Mu Ryan

Lila fluttered through her home, wishing for a splash of color.

Suddenly, a shimmering,
pure white leaf
caught her eye...

...It was perfectly
smooth and blank

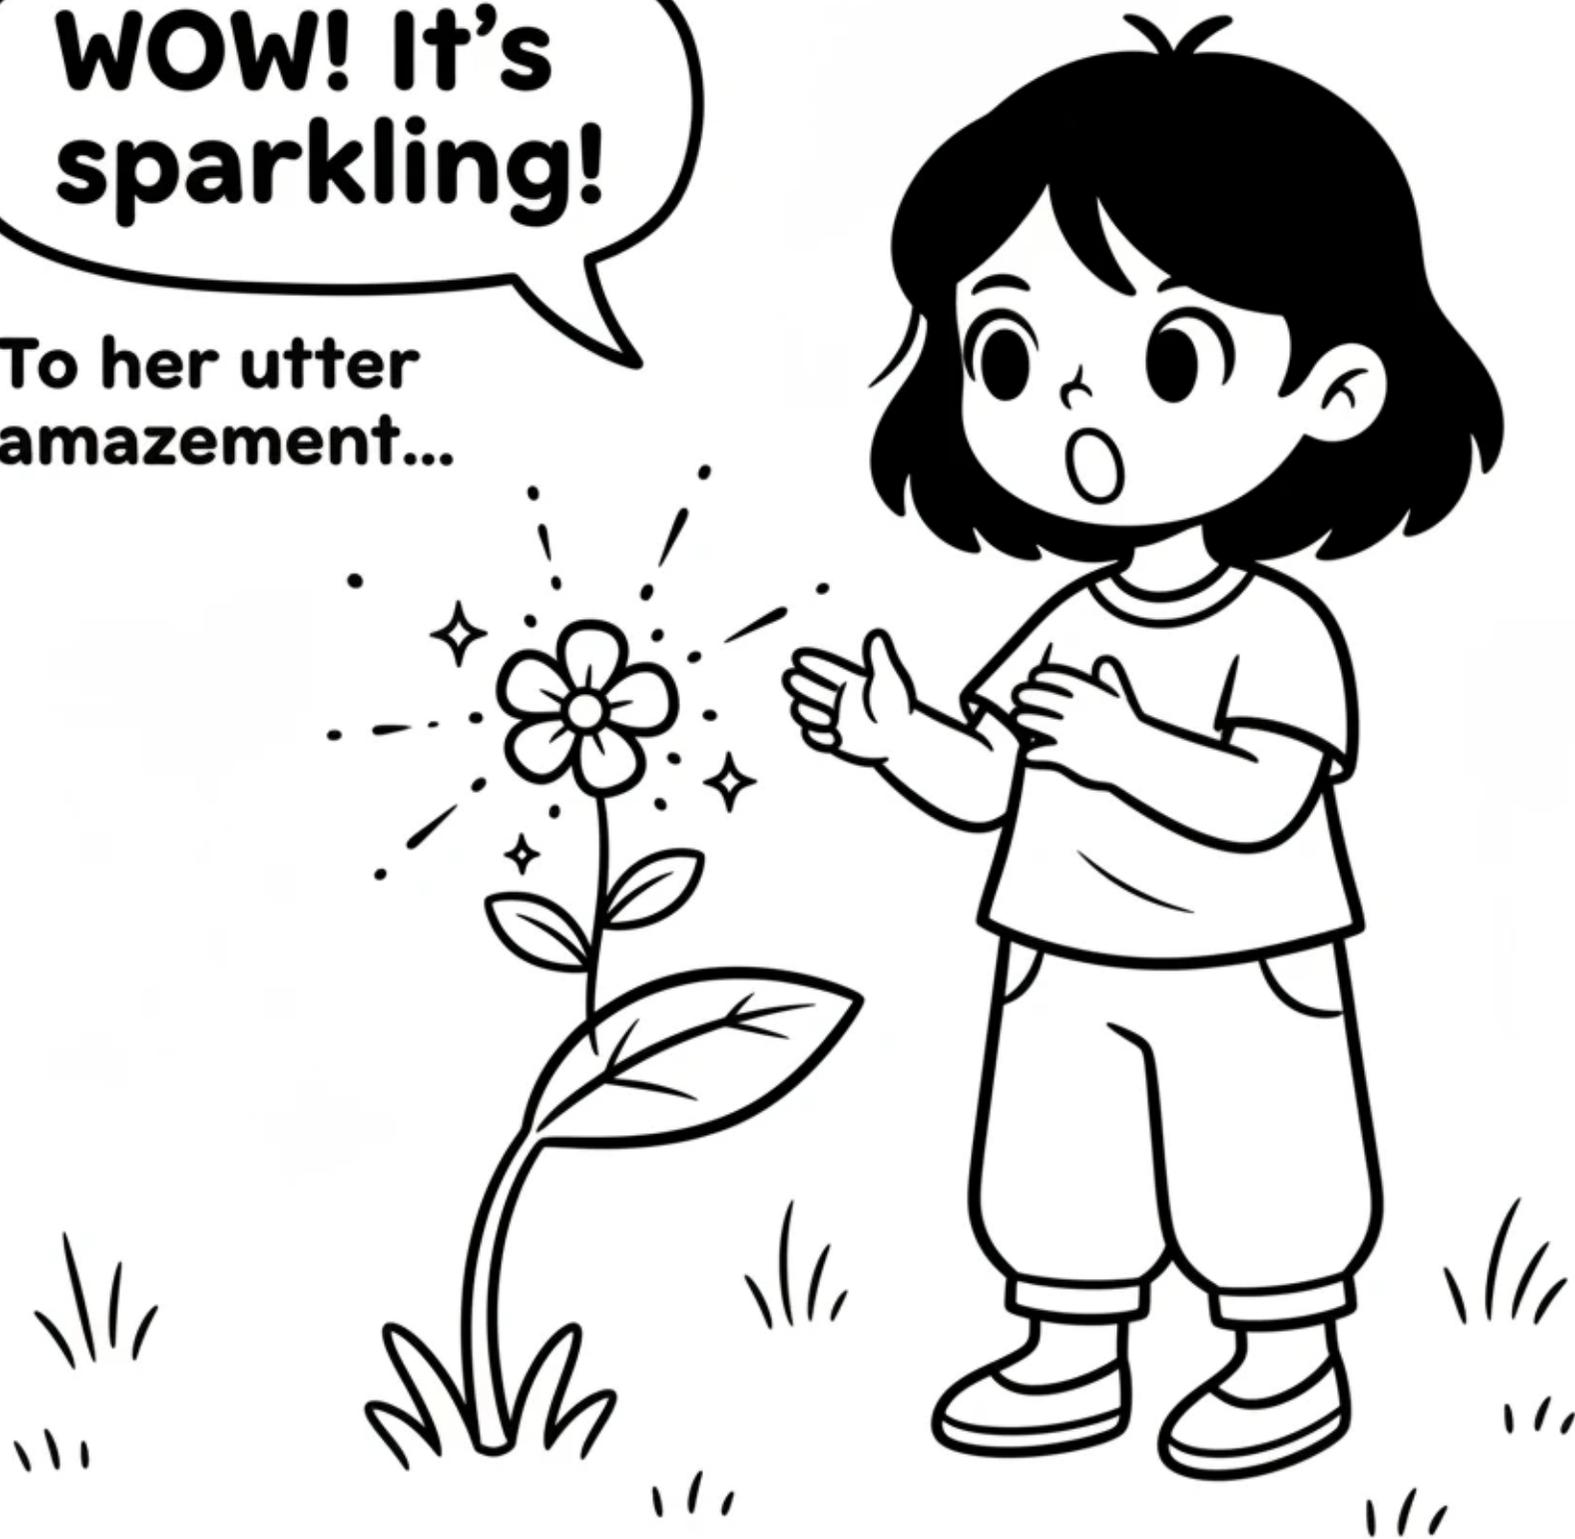

Lila found a juicy berry...

