

Lunchtime at School

by NUR SYAZWANIE BINTI YAHYA KPM-Guru

Ali and his friends are excited! It's lunchtime at school. The children are in the bright and cheerful canteen. They open their colourful lunchboxes.

Ali has a yummy sandwich. Mei has juicy apples. Raju has a tasty banana. Aisyah has some crackers.

Mei asks Ali, "Can I have some apples, please?" Ali smiles and says, "Yes, here you go!" He gives her some apples. Mei says, "Thank you!"

Raju offers Aisyah his banana. Aisyah says, "Thank you, Raju!" She is very happy. They all share their food.

After lunch, they clean up their tables. They put their rubbish in the bin. They say, "Goodbye!" to each other.

Ali and his friends smile. Lunchtime is fun when we share and care! They all feel happy and full of joy.
