

Lila's Alphabet Adventure

by Luluk Ismawati

Lila loves to play outside. One sunny morning, she found a big, red apple! 'A is for apple!' she said with a smile.

Next, Lila saw a colorful ball bouncing in the grass. 'B is for ball!' she exclaimed, clapping her hands.

A fluffy cat was sitting on a fence. Lila waved at the cat. 'C is for cat!' she giggled.

Suddenly, Lila heard a dog barking happily. 'D is for dog!' Lila pointed and laughed, running towards it.

Lila went to the park and saw an elephant statue. She smiled. 'E is for elephant!'

Finally, Lila was tired but happy. She knew many letters! Lila went home to rest after a fun day.
