

A Little Maid's Big Faith

by GEORGINA RIRS

Miriam, a young girl with bright eyes and a cheerful smile, worked as a maid in a grand house. She loved to help others and always had a song in her heart. Even though she was small, Miriam knew God loved her very much.

One day, Miriam heard a sad story. Her master, Naaman, was very sick with a terrible disease. She felt sorry for him and wished she could help.

Miriam remembered the prophet Elisha, who lived in a faraway land. She knew he could help Naaman. With a hopeful heart, she told her mistress about Elisha.

Naaman, after listening to his wife and Miriam, decided to seek the prophet. He traveled to Elisha, hoping for a cure. Miriam's words gave him hope.

After following Elisha's instructions, Naaman was healed! He was overjoyed and realized the power of God. He thanked God for His healing.

Miriam's small act of kindness and faith had a huge impact. She showed that even the smallest servant could be a minister for God, bringing hope and healing to those around her.
