

## The Adventures of Idiom Island

by Сандугаш Бактыбаева

Captain Lexi and her crew set sail for Idiom Island, a place rumored to hold the secrets of the English language. Their ship, the 'Word Wanderer,' cut through the shimmering turquoise waters. The sun shone brightly as they anticipated a grand adventure, eager to break the ice with the island's inhabitants.

Lexi arrived at the village, where a peculiar carpenter was trying to hit the nail on the head. He struggled to hammer the last nail into the birdhouse. Lexi, using her knowledge of idioms, helped the carpenter, making the birdhouse and them friends, they quickly understood each other.

The crew continued their quest to help people. They encountered two mischievous pirates attempting to steal treasure. Lexi suggested a clever solution to kill two birds with one stone: distract the pirates and save the treasure. Their teamwork helped everyone.

In the dark forest of the island, a secret meeting of the cat-like creatures. Lexi met a creature that was about to let the cat out of the bag! They were hiding a secret treasure map. This lead to a hilarious chase through the island.

Lexi, despite being injured, had to bite the bullet to save the village from a looming storm. The villagers needed her leadership during the crisis. After the storm passed, everyone found themselves under the weather, but Lexi helped them heal.

With the storm gone, everyone felt at peace. Lexi decided the ball is in everyone's court, and they had to rebuild. Everyone worked hard, helping each other, including Lexi's crew. After a hard day's work, the captain and the crew decided to hit the sack.