**WOW! It's
sparkling!**

**To her utter
amazement...**

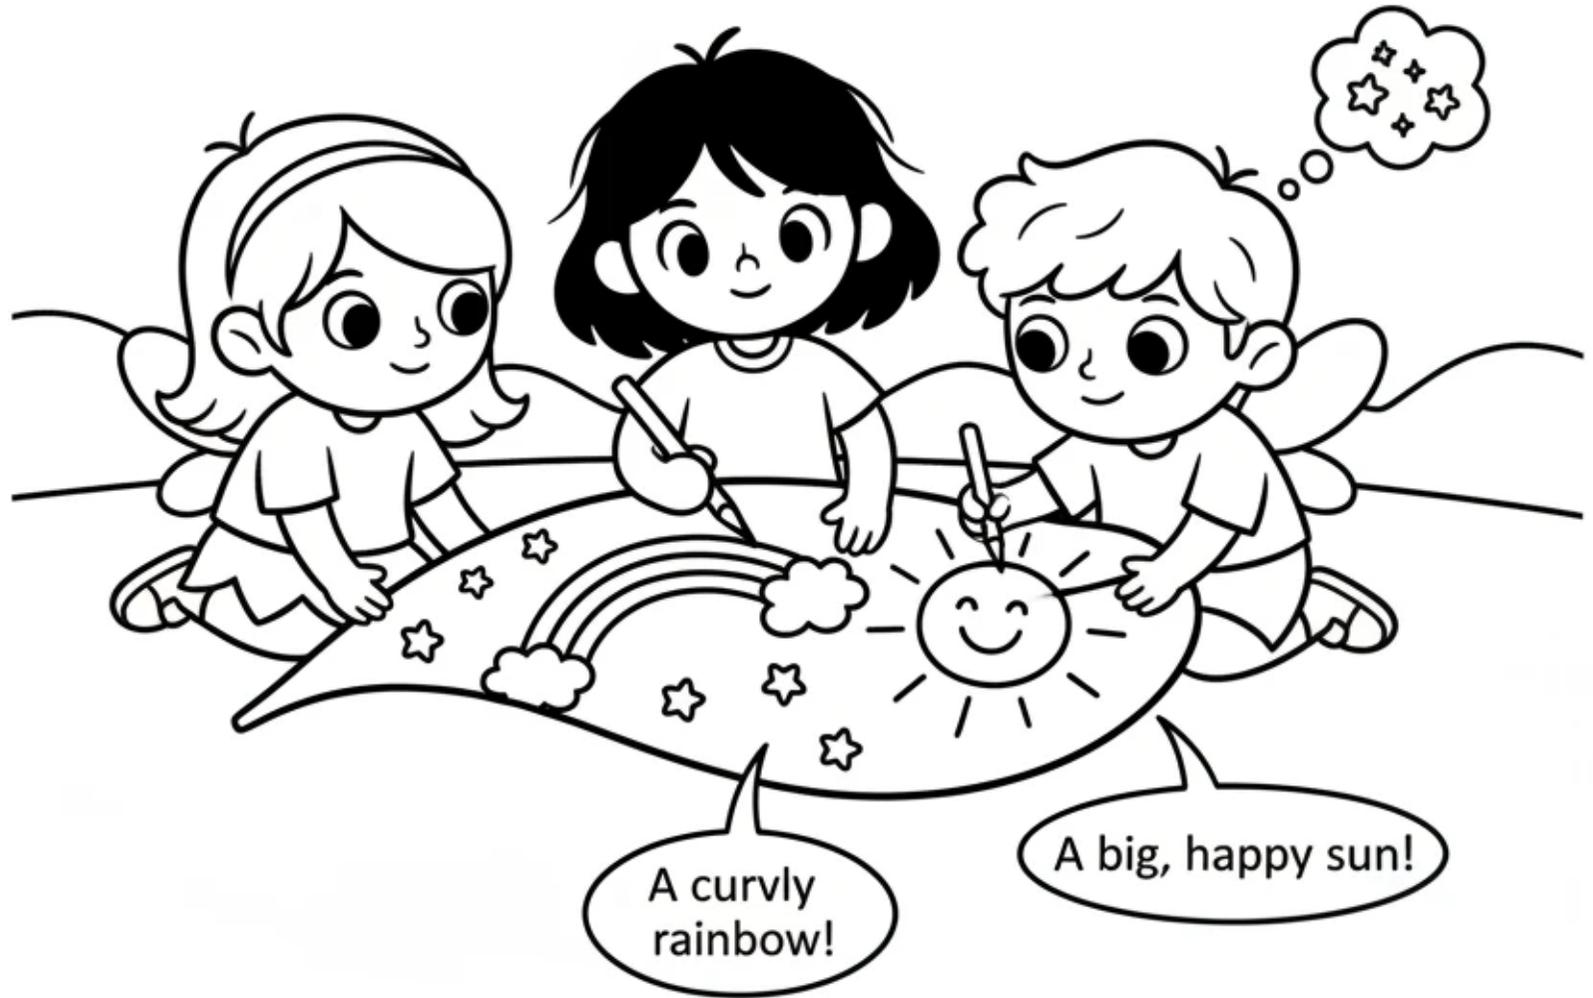

Her magic lines were
brining drawings to life!

**Look at my
MAGIC leaf!**

Together, the three friends began to draw.

