

小翠的第一次飞翔

by lianbo ma

小翠是一只小小的翠鸟，她有一双乌黑闪亮的大眼睛，好奇地望着世界。她住在高高的树枝上，总是仰望着天空中的鸟儿自由飞翔。她梦想着有一天也能展开翅膀，体验飞翔的感觉。 Illustration: A close-up of a cute, curious small bird, 小翠, perched on a branch, looking up at the sky. The background shows a bright blue sky with fluffy white clouds.

清晨，阳光洒在翠绿的树叶上。小翠第一次鼓起勇气，站在树枝的边缘。她深吸一口气，闭上眼睛，努力地扑打着翅膀。 Illustration: 小翠 on the edge of a tree branch, about to jump. Her wings are outstretched. The sun shines brightly on her. The scene captures the moment of hesitation and determination.

呼——小翠终于飞起来了！她笨拙地扇动着翅膀，在空中摇摇晃晃。虽然开始时不太顺利，但她并没有放弃。她越飞越高，最终，小翠快乐地在空中自由翱翔。 Illustration: 小翠 is joyfully flying in the sky, her wings spread wide. The sky is a beautiful blue, and the world below is visible, showcasing trees and a river. The image conveys freedom and happiness.
