

Chet and Barnaby's Great Adventure

by Allie Jones

This is Chet. Chet was the fastest cheetah in the whole wide world. He loved to ZOOM!

This is Barnaby. Barnaby was a bunny who loved to stop and smell every single flower.

Chet and Barnaby were the very best of friends, even though they were as different as fast and slow.

One sunny day, Chet said, 'Let's race to the Big Baobab Tree!' And off he went like a streak of lightning.

But Barnaby saw a butterfly. And a line of marching ants. And the shiniest pebble he had ever seen.

Chet reached the tree in a flash. He waited... and waited. 'Where is Barnaby?' he wondered.