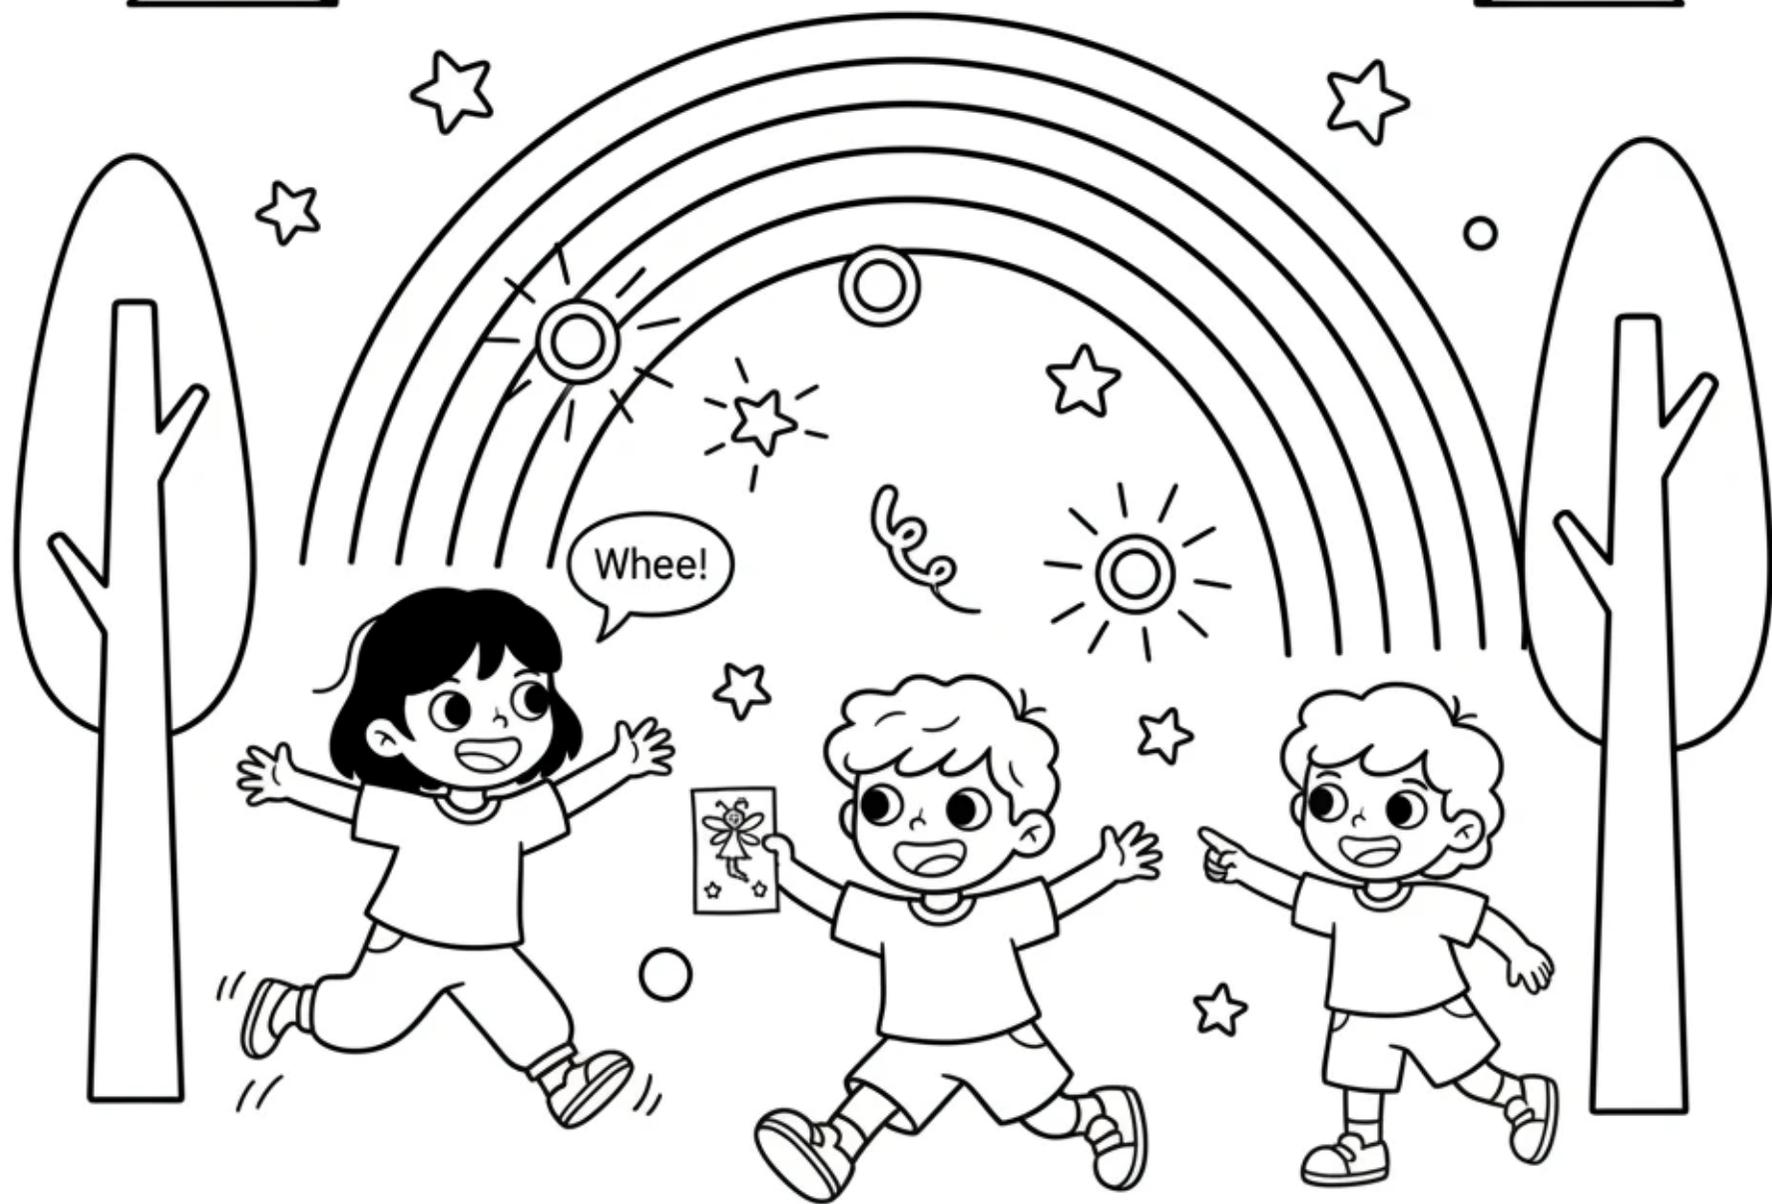

MAGIC!

One al byne, their drawings popped off the leaf, filling the forest with shapes!

They giggled and chased their magical creations!

Our forest is
full of magic!

The simplest
lines make best
best colors!
