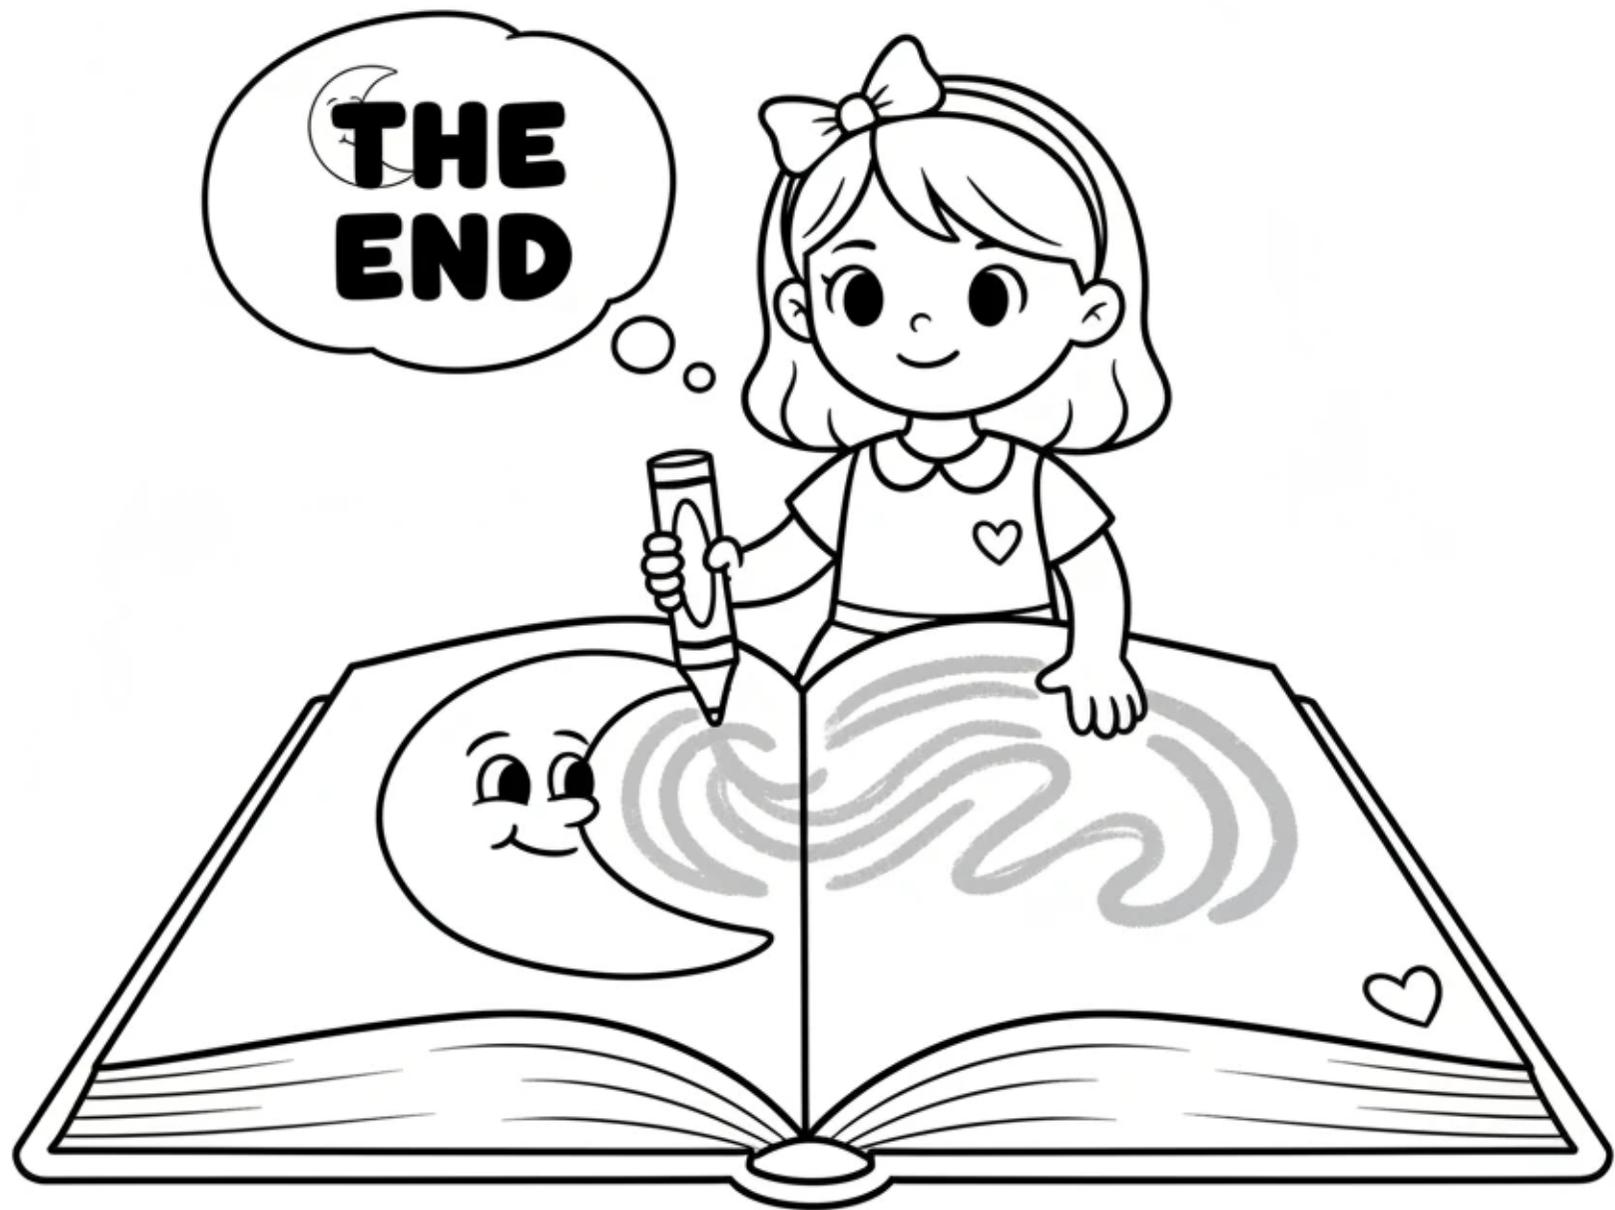

BUZZ BUZZ!

The next page shows a peaceful night scene. A blank sky stretches over sleeping hills, ready for the magic of twilight to appear.

SUNNY CAREFULLY COLORED
LITTLE DOTS IN THE SKY, TURNING
THEM INTO TWINKLING STARS.
STARS. THE STARS BEGAN TO
GLOW SOFTY, MAKING PAGE FEEL
CALM AND DREAMY.

**Sunny colored the moon, and her
heart was full of joy!**
